*Witchcraft: The Basics*

The Witch as Muse Mar 25 2022 Occult topics have long fascinated artists, and the subject of witches—their imagined bodies and fantastic rituals—was a popular one for painters and printmakers in early modern Europe. Focusing on several artists in depth, Linda C. Hulst probes the historical and theoretical contexts of their work to examine the ways witches were depicted and the motivations for those depictions. While studying the work of such artists as Dürer, Baldung, Jacques de Gheyn II, and Goya, Hulst discerns patterns suggesting that the imagery of witchcraft served both as an expression of artistic license and as a tool of self-promotion for the artists. These imagined images of witches were designed to catch the attention of powerful and important patrons as witchcraft was being debated in political and intellectual centers. Dürer's early engravings of witnesses made in the wake of the *Malleus maleficarum* of 1487 were crucial in linking the seductive or aged female form with the dangers of witchcraft. The polarized idea of gender pervaded many aspects of early modern culture, including art theory. As the deluded female witch embodied the abuse of

imagination and fantasy, so the male artist presented himself as putting those faculties to productive and reasoned use.

*Witchcraft, Witch-hunting, and Politics in Early Modern England* Jun 27 2022 A wide-ranging overview of the place of witchcraft and witch-hunting in the broader culture of early modern England. Based on a mass of new evidence extracted from a range of archives, both local and national, it seeks to relate the rise and decline of belief in witchcraft, alongside the legal prosecution of witches, to the wider political culture of the period. Building on the seminal work of scholars such as Stuart Clark, Ian Bostridge, and Jonathan Barry, it demonstrates how learned discussion of witchcraft, as well as the trials of those suspected of the crime, were shaped by religious and political imperatives in that period.

**Spells for Change** Jan 23 2022 Modern day witches are a culmination of the old and new—they travel to the grocery store, work nine to fives, and teach in our classrooms. They carry black tourmaline and quartz, and wave bay and rosemary bundles over their doorways. Within an ancient sacred practice, a new generation of witches are rising; those who understand the power of action paired with energy and intent, who fight for the best versions of themselves through whispered chants and candlelight and match their activism with manifestation. The modern witch creates change within the hearth, the heart, and the world, one spell at a time. Frankie Castanea is at the centre of a thriving community of

modern practitioners who use witchcraft to enrich their lives day-to-day and improve the world around them. In *Spells for Change*, Frankie demonstrates how witchcraft has both personal and worldwide applications, whether it's protecting the home or self from negative energies through boundaries and charms or binding a harmful person to help a friend. Each brings you closer to creating change within yourself, the environment around you, and the society we live in, and closer to a greater awareness of the Universe and the energies that exist within it. Including studies of meditation, grounding, manifestation, cleansing, protection, banishing and binding, this book will teach you how to enact personal and global change. From justice spells and banishing unwanted energy to spells to help you on the journey to self-love and self-prioritization, Frankie shows that, at its heart, witchcraft is a force for good that is ultimately about refining your identity and reclaiming your power.

**Witchcraft, Gender, and Society in Early Modern Germany** Jul 29 2022 Using the example of Eichstatt, this book challenges current witchcraft historiography by arguing that the gender of the witch-suspect was a product of the interrogation process and that the stable communities affected by persecution did not collude in its escalation.

Modern Witch Jun 15 2021 Being a Modern Witch is as natural as breathing. You are born magical - but are you using your magic? This is NOT YOUR ORDINARY BOOK!! Whether for personal development or spiritual enlightenment, *The Ultimate Guide to Witchcraft* is the perfect guide for teaching you how to tap into your own

magic and apply its alchemy to your life.

**Witch Hunts: Culture, Patriarchy, and Transformation** Sep 30 2022 This book is a unique intersectional analysis combining culture, gender struggles and structural including economic transformations, both in the formation of gendered class society, patriarchy and capitalism.

**The Oxford Illustrated History of Witchcraft and Magic** Nov 20 2021 This richly illustrated history provides a readable and fresh approach to the extensive and complex story of witchcraft and magic. Telling the story from the dawn of writing in the ancient world to the globally successful Harry Potter films, the authors explore a wide range of magical beliefs and practices, the rise of the witch trials, and the depiction of the Devil-worshipping witch. The book also focuses on the more recent history of witchcraft and magic, from the Enlightenment to the present, exploring the rise of modern magic, the anthropology of magic around the globe, and finally the cinematic portrayal of witches and magicians, from The Wizard of Oz to Charmed and Buffy the Vampire Slayer.

