Jeanie thinks she was to blame for the sexual assault she suffered in college—and she'd do anything to keep her old-school Catholic family from finding out about the resulting pregnancy, as well as what she did to conceal it. Years have passed since the assault, and Jeanie's husband, Greg, still thinks she's the seemingly innocent girl he married in a rush to spite his controlling mother. It's the height of the

Seattle dot-com boom, and he's too busy cashing in his stock options to pay attention to his wife. Their hidden agendas collide when Greg discovers evidence of Jeanie's long-ago pregnancy. As she confesses the details of that drunken night with her married professor, Greg's pristine image of her is blown. His shock deepens into violent fury, and Jeanie realizes she needs to leave him—but Greg

won't let her go. He's up for a big promotion, and he's not about to let her ruin his reputation by walking out on him. He'll resort to blackmail if necessary. Or worse.
