Hollis Clayton is in trouble. Still haunted by his small son's death, stalled in his writing career and over fond of the bottle, he finds himself abandoned by his wife for the summer - or, if he doesn't shape up, for good. But without his emotional anchor, Hollis continues to unravel. Besides, he's busy spying on the neighbours and sharing his meals with a stray dog. When is he going to find the time to get his life back on track? Here, in the daily rhythms of Hollis's disintegrating life, lies an evisceratingly comic portrait of suburban despair. With this deeply affecting tale of grief and renewal, Elizabeth H. Winthrop makes a striking debut. "You see, now it's about 'nuclear possession'. Whoever gets their hands on a nuclear device, responsible or otherwise, becomes a threat, an instantaneous threat, mind you, to the whole world!" A set of perfectly puzzling British whodunits featuring Detective Inspector Sloan—from a CWA Diamond Dagger winner and “most ingenious” author (The New Yorker). Over the course of twenty-four crime novels set in the fictional County of Calleshire, England, and featuring the sleuthing team of shrewd Detective Inspector C. D. Sloan and his less-than-shrewd sidekick, Detective Constable William Crosby, award-winning author Catherine Aird maintained the perfect balance between cozy village mystery and police procedural. These three entertaining crime novels offer “the very best in British mystery” (The New Yorker). Last Respects: A local fisherman finds a body in the river—but the coroner’s report reveals the victim didn’t die from drowning. Now Calleshire’s most successful pair of puzzle-solving policemen must plumb the depths of this mystery and haul in a murderer. Harm’s Way: When a crow drops a severed human finger, Sloan begins the search for the body that goes with it—and the list of people who have gone missing from Great Rooden’s farming country is lengthy. With Constable Crosby lending a hand, it’s up to Sloan to point the finger at the culprit. A Dead Liberty: A crime of passion, a poisoned meal, and a jealous woman who would kill before she would be spurned—it might all fit if only the accused would talk. But Lucy Durmast refuses to utter a single word. With Lucy’s lips sealed, Sloan has no choice but to listen to his intuition. Bone has the assignment of his life though he doesn't know it. It looks simple—a sexy young insurance executive, Sundae, asks him for an opinion on the death of oil executive Paul Crosby, with whom she'd had an affair. She prefers "suicide." Bone says it'll be what it is. Lives depend on Bone's decision, including his. Bonnie Mae, Paul's mother, needs money to complete a well. Investors and creditors threaten her. Paul's lifestyle doesn't help. He's never met a woman he didn't want to bed, married or otherwise. Troubling is a missing box of explosive string shot used in drilling wells, a terrorist weapon in the wrong hands. Did the thief kill Paul? And, there's Preacher Abraham, Bikers for God Church, trying to con Bonnie Mae out of money she doesn't have. Bone is put to the test as he scrambles for the answers. In this C. D. Sloan Mystery by CWA Diamond Dagger winner Catherine Aird, a body is found in the river—but the victim didn’t drown When local fisherman Horace Boller decided to row his boat out on the tidal backwash of the river one morning, he couldn’t have meant to land a catch like this. What he ended up with was a body floating on the river’s surface. And judging by the state of the corpse, the death was not a recent one. The strange thing is, the coroner report indicates that drowning was not the cause of death. It’s up to the intrepid C. D. Sloan—and his markedly less intrepid assistant, Constable Crosby—to investigate. Along the way, Calleshire’s most successful pair of puzzle-solving policemen will contend with a handful of additional strange deaths, befuddling municipal building codes, an antiquarian with interesting views on local history, and a fisherman who has his own motivation for helping (or perhaps hindering) the investigation. Can C. D. Sloan get to the bottom of this waterlogged killing? Volume contains: 184 NY 526 (Chamberlain v. Cuming) 184 NY 527 (Chambers v. Howard) 183 NY 579 (Crosby v. Security Mut. Life Ins. In New York City George Washington’s army faced an overwhelming frontal attack by the British army and navy. Tories in the adjacent counties north of the city were forming companies to assist the British by attacking Washington’s rear guard and preventing the patriots’ escape. As Enoch Crosby traveled alone plying his trade, he fell in with a band of these Tories. Crosby might have spent his days as an itinerant shoemaker, but colonial America was spiraling into a maddening rebellion. The decision he made that night would change his life forever. Welcome to Hope Street Church, where friendships are formed, fresh starts are encouraged, and mysteries are solved. Cooper Lee and her friends in the Hope Street Bible study group have just volunteered for a local charity, delivering much-needed food and cheer to shut-ins in their community. It seems like the perfect way for the group to do good, and to Cooper it offers the welcome opportunity to get out of the house and spend more time with her new boyfriend, Nathan. But when one of the charity’s recipients is murdered, the police have no choice but to single out the church group and their fellow volunteers as the prime suspects. Determined to make sure no evil deed goes unpunished, Cooper and her friends decide to discreetly interrogate each volunteer in their search for the killer, even if it means putting themselves at risk in the process. And as serving the needy becomes more treacherous than any of them could have imagined, they just might discover that the road to murder is paved with good intentions. Includes heavenly recipes from Magnolia Lee’s kitchen! A Note from the Author: Dear Reader, The Hope Street mysteries were originally published by St. Martin’s Press and written under the name Jennifer Stanley. The titles, in order, were Stirring Up Strife, Path of the Wicked, and The Way of the Guilty. I have completely rewritten all three novels and am now publishing them under the name Ellery Adams as The Path of the Crooked, The Way of the Wicked, and The Graves of the Guilty. If you’ve read the original books, you will find the basic plot of the above titles unchanged. My intention was to polish the writing in each installment and rerelease the novels as crisper, cleaner, more engaging books. Stay tuned for forthcoming novels in the Hope Street mystery series as well. Thank you for supporting cozy mysteries.
