Organised crime puts on a smiley face. When the Summer of Love hit Britain in '88,

Wayne embraced the bright new world of dance music, MDMA and all-night celebrations. But alongside the ecstasy, his natural East End entrepreneurial instincts kicked in, and he began to organise the infamous Genesis dance parties for thousands of kids. Wayne soon became a key figure in the high octane, technicolour rave scene. But beneath the shiny, smiley surfaces, he quickly found himself in a vicious world of violence, police harassment and organised crime, for which he was totally unsuited and unprepared. He was beaten by ex-paratroopers, menaced by gangsters, kidnapped, confronted with sawn off shotguns and threatened with murder, all so Britain could party like never before. When Class of '88 was first published, it was so popular that Foyles dedicated an entire window to the book for a month. Now, re-issued for the 30th anniversary, this is Wayne's very lively, highly individual account of the two years he spent as an illegal party promoter, leading the rave revolution

which was sweeping the UK, changing lives, music and popular culture forever. 316i, 318i, 320i, 323i, 325i, 328i & 330i (E46 models). Saloon, Coupe & Touring. The Wu-Tang Manual is The RZA's first written introduction to the philosophy and history of Hip-Hop's original Dynasty, the Wu-Tang Clan. Written in a style that is at once personal and philosophical, The Wu-Tang Manual unravels the intricate web of

personalities (and alter egos), warrior codes, numerological systems, and Eastern spiritual ethics that define the Wu-Tang dynasty. Packed with information that reflects the breadth and depth of the RZA's — and rest of the Clan's — intellectual interests and passions, The Wu-Tang Manual is divided into four books of nine chambers each, for a total of 36 chambers. All together, the book provides the breakdown of essential Wu-Tang components, from basic information about each of the nine core members of Wu-Tang Clan to deeper explorations of the key themes of the Wu-Tang universe, a dictionary-like Wu-Slang lexicon, and an entire section of Wu-Tang lyrics with densely annotated explanations of what they mean. For the hardcore Wu-Tang disciple and the recent initiate alike, The Wu-Tang Manual is the definitive guide to the essence of Wu, one of the most innovative hip-hop groups of all time.
