Few treatments of the death of Jesus Christ have made a point of accounting for the gruesome, degrading, public manner of his death by crucifixion, a mode of execution so loathsome that the ancient Romans never spoke of it in polite society. Rutledge probes all the various themes and motifs used by the New Testament evangelists and apostolic writers to explain the meaning of the cross of Christ. She shows how each of the biblical themes contributes to the whole, with the Christus Victor motif and the concept of substitution sharing pride of place along with Irenaeus's recapitulation model. Examines thinking during the Carolingian 'Renaissance' on the critical issue of Christ's Passion and Crucifixion. The author studies various aspects of Bonaventure's mystical world view, leading to an understanding of his relevance to contemporary issues such as individualism and relatedness, peace and violence, and the problems of the created world's relationship to the person who seeks to love God in all and above all. In the wilderness, when Moses the prophet observed the thorn bush unharmed by the flames of fire, he said, "I will now turn aside and see this great sight, why the bush does not burn" (Ex 3:3) and God called to him out of the midst of the bush, and said, "Do not draw near this place. Take your sandals off your feet, for the place where you stand is holy ground." (Ex 3: 5) As you draw near this awesome sight of The Crucified Jesus, stand in reverence and sever all your worldly attachments. Prepare for the outpouring of grace that will come upon you from the Cross. Gaze toward the Cross as toward the spring of your salvation, the source of your deliverance, the root of your happiness in this present life and the assurance of attainment of eternal glory in the coming age. The Crucified Jesus is a 20th century classic that has finally been made available in the English language. It is a group of contemplations on the events that took place during Holy Week, with a special chapter of contemplations on the words of Jesus on the Cross. What Does it Mean to Be "Crucified With Christ?" During his lifetime, renowned teacher A.W. Tozer was often invited to speak at seminaries, churches, and Bible conferences on the topic of the cross and its meaning for the Christian life. Now, in this never-before-published distillation of his best teaching on the subject, you will gain a fresh understanding of the cross's centrality to your walk of faith in Christ. The apostle Paul declared in his letter to the Galatians that he had been "crucified with Christ." But what does this mean? Is this a claim every believer can and should make? The Crucified Life is a comprehensive examination of these questions, answered with the deep, biblical thinking for which Tozer was revered. "God is ingenious in developing crosses for His followers," Tozer was fond of saying. At the heart of this book, you will find a call to follow Christ to the cross and be raised to new life--a call to live the crucified life. In the end, readers should contemplate the pierced, crucified One as the source of their life and their communion with God.--Adele Reinhartz, Professor of Classics and Religious Studies, University of Ottawa A dramatic tension confronts every Christian believer and interpreter of Scripture: on the one hand, we encounter images of God commanding and engaging in horrendous violence: on the other hand, we encounter the non-violent teachings and example of Jesus, whose loving, self-sacrificial death and resurrection is held up as the supreme revelation of God's character in the New Testament. How do we reconcile the tension between these seemingly disparate depictions? Are they even capable of reconciliation? Throughout Christian history, many different answers have been proposed, ranging from the long-rejected explanation that these contrasting depictions are of two entirely different 'gods' to recent social and cultural theories of metaphor and narrative representation. The Crucifixion of the Warrior God takes up this dramatic tension and the range of proposed answers in an epic constructive investigation. Over two volumes, renowned theologian and biblical scholar Gregory A. Boyd argues that we must take seriously the full range of Scripture as inspired, including its violent depictions of God. At the same time, we must take just as seriously the absolute centrality of the crucified and risen Christ as the supreme revelation of God. Developing a theological interpretation of Scripture that he labels a "cruciform hermeneutic," Boyd demonstrates how Scripture's violent images of God are completely reframed and their violence subverted when they are interpreted through the lens of the cross and resurrection. Indeed, when read through this lens, Boyd argues that these violent depictions can be shown to bear witness to the same self-sacrificial character of God that was supremely revealed on the cross. What Does it Mean to Be "Crucified With Christ?" During his lifetime, renowned teacher A.W. Tozer was often invited to speak at seminaries, churches, and Bible conferences on the topic of the cross and its meaning for the Christian life. Now, in this never-before-published distillation of his best teaching on the subject, you will gain a fresh understanding of the cross's centrality to your walk of faith in Christ. The apostle Paul declared