This Workbook has been specifically written to accompany the Course Book - A First Course in Japanese. This course is designed for senior high school students who are beginning their study of Japanese in the last two years of high school. It contains Hiragana, Katakana and Kanji reading and writing practice, as well as grammatical exercises, composition, reading and listening comprehension, and crosswords. Two audio CDs cover all the listening exercises. The complete script of the CDs is also included in the book. Hiragana and Katakana It is desirable for students to learn Hiragana and Katakana before they commence using the Course Book. However, it is possible for teachers to conduct lessons orally while students acquire Hiragana and Katakana reading skills. Kanji There are 79 Kanji for reading and writing, ten recognition compounds and four single recognition Kanji used for this course. About six Kanji are introduced in each unit, and reading and writing practice is provided at the beginning of each unit. Stroke orders are given on pages 341-345 of the Course Book. Wonderword and crossword Students will have fun finding words in the Wonderwords or solving crossword puzzles. Grammatical exercises and writing, reading and responding Exercises for required grammar and writing practice on Genkoyoshi are given. Reading comprehension At the end of each topic, some comprehension passages are given for students to test their reading comprehension skills. Listening comprehension At the end of each unit, listening comprehension is given. The CD script for the listening is given at the end of the Workbook. Each item is read twice with a five second pause. Students will have to stop the CD to write their answers. Speaking Questions are given at the end of each topic in the Course Book. However, the Workbook also provides exercises for speaking. Complete IELTS Bands 5-6.5 Workbook without Answers features 8 topic based units for homework and self-study which cover reading, writing and listening skills, further practise in the grammar and vocabulary taught in the Student's Book and an Audio CD containing all the listening material for the Workbook. The Cambridge Checkpoint English suite provides a comprehensive, structured resource which covers the Secondary 1 framework for English and seamlessly progresses into the next key stage (covered by our Cambridge IGCSE® First Language English series). Designed to be used alongside the Cambridge Checkpoint English Coursebook 8, this accessible, write-in workbook provides exercises to help students build on the skills taught in the Coursebook, for differentiation, and further practice in the

classroom or at home. The 12 themed units mirror the structure and content of the Coursebook, and answers to the exercises are included on the Teacher's Resource CD-ROM, which is available separately. Straightforward has been revamped in a second edition, with much of the content updated and made more relevant to our ever-changing world. New topics, articles and exercises appear within a fresh new design. All the old teachers' favourites are still there - meaning it will still be a joy to teach with. Each unit is structured to provide one lesson per double-page spread (A/B/C/D), lasting around 90 minutes. All lessons are interlinked to promote better and more memorable learning, with the flexibility to pick out key sections to focus on certain language points. All language is clearly signposted and scaffolded so there is great clarity of progression of learning - students can really feel they are getting somewhere. There are extra communication pages and unit reviews, plus new videos, online material and photocopyables to extend and add to a lesson. The CEFR plays a prominent part in the second edition with clear signposting, self-assessment opportunities and the invaluable portfolio. The Teacher's Book and supporting website have tips, photocopyables and information. Each of the four levels comprises about 80 hours of class work, with additional time for the self-study work. The Teacher's Book contains all the pages from the Classroom Book, with interleaved teaching notes including optional activities to cater for different abilities. There is a video to accompany the Beginner, Pre-intermediate and Intermediate levels. Each video contains eight stimulating and entertaining short programmes, as well as a booklet of photocopyable activities. Free test material is available in booklet and web format for Beginner and Pre-intermediate levels.