**The Witch's Art of Incantation** Oct 20 2021 In its sampling of over 120 individual incantations rooted in the texts and lore of previous centuries, The Witch's Art of Incantation reveals the often overlooked diversity of the incantatory arts: charms that beckon, charms that command, charms that poison, charms that remember, charms that terrify, charms that praise and exalt. Because each charm is accompanied by an approximate

date, region, and associated source text, student witches will sharpen their own knowledge of folkloric texts while engaging with these rich and potent spells. The practical methods in the introduction, though seemingly simple, outline rarely discussed methods of incantation, including the construction of the magical listener and pairings with sympathetic and contagious ritual acts. A virtual witch's psalter of incantatory source material, *The Witch's Art of Incantation* is sure to make a unique addition to the modern folk witch's library. From the introduction: "In the mid-seventeenth century, Scottish witch Isobel Gowdie's words were believed to hold strange power. An utterance from her was thought by the authorities to spell sickness, doom, or dire misfortune to her victims. What might be a simple rhyme on the tongue of another was transformed in her mouth into a magical act, a machination of the witches' craft, darkly wondrous and full of potency. Whether Gowdie possessed any specific form of training in the witch's art of incantation is beside the point entirely. Speech itself, in the witch's craft, is a magical act. This, reader, is the fulcrum that binds the present volume, the exact aim and goal of this present work. Today, we are both spoiled and plagued by representations of the witches' art of incantation all around us. Our fictive wingardium leviosas and bippity-boppity-boos have inured us to the very real craft of magical words left to us by our real ancestors. Even if one is so fortunate to come across a book with actual historic charms from the past, one must have a certain amount of knowledge and practice in order to make use of it. Yet, this wealth of lore is all around us, it

seems. The barriers to achievement in spoken charm and incantation are not so much practical as ideological; most of us don't seem to know what to make of these archaic remnants or how to incorporate them into our practice. Modern witches, in the well-meaning work of creating new charms (that are, for certain, potent in their own right), are sometimes guilty of throwing the proverbial baby out with the bathwater, abandoning rather than preserving the very real and legitimate inheritance of incantations all around us. Yet, for the folk witch, lore-derived practice is essential. Translating who our ancestors were and what they did into modern life is the heart and soul of the work we do. Folk witchcraft is, as a branch of the modern craft, decidedly personal, ancestral, and flexible, but remains firmly rooted in the witch-lore of the past. By following the truths and charms of our old lore, folk witches arrive at forms of modern witchcraft that make sense to our own individual locales, our familiar spirits, our spiritual ancestors, and our needs...

Early Modern Witches May 27 2022 This collection of pamphlets describes fifteen English witchcraft cases in detail, vividly recreating events to give the reader the illusion of actually being present at witchcraft accusations, trials and hangings. But how much are we victims of literary manipulation by these texts? The pamphlets are presented in annotated format, to allow the reader to decide. Some of the texts appear in print for the first time in three centuries, whilst others are newly edited to give a clearer picture of sources.

Modern Witch Feb 21 2022 Spells, Rituals, and Workings for the Modern Witch Filled with

magical workings, lush photography, and creative inspiration, *Modern Witch* is a dazzling display of art and craft. Esthetic meets esoteric as author Devin Hunter shows how to work magic for love, healing, protection, prosperity, and divination. Color photos and artistic renderings show essential aspects of the workings, helping you develop a successful magical practice that achieves the results you desire. With dozens of spells, rituals, and recipes from the personal grimoire of a working witch, this book empowers you to work with dynamic magical energies and fulfill your deepest spiritual, physical, and emotional needs. With this powerful magic, you don't need to wait for some unknown fate; you can take charge and create your own. Discover an authentic collection of spells, recipes, charms, and correspondences that have been used and refined by the author for nearly twenty years. Combined with the author's original photographs and art, these teachings illuminate the five most popular types of magical entreaties: love, healing, protection, prosperity, and divination. Within these pages you will find spells and workings such as: A Love Magic Charm Bag • A Finger Scrying Spell • The Bottle of 1,000 Eyes • A Spell for a Correct Diagnosis • The Witch's Foot Spell • A Serpent Candle Spell • The Jupiter Budget Working • A Golem Fetish • The Prayer of Fortuna • A Self-Love Spell • The Honey Jar Spell • A Himmelsbrief for Success

*Witchcraft and Magic in Ireland* Dec 22 2021 This is the first academic overview of witchcraft and popular magic in Ireland and spans the medieval to the modern period. Based

on a wide range of un-used and under-used primary source material, and taking account of denominational difference between Catholic and Protestant, it provides a detailed account of witchcraft trials and accusation.