in his letter to the Galatians that he had been "crucified with Christ." But what does this mean? Is this a claim every believer can and should make? The Crucified Life is a comprehensive examination of these questions, answered with the deep, biblical thinking for which Tozer was revered. "God is ingenious in developing crosses for His followers," Tozer was fond of saying. At the heart of this book, you will find a call to follow Christ to the cross and be raised to new life--a call to live the crucified life. How does Jesus fulfill over three hundred Old Testament Prophecies? (each listed inside this book) Is Catholicism inherently Anti-Semitic? Do the Hebrew Scriptures accurately predict Jesus of Nazareth as the Messiah? How does Jewish thinking presuppose devotion to Mary? Is the Catholic Church a fulfillment of historic Israel? How do Jewish water rituals relate to Catholic baptism? Is the Holy Sacrifice of the Mass a Passover meal? Should the Catholic priesthood conform to the priesthood established by Moses? How has the Jewish Temple influenced traditional Christian architecture? Does the Pope wear a yarmulke? Praise for The Crucified Rabbi "Taylor Marshall helps us to be more Catholic by taking our faith to its most profound depths - its ancient roots in the religion of Israel, the Judaism beloved by the Apostles, the religion of the Temple and Synagogue, the Torah and the sacrifice. Jesus said he came not to abolish that faith but to fulfill it. In this book, we see that fullness down to the smallest details. I treasure this book." Mike Aquilina, author of The Fathers of the Church "Such sparkling insights appear on almost every page, as Taylor Marshall deftly compares various features of Judaism to their Catholic counterparts: the priesthood, vestments, holy days, marriage, and saints, to name but a few. Saint Augustine's dictum, "The New Covenant is in the Old, concealed; the Old Covenant is in the New, revealed" is on full display in The Crucified Rabbi --Cale Clarke, Catholic Insight Magazine "This is a fascinating book full of interesting details. The Crucified Rabbi should be required reading for every student of the Catholic faith." Father Dwight Longenecker, author of Mary: A Catholic/Evangelical Debate A book for Christians who crave more from their spiritual lives. Jesus died, not peacefully in bed, but on the cross, the instrument of execution used by the Romans to keep potential disturbers of the established political order in their place. Until the pioneering work of Jürgen Moltmann, the cross has been the "elephant in the room" in Christian political theology. This book

explores the difference Jesus's crucifixion makes (or should make) to Christian political theology, by examining the crucifixion in the theologies of the Mennonite John Howard Yoder and the liberation theologians Leonardo Boff and Jon Sobrino. In the light of the cross and of the kenotic God revealed by the cross, questions of political power are explored, and a kenotic political ethic outlined. In conclusion, suggestions are made as to how the contemporary church can live out a cruciform, or cross-shaped, political spirituality and ecclesiology. Discover what it means to pick up your cross and follow Jesus. The Crucified Life small group Christian study is designed to reflect upon the Seven Last Words of Christ from the cross and what they mean for us today. Walk the road of Calvary with Jesus in order to grow closer to Him. The Crucified Life small group study examines human suffering as it is mirrored in Christ's suffering on the cross and what His seven last words say to a hurting world. Find out incredible insights into these words as Jesus teaches us, even in death, how we can use our suffering and triumph over it for His glory. This study explores: Why do we go through suffering and how should we respond to it? What does the Lord's Prayer teach about unforgiveness? Is shame a good thing or a bad thing? How can we crucify the desires of the flesh? What does the cross of Jesus Christ teach us about our purpose in life? The Crucified Life is a transformative preparation for Lent or can be used any time of year. It is a study that not only speaks to the individual heart but deepens community relationships as well. Jürgen Moltmann's *The Crucified God* is one of the most influential theological books of the twentieth century and a classic to be found on every reading list on Christian doctrine. Arguably the most powerful of Moltmann's books. *The Crucified God* is a seminal work on the crucifixion and its significance. The book takes death, despair and dreadfulness, the dark side of the human condition, with total seriousness and relates these to a liberating hope of redemption through divine agony and suffering. Influential for many years, especially with political and liberation theologians, but also much more widely, the book represents a concentrated blast of hard-edged doctrinal reflection and will continue to inspire upcoming generations who take seriously the life-changing notion that 'God was in Christ.' Reissued with a new foreword by the author himself. The most powerful depiction of the Crucifixion ever written, this novel is presented in the voice of Jesus Christ himself, and reveals little-known aspects of Christ's death. Song's volume explores the mystery of the Word that from the beginning