Easy and enjoyable to teach, Touchstone offers a fresh approach to the teaching and

learning of English. The Touchstone Teacher's Editions are fully interleaved and contain practical teaching notes, along with a wealth of optional activities. Detailed language notes based on corpus research give teachers special insights into English usage. Audio scripts, answer keys, and tests are also provided. An Audio CD contains the recordings for the listening tasks in the tests. Teachers can go into the classroom confident that they are fully equipped to teach students to be effective communicators. New Interchange is a multi-level series for adult and young-adult learners of English from the beginning to the high-

intermediate level. The Teacher's Edition features page-by-page instructions directly opposite full-size, full-color reproductions of the Student's Book pages. It also contains teaching suggestions, answer keys for the Student's Book and Workbook, listening scripts, optional activities, and photocopiable Achievement Tests with their own listening scripts and answer keys. An exciting, seven-level course that enhances young learners' thinking skills, sharpening their memory while improving their language skills. This exciting seven-level course enhances your students' thinking skills, sharpening their memory and improving

their concentration along with their language skills. Super Minds develops creativity with visualisation exercises and art and craft activities, explores social values with lively stories and encourages cross-curricular thinking with fascinating 'English for school' sections. For ease of use, this Level 2 Teacher's Book is interleaved with pages from the Student's Book. It includes detailed lesson aims, clear instructions and a vast array of extra activities. A brand-new three-level pre-primary course that has English language, literacy, numeracy and basic science at its core. Letters, phonics and numbers are introduced through the Pupil's

Book illustrations and pupils have the fun of finding letters and numbers hidden on the page. The fun and colourful activity-based approach makes sure the whole child is learning and developing along with the language. - Strong Development of early Literacy and Numeracy - The syllabus follows the United Kingdom Statutory Framework for Early Years Development Standards (EYFS). - Phonics are presented and practised in each lesson through the audio material, topic vocabulary and phonic activities. - Chants and songs in each lesson provide a fun way to absorb the language through a Total Physical Response approach. - The Art and craft

lessons allow students to explore and work with a range of media and materials, providing opportunities to develop motor skills and to share their ideas, thoughts and feelings. - An online Parent's Booklet explains the course rational and objectives, parent and child activities so that learning can continue at home and parents can be fully involved with their child's learning. A six-level course that gives children more vocabulary, more reading, and more lessons than other primary courses. Your pupils will definitely learn more! The Writing & Rhetoric series method employs fluent reading, careful listening, models for

imitation, and progressive steps. It assumes that students learn the best when reading excellent, whole-story examples of literature and by growing their skills through imitation. Each exercise is intended to impart a skill (or tool) that can be employed in all kinds of writing and speaking. The exercises are arranged from simple to more complex. What's more, the exercises are cumulative, meaning that later exercises incorporate the skills acquired in preceding exercises. This series is a step-by-step apprenticeship in the art of writing and rhetoric. Narrative 1, the second book of twelve in the Writing & Rhetoric series, uses parable,

myth, and other tales to continue the recovery of the proven method of teaching method of teaching writing, using various forms of narrative to teach beginning writers the craft of writing well. skills are more important than ever in academic and real-world situations. Daily Higher-Order Thinking provides you with daily activities that build and grow students' problem-solving skills in engaging formats such as logic and visual puzzles, brainteasers, creative writing, picture comparison, word play, and "what if" questions. Daily 20-minute practice lessons help students apply critical thinking skills across subject areas. The lessons develop students' higher-order thinking skills and allow them to integrate their learning and make deeper connections between their learning and the real world. Use Daily Higher-Order

Thinking for warm-up exercises, extension activities, early finisher tasks, and small-group center activities to develop your students' critical and creative thinking skills. How it works: - Monday-Friday: Full-page daily activities focus on a specific behavioral verb each day. The verb is defined at the top of the page so students become aware of when and how they are using the thinking skill. - Each full-page activity gives students an opportunity to practice a higher-order thinking skill in the context of a different curriculum area. - Questions and tasks are open-ended and can be used to promote peer-to-peer discussions as students share

and discuss answers, while also fostering critical thinking skills. - An answer key provides sample responses for each day's activities. Evaluate students' responses based on your own expectations and on what content your students have encountered. The daily activities focus on skills such as analyzing, predicting, modeling, composing, organizing, evaluating options, designing, critiquing, and problem-solving. Grade 2 activities include: logic puzzles, language play, creative writing, drawing, and visual brainteasers. Daily lessons practice higher-order thinking skills such as: - Comparing - Grouping - Identifying -

Inferring - Solving This is a book of story-based exam preparation material for students taking the Cambridge Young Learners Flyers Test. Ten stories based on the Flyers syllabus provide a springboard for language practice. Each story is followed by activities that check learners' comprehension of the stories, provide an opportunity to learn and practise key points of grammar and vocabulary and try out exam-style questions. Top Grammar is a reference book for learners of English at all levels, from basic to upper intermediate (A2 to B2). Top Grammar covers all the main grammatical areas of the language. Top Grammar has a

special lexical focus for each of its sections. Top Grammar is made up of a Student's Book and CD-ROM, and has a Teacher's Guide including tests. Top Grammar can be used: for individual study, for exam preparation, or whenever the teacher thinks the class needs specific training on grammar included in the syllabus. By learners in a flexible way, to reinforce specific grammar points. Autonomously like other reference materials - dictionaries or the Internet. 'Go and check in your grammar book' should be a constant reminder of the teacher to the students. The Teacher's Guide contains: tips about how Top

Grammar could be used in the classroom or for individual study; a set of 25 tests, one for each of the chapters; keys to all the exercises and tests. Aimed at young students, this comprehensive book includes an 'A-Z of Methodology' reference section. The levels 1-4 contain around 80 hours of class work depending on the various options used.