**Subject Guide to Children's Books in Print** Jan 11 2021

The European Witch-Hunt Aug 18 2021 The European Witch-Hunt seeks to explain why thousands of people, mostly lower-class women, were deliberately tortured and killed in the name of religion and morality during three centuries of intermittent witch-hunting throughout Europe and North America. Combining perspectives from history, sociology, psychology and other disciplines, this book provides a comprehensive account of witch-hunting in early modern Europe. Julian Goodare sets out an original interpretation of witch-hunting as an episode of ideologically-driven persecution by the 'godly state' in the era of the Reformation and Counter-Reformation. Full weight is also given to the context of village social relationships, and there is a detailed analysis of gender issues. Witch-hunting was a legal operation, and the courts' rationale for interrogation under torture is explained. Panicking local elites, rather than central governments, were at the forefront of witch-hunting. Further chapters explore folk beliefs about legendary witches, and intellectuals' beliefs about a secret conspiracy of witches in league with the Devil. Witch-hunting eventually declined when the ideological pressure to combat the Devil's allies slackened. A final chapter sets witch-hunting in the context of other episodes of modern persecution. This

book is the ideal resource for students exploring the history of witch-hunting. Its level of detail and use of social theory also make it important for scholars and researchers.

**The Modern Guide to Witchcraft** Aug 06 2020 Provides information on creating a sacred space, promoting good energy, and creating incantations, potions, and charms.

**Inner Witch** Feb 09 2021 The ultimate guide to witchcraft for every woman craving a connection to something bigger, using the tools of tarot, astrology, and crystals to discover her best self. In these uncertain times, witchcraft, astrology, tarot, crystals, and similar practices are seeing a massive resurgence, especially among young women, as part of their self-care and mindfulness routines. Gabriela helps readers take back their power while connecting to something larger than themselves. She covers: \* Witchcraft as a feminist call to action \* Fashion magick \* Spells for self-love \* Cleansing your space \* Holidays of the witch \* How to create a spellbook / grimoire \* Witchcraft as self-care Whether the reader is looking to connect with her green thumb, banish negative energies, balance her chakras, energetically fight the patriarchy, or revitalize her sense of self, Inner Witch has something to offer. After all, empowered women run the world--and the ones who do are usually witches.

With your own grimoire in hand, you'll be ready to continue your journey in learning the craft.

*Witchcraft: The Basics* Aug 25 2019 *Witchcraft: The Basics* is an accessible and engaging introduction to the scholarly study of witchcraft, exploring the phenomenon of witchcraft from its earliest definitions in the Middle Ages through to its resonances in the modern world. Through the use of two case studies, this book delves into the emergence of the

witch as a harmful figure within western thought and traces the representation of witchcraft throughout history, analysing the roles of culture, religion, politics, gender and more in the evolution and enduring role of witchcraft. Key topics discussed within the book include: The role of language in creating and shaping the concept of witchcraft The laws and treatises written against witchcraft The representation of witchcraft in early modern literature The representation of witchcraft in recent literature, TV and film Scholarly approaches to witchcraft through time The relationship between witchcraft and paganism With an extensive further reading list, summaries and questions to consider at the end of each chapter, *Witchcraft: The Basics* is an ideal introduction for anyone wishing to learn more about this controversial issue in human culture, which is still very much alive today.

**The Modern Witchcraft Guide to Fairies** Nov 28 2019 Interact with magical fairy folk and incorporate them into your own witchcraft practice with this detailed account of the ancient wisdom and traditions of fairies and witchcraft. Fairies have long been a part of witchcraft traditions, especially Celtic and Norse witchcraft, paganism, and other traditions deeply tied to the earth. But these fairies aren't the harmless creatures you've read about in children's tales: they are magical creatures with their own culture and rules that you need to know before venturing into their territory. Now you can explore the world of the fairies and how their magic relates to your own witchcraft practice with *The Modern Witchcraft Book of Fairies*. This book provides you with all the information you need to know about the

different types of fae folk and how you can safely interact with them to make the most of your witchcraft practice.