of time now comes poignantly to us in the stories and testimonies of women, men, and children. Song eloquently fashions a people hermeneutic to sketch an account of Jesus' life, ministry, death, and resurrection for our world today. Drawing upon a vast storehouse of Asian wisdom, ancient and modern, Song helps us to recover the authentic tradition of Jerusalem.... ? Douglas John Hall, McGill University In her controversial bestseller "Jesus the Man," Barbara Thiering first presented a completely new historical interpretation of the life of Jesus Christ. Now, in this work of remarkable research and scholarship, Dr Thiering sets out to unravel the mysteries that have long surrounded the elusive complexities of the Book of Revelation. "It was not, " she writes "about vision and apocalypse, but about the profoundly important history of the Christian movement from AD1 to AD 114." In "Jesus of the Apocalypse," Dr Thiering presents a new and significant view of the development of Christianity from the time of the Crucifixion until the second century AD. She argues that Jesus was no solitary preacher appearing suddenly on the shores of Lake Galilee: he was a central figure in a major political movement to overthrow the pagan Roman empire. Although crucified, he did not die on the cross, and he, and subsequently his sons, took an important role in the evolution of the new underground religion which was developing out of Judaism. With detective-like perseverance Dr Thiering unfolds the mystery of words, meanings and places that have been allowed to pass unchallenged, including a radical new interpretation of such mystical themes as the Four Horsemen of the Apocalypse, the seven seals, the Beast whose number is 666, the Great Harlot clothed in scarlet and purple. In so doing, she provides an absorbing and enlightening background to a period that has been seen more through the implications of scripture than the facts of history. This is Jürgen Moltmann's best and therefore most important book. He has substantially changed the central thrust of his theology without sacrificing its most vital element, its passionate concern for alleviation of the world's suffering. —Langdon Gilkey "The Crucified God rewards, as it demands, the reader's patient and open-minded attention, for its theme is nothing other than the "explosive presence" of the sighting and liberating Spirit of God in the midst of human life." —The Review of Books and Religion The kingdom of God and the atonement are two of the most important themes in all of Scripture. Tragically, theologians have often either set the two at odds or focused on one to the complete neglect of the other. In *The Crucified King*, Jeremy Treat demonstrates that Scripture presents a mutually enriching relationship between the kingdom and atonement that draws significantly from the story of Israel and culminates in the crucifixion of Christ the king. As Israel's messiah, he holds together the kingdom and the cross by bringing God's reign on earth through his atoning death. The kingdom is the ultimate goal of the cross, and the cross is the means by which the kingdom comes. Jesus' death is not the failure of his messianic ministry, nor simply the prelude to his royal glory, but is the apex of his kingdom mission. The cross is the throne from which he rules and establishes his kingdom. Using a holistic approach that brings together the insights of biblical and systematic theology, this book demonstrates not only that the kingdom and the cross are inseparable, but how they are integrated in Scripture and theology. Khrisna of India. Thammuz of Syria. Esus of the Celtic Druids. Mithra of Persia. Quexalcoati of Mexico. All were crucified gods, and all met their fates hundreds of years before Jesus appeared on the scene. In this foundational work of modern atheism, American spiritualist KERSEY GRAVES (1813-1883) breaks the Christ myth down into its component parts and ably demonstrates how the story of Jesus has its roots in the depths of antiquity. Here you'll read about the surprising prevalence throughout global folklore of: . the miraculous and immaculate conception of the gods . stars that point out the time and place of a savior's birth . angels, shepherds, and magi visiting an infant savior . the 25th of December as the universal birth date of gods . saviors who descend into Hell . and much more. This is essential reading for students of comparative mythology and modern freethinkers THIS COMPREHENSIVE, WIDELY USED TEXT by Michael Gorman presents a theologically focused, historically grounded interpretation of the apostle Paul and raises significant questions for engaging Paul today. After providing substantial background information on Paul's world, career, letters, gospel, spirituality, and theology, Gorman covers in full detail each of the thirteen Pauline epistles. Enhancing the text are questions for reflection and discussion at the end of each chapter as well as numerous photos, maps, and tables throughout. The new introduction in this second edition helpfully situates the book within current approaches to Paul. Gorman also brings the conversation up-to-date with major recent developments in Pauline studies and devotes greater attention to themes of participation, transformation, resurrection, justice, and peace. His *Unknown Life Before And After The Crucifixion. Why