**Ford Model A Instruction Book** Aug 28 2022  
This book contains information necessary to the  
proper handling and care of your Ford car. Read

it carefully—particularly the instructions on lubrication, the cooling system, care of battery, etc., which are absolutely necessary to economical and satisfactory operation. Your car is a splendid piece of machinery. If properly cared for, it will give you years of satisfactory service at little cost. When repairs are needed, we recommend having the work done by an authorized Ford dealer. They are provided with special service equipment. Furthermore they are interested, more than any one else, in your personal satisfaction with the car. Let experienced mechanics make repairs or adjustments. Your car is too valuable a piece of machinery to place in unskilled hands. Expert workmanship is just as essential in servicing your car as it is in building it.

Ford GT40 Nov 30 2022 The Ford GT40 is one of the most famous of all sports racing cars. Built by Ford to challenge the supremacy of Ferrari at Le Mans, the GT40 first raced in 1964, and went on to win Le Mans four times in a row, from 1966 to 1969. Here, in this new Haynes Manual, is a unique perspective on what it takes to own, restore and maintain a GT40, as well as an insight into the engineering and construction of this legendary racing car.