**Buckland's Complete Book of Witchcraft** Dec 02 2022 "This complete self-study course in modern Wicca is a treasured classic - an essential and trusted guide that belongs in every witch's library."---Back cover

*How To Become A Witch* May 03 2020 So you want to become a witch? Great! You're in the right place. But where do you start? I'm here to tell you that becoming a witch doesn't have to be some big, complicated, expensive process. You don't have to get initiated into a pagan or Wiccan religion to become a witch. You don't have to study for years and years before you can cast your first spell. You don't have to go out and buy a cauldron and a million different kinds of incense. You don't have to join a coven and spend every full moon dancing naked in the forests. I mean, you can if you want to, but none of those things are requirements to becoming a witch. All you have to do is CHOOSE to become a witch. Seriously-that's it. No experience necessary. It doesn't matter who you are, how your family raised you, or what you believe. Modern secular witchcraft offers witches an incredibly simple, fun, and easy way to perform powerful magic. That's what you'll learn in this easy-to-understand, totally approachable introductory guide to becoming a witch. You'll also learn: ?Your first steps to creating your own personal spiritual practice. ?An explanation of witchy terms like sabbats, esbats, grimoires, and covens. ?How to use Law of Attraction and

sympathetic magic to cast powerful spells. ?How to set up a magical altar. ?Simple methods for cleansing and charging your sacred space. ?How to hone your ability to sense energy. ?A brief guide to writing and performing your own spells. ?What tools you'll want for different forms of magic and how to make your own tools! ?An assortment of spells you can perform anywhere with or without tools. ?What to tell (or not tell) the skeptics and haters in your social circle. ?How to continue growing on your magical journey. If you're looking for simple guide to becoming a witch, this book is for you! Don't miss the other books in the White Witch Academy Textbook series including What Type of Witch Are You? A Handbook of Over Thirty Types of Witchcraft for New Witches.

Keeping Her Keys May 15 2021 Over the past few years Hekate has gained increasing popularity around the world. While there are books written about the historical Hekate, there is a lack of information applying this knowledge for personal development and practicing witchcraft. Keeping Her Keys blends the 'keys' of personal development, magick and the ancient goddess, Hekate, together. Topics include the power of prayer, how to create sacred space, and guidance on spell crafting. In the final chapter readers can perform an optional self-initiation to become a Keeper of Her Keys.

The Witch-Hunt in Early Modern Europe Dec 10 2020 The Witch-Hunt in Early Modern Europe, now in its fourth edition, is the perfect resource for both students and scholars of the witch-hunts written by one of the leading names in the field. For those starting out in

their studies of witch-beliefs and witchcraft trials, Brian Levack provides a concise survey of this complex and fascinating topic, while for more seasoned scholars the scholarship is brought right up to date. This new edition includes the most recent research on children, gender, male witches and demonic possession as well as broadening the exploration of the geographical distribution of witch prosecutions to include recent work on regions, cities and kingdoms enabling students to identify comparisons between countries. Now fully integrated with Brian Levack's *The Witchcraft Sourcebook*, there are links to the sourcebook throughout the text, pointing students towards key primary sources to aid them in their studies. The two books are drawn together on a new companion website with supplementary materials for those wishing to advance their studies, including an extensive guide to further reading, a chronology of the history of witchcraft and an interactive map to show the geographical spread of witch-hunts and witch trials across Europe and North America. A long-standing favourite with students and lecturers alike, this new edition of *The Witch-Hunt in Early Modern Europe* will be essential reading for those embarking on or looking to advance their studies of the history of witchcraft