Has Christianity Chosen To Ignore Its Connections With The Religions Of The East, And To Dismiss Repeatedly The Numerous Claims That Jesus Spent A Large Part Of His Life In India? This Compelling Book Presents Irrefutable Evidence That Jesus Did Indeed Live In India, Dying There In Old Age. The Result Of Many Years Of Investigative Research, Jesus Lived In India Takes The Reader To All The Historical Sites Connected With Jesus In Israel, The Middle East, Afghanistan And India. As Well As Revealing Age-Old Links Between The Israelites And The East, The Evidence Found By Theologian Holger Kersten Points To The Following Startling Conclusions: In His Youth Jesus Followed The Ancient Silk Road To India. While There He Studied Buddhism, Adopting Its Tenets And Becoming A Spiritual Master. Jesus Survived The Crucifixion. After The Resurrection Jesus Returned To India To Die In Old Age. Jesus Was Buried In Srinagar, The Capital Of Jammu And Kashmir, Where He Continues To Be Revered As A Sainly Man. The Tomb Of Jesus Still Exists In Kashmir.* Abstract: In this book Ernst Ksemann celebrated initiator of the twentieth-century New Quest of the Historical Jesus examines the problem of the relation between discipleship and faith. / Ksemann first tackles specific passages in the Synoptic Gospels dealing with the summons to discipleship. He makes clear the relevance of the biblical message to human existence even today. In the second half he explores how themes relating to specific contemporary problems fulfill that message. / Here is a theologian who is radically and passionately committed to discipleship of the crucified Jesus of Nazareth and who is not afraid to share that commitment. Nietzsche presents us with his philosophy for life, a philosophical faith to which he commits himself with passion. With the decadent values of the Christian religion set aside, he can describe Jesus of Nazareth as the noblest human being.' Jesus died, not peacefully in bed, but on the cross, the instrument of execution used by the Romans to keep potential disturbers of the established political order in their place. Until the pioneering work of Jürgen Moltmann, the cross has been the "elephant in the room" in Christian political theology. This book explores the difference Jesus's crucifixion makes (or should make) to Christian political theology, by examining the crucifixion in the theologies of the Mennonite John Howard Yoder and the liberation theologians Leonardo Boff and Jon Sobrino. In the light of the cross and of the kenotic God revealed by the cross, questions of political power are explored, and a kenotic political ethic outlined. In conclusion, suggestions are made as to how the contemporary church can live out a cruciform, or cross-shaped, political spirituality and ecclesiology. Jon Sobrino claims that there exists a relationship between the

suffering people of today and the crucified Jesus of Nazareth. The author critically explores what relevance Sobrino's claim may have in a wider social and theological context. From its English publication in 1973, Jürgen Moltmann's *The Crucified God* garnered much attention, and it has become one of the seminal texts of twentieth-century theology. Moltmann proposes that suffering is not a problem to be solved but instead that suffering is an aspect of God's very being: God is love, and love invariably involves suffering. In this view, the crucifixion of Jesus is an event that affects the entirety of the Trinity, showing that *The Crucified God* is more than an arresting title; it is a theological breakthrough. "This is Jürgen Moltmann's best and therefore most important book. He has substantially changed the central thrust of his theology without sacrificing its most vital element, its passionate concern for alleviation of the world's suffering." -Langdon Gilkey "The Crucified God rewards, as it demands, the reader's patient and open-minded attention, for its theme is nothing other than the "explosive presence" of the sighting and liberating Spirit of God in the midst of human life." -The Review of Books and Religion How could the life, let alone the death, of one man 2,000 years ago be the salvation of the human race? Donald Macleod explains the centrality of the atonement in Christian faith and experience, using seven key words to describe what happened on the cross: substitution, expiation, propitiation, reconciliation, satisfaction, redemption and victory. This best-selling book is certain to remain in the forefront of Gospel exegesis for years to come. In it, Father Brown treats the Gospels, written thirty to sixty years after the life of Christ, as reflecting considerable theological and dramatic development and not simply as literal accounts of a historical event. "This volume is worthy of recognition. . . . It is well written, pastorally sensitive and possesses a clear theological focus." Catholic Journalist "Brown has the uncanny ability to introduce critical scholarship to the general reader in a manner that both invokes interest and raises pertinent questions in the mind." Conrad Hoover Sojourner A groundbreaking example of how different cultural contexts can be employed to broaden and enrich our understanding of the gospel, *The Crucified Guru* places the Christian doctrine of the person and work of Christ in constructive dialogue with the Indian concept of guru.
