If you enjoy a bit of DIY in the home or you maintain your own car, caravan, RV, motorbike or bicycle you will, sooner or later, come across something so rusty you think it's welded in place. You dangle from the longest spanner you own, maybe cheating a bit with a length of tube over the end and... SNAP! You have a sheared off shaft in a hole... The aim of this book is to provide you with a way to solve the first problem while minimising the probability of the second. It walks you through a series of complementary techniques to clean and free the problem fastener with the minimum effort, risk and damage. Even if you already have a sheared stump to deal with we have techniques for that too. The high-water mark of the muscle car era is usually credited as 1970, and for good reason; Chevrolet was now stuffing high-powered 454 engines into Chevelles. Adding a larger displacement above the still-available 396 (402) offered buyers the option to order the most powerful production car of that era. The 1970-1972 Chevelles remain the most collectible of the model to this day. Author and historian Dale McIntosh pairs with restoration expert Rick Nelson to provide this bible of authenticity on the legendary 1970, 1971, and 1972 Chevelle models. Everything about restoring your Chevelle back to bone-stock is covered meticulously, including step-by-step instructions for chassis and interior restoration. Understanding date variances on parts applicable to the build date of your Chevelle is vital to a factory-correct restoration, and including them in this book provides a depth of coverage on these cars that is unequalled. Restoring a 1970-1972 Chevelle back to concours

correct takes a certain amount of expertise. Thankfully, Rick and Dale have done a lot of the heavy lifting on the research side. With this authenticity guide, you can be confident that you have all the correct components and options accurately and expertly represented for your stock restoration. These fine details put the Chevelle Restoration and Authenticity Guide 1970-1972 a cut above the rest. Spine title: Motor auto repair.