Personal Magic Jul 05 2020 A classic of practical magic that presents witchcraft as a life-affirming spiritual path—from one of the grand dames of witchcraft. Marion Weinstein was one of the founders of modern-day witchcraft. *Personal Magic* is her book of shadows, what they used to call a grimoire or book of spells. It presents her personal approach to

witchcraft, what she learned over her many decades of practicing magic: How to invoke the deities or spirit powers, the gods and goddesses that inhabit our world The pagan holidays—what they mean and how to honor them Working with moon power throughout its phases The witch’s toolkit of spells and rituals for contacting one’s ancestors, seeking protection from malevolent forces, and practicing advanced manifestation An exploration of the principles of self-realization through witchcraft “In the old days,” she writes, “a ‘Book of Shadows’ was kept for joyful reasons—to pass on the work to others. Every witch who could write had one.” During times of repression, these works were a way of preserving the religion. “Today, we are back to the original purpose of sharing the craft with others.” This book is Marion’s gift to you. It is also an invitation to start creating your own book of shadows. Personal Magic is filled with how-tos and practical advice that shows readers how to unlock their psychic abilities to guide them in the creation of their own unique and personal magical work. Every technique is explained in detail, in keeping with Weinstein's proviso that one should never attempt to work any magic unless one understands it fully. Previously published as Earth Magic.

**Male Witches in Early Modern Europe** Apr 01 2020 This book critiques historians’ assumptions about witch-hunting as well as their explanations for this complex and perplexing phenomenon. It shows that large numbers of men were accused of witchcraft in their own right, in some regions, more men were accused than women. The authors insist on

the centrality of gender, tradition, and ideas about witches in the construction of the witch as a dangerous figure. They challenge the marginalization of male witches by feminist and other historians.

*Old World Witchcraft* Aug 30 2022 Introduces the philosophy and practices of old world witchcraft, which relies on plant magic and the use of shadow, dispelling the myths about witches and presenting the tradition's tools, charms, spells, rituals, and correspondences.

*John Stearne's Confirmation and Discovery of Witchcraft* Apr 13 2021 Between 1645-7, John Stearne led the most significant outbreak of witch-hunting in England. As accusations of witchcraft spread across East Anglia, Stearne and Matthew Hopkins were enlisted by villagers to identify and eradicate witches. After the trials finally subsided in 1648, Stearne wrote his only publication, *A confirmation and discovery of witchcraft*, but it had a limited readership. Consequently, Stearne and his work fell into obscurity until the 1800s, and were greatly overshadowed by Hopkins and his text. This book is the first study which analyses Stearne's publication and contextualises his ideas within early modern intellectual cultures of religion, demonology, gender, science, and print in order to better understand the witch-finder's beliefs and motives. The book argues that Stearne was a key player in the trials, that he was not a mainstream 'puritan', and that his witch-finding availed from contemporary science. It traces *A confirmation's* reception history from 1648 to modern day and argues that the lack of research focusing on Stearne has resulted in misrepresentations of the witch-

finder in the historiography of witchcraft. This book redresses the imbalance and seeks to provide an alternative reading of the East Anglian witch-hunt and of England's premier witch-hunter, John Stearne.

*Witch-Hunt and Conspiracy* Sep 18 2021 *Witch-Hunt and Conspiracy* brings unique insight and prize-winning analysis to an extraordinary story – that of a witch-hunt and ‘ninja’ craze that swept a region of Java, Indonesia, in 1998. When neighbours, family members and friends believed that one among them was a sorcerer, this suspicion would sometimes culminate in the death of the suspect. In 1998, these sporadic killings turned into an outbreak of violence. Muslim organisations attributed the escalation of these killings to political conspirators, alleging that squads of ‘ninjas’ were responsible. A paramilitary group (Banser NU) began preparing and training for an onslaught of further violence, while anxious residents throughout East Java established road-side guards. Dozens of suspected ninjas were caught and some were tortured and killed. Using first-hand accounts, Herriman provides these events with a detailed context and history and analyses their development in terms of the interplay of national institutions and local culture and dynamics. This book represents the culmination of his researching of witch-hunts for more than a decade.

**The Modern Witchcraft Book of Love Spells** Mar 13 2021 From the author of the *Modern Witchcraft* series comes a new book on romantic spells to bring you love, companionship, and passion, with straightforward, accessible spell instructions. The

Modern Witchcraft Book of Love Spells is a comprehensive collection that will help you get the love you want—from manifesting a mate, to blessing and helping new love, to helping you reconnect with a partner and stoking the flame to add fire to your romance. This book will guide you toward your romantic desires to find love—with the help of a little magic!

**Hedge Witch** Sep 06 2020 Hedge Witch is a modern guide to the ancient path of the village wisewoman or wiseman. Written in the form of letters from an experienced witch to her two apprentices, solitary witchcraft is offered, not as a substitute for coven worship, but as a fulfilling lifestyle in its own right. Rae Beth explains the importance of the Goddess and her consort, the Horned God, as sources of spiritual strength and worship. The author extols the feminine principles of healing and regeneration as well as attacking greed and self-interest which jeopardize the planet's very future. Rae Beth provides spells for all the key festivals of the witch's calendar; describes and outlines the Pagan approach to finding a partner. Her lyrical letters, accompanied by delicate pen-and-ink sketches, bring the reader towards a deeper understanding of the solitary witch's lifestyle and beliefs.

**Wiccan Kitchen** Apr 25 2022 Welcome our first Wiccan cookbook in the wildly successful Modern-Day Witch series. Written by popular Wiccan author Lisa Chamberlain, Wiccan Kitchen includes 40 recipes, from Lucky Money Stir-Fry, Tropical Love Smoothie, and Magic Marinara to festive dishes for the eight Wiccan Sabbats. In addition to complete

menus for celebrating special occasions, you'll also learn how the magical energies of natural foods help you manifest goals; how to choose potent foods for your practice; how to turn your kitchen into a sacred space, and more.

### **The Oxford Handbook of Witchcraft in Early Modern Europe and Colonial America**

Jan 29 2020 The essays in this Handbook, written by leading scholars working in the rapidly developing field of witchcraft studies, explore the historical literature regarding witch beliefs and witch trials in Europe and colonial America between the early fifteenth and early eighteenth centuries. During these years witches were thought to be evil people who used magical power to inflict physical harm or misfortune on their neighbours. Witches were also believed to have made pacts with the devil and sometimes to have worshipped him at nocturnal assemblies known as sabbaths. These beliefs provided the basis for defining witchcraft as a secular and ecclesiastical crime and prosecuting tens of thousands of women and men for this offence. The trials resulted in as many as fifty thousand executions. These essays study the rise and fall of witchcraft prosecutions in the various kingdoms and territories of Europe and in English, Spanish, and Portuguese colonies in the Americas. They also relate these prosecutions to the Catholic and Protestant reformations, the introduction of new forms of criminal procedure, medical and scientific thought, the process of state-building, profound social and economic change, early modern patterns of gender relations, and the wave of demonic possessions that occurred in Europe at the same

time. The essays survey the current state of knowledge in the field, explore the academic controversies that have arisen regarding witch beliefs and witch trials, propose new ways of studying the subject, and identify areas for future research.

**The Modern Witchcraft Guide to the Wheel of the Year** Oct 27 2019 "Contains material adapted from ... The Provence Press guide to the Wiccan year"--Title page verso.

**Witchcraft and Inquisition in Early Modern Venice** Oct 08 2020 In early modern Europe, ideas about nature, God, demons and occult forces were inextricably connected and much ink and blood was spilled in arguments over the characteristics and boundaries of nature and the supernatural. Seitz uses records of Inquisition witchcraft trials in Venice to uncover how individuals across society, from servants to aristocrats, understood these two fundamental categories. Others have examined this issue from the points of view of religious history, the history of science and medicine, or the history of witchcraft alone, but this work brings these sub-fields together to illuminate comprehensively the complex forces shaping early modern beliefs.

Positive Magic Dec 30 2019 "A rare gem. One of the only magical self-help books that is beautiful, moral, and wise. Marion's methods of working have greatly influenced my life." —Margot Adler, author of *Drawing Down the Moon* "Written by one of America's Witch elders, this revised and expanded edition of this beloved classic can enrich the spiritual practice of longtime practitioners as well as those beginning their explorations of magical

realms.” —Selena Fox, High Priestess, Circle Sanctuary, Psychotherapist & Shamanic Healer “Well written and fascinating, Positive Magic is a book you must read and keep by your side. Weinstein explains what you need to know and does it in a way that keeps you all the way through. An intelligent approach to using magic in your life.” —Merlin Stone, author of *When God Was a Woman* and *Ancient Mirrors of Womanhood* Here is a new edition of one of the best-loved introductions to magic that is still used in metaphysical classes around the world. The author makes ancient magic techniques accessible, offering them as practical tools for daily life. Addressing the needs of today’s readers—beginners and adepts alike—the author provides well-researched historical background on astrology, witchcraft, tarot, and the I Ching as well as channeling, spirit contact, and the connections between quantum physics and traditional magic.
