**Where Love Has  
Gone** Oct 02 2020  
From the author of  
The New York

Times #1  
bestselling novel  
The Carpetbaggers  
comes a story  
inspired by the real-  
life murder of  
Johnny Stompanato,  
allegedly stabbed to  
death by the  
daughter of his  
lover, actress Lana  
Turner. Where Love  
Has Gone is a  
thrilling tale of  
greed, betrayal, and  
passion. When first  
published in 1962,  
the novel rocked  
Hollywood to its  
core, staying on  
The New York  
Times bestseller list  
for 14 weeks. In  
love and soon to be  
a father, Luke

Carey has the life he's always wanted. That is, until a mysterious late-night phone call summons him to San Francisco. Luke's first daughter whom he hasn't seen in six years, fourteen-year-old Danielle, needs him, and he's desperate to do anything he can to help. But coming back into Danielle's life means facing his ex-wife Nora, and the explosive, violent drama of the life he left behind. *Where Love Has Gone* was adapted into the Academy Award(R)-nominated blockbuster film of the same name, starring Oscar(R) winners Bette Davis and Susan Hayward. [Love, Theodosia](#)

Mar 27 2020 A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia

and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are

drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be. *Someplace to Call Home* May 09 2021 In 1933, what's left of the Turner family--twelve-year-old Hallie and her two brothers--finds itself driving the back roads of rural America. The children have been swept up into a new migratory way of life. America is facing two devastating crises: the Great Depression and the Dust Bowl. Hundreds of thousands of people

in cities across the country have lost jobs. In rural America it isn't any better as crops suffer from the never-ending drought. Driven by severe economic hardship, thousands of people take to the road to seek whatever work they can find, often splintering fragile families in the process. As the Turner children move from town to town, searching for work and trying to cobble together the basic necessities of life, they are met with suspicion and hostility. They are viewed as outsiders in their own country. Will they ever find a place to call home? New York Times bestselling author Sandra Dallas gives

middle-grade readers a timely story of young people searching for a home and a better way of life. [Goodbye Janette](#) Sep 13 2021 Een Poolse weduwe en haar dochter vestigen zich na de Tweede Wereldoorlog in Parijs waar zij terecht komen in een seksueel gefrustreerde gemeenschap. **Goodbye, Janette** Nov 27 2022 With her keen instincts and rich sensuality Tanya Pojarska survived the fires of World War II and gained control of a vast fortune. Her two daughters inherited her beauty, her passion--and a legacy of pain and ambition. From a childhood of stark sexual terror,

Janette rose to wealth and fame as a high-fashion goddess--while her half-sister Lauren plunged into a dazzling scene of international decadence that almost destroyed her.

### **The Adventurers**

Apr 20 2022 A story of revolution and danger in the sultry jungles of South America. As a young boy, Diogenes Alejandro Xenos witnesses the murder of his mother and sister by a band of marauders. As "Dax" grows to adulthood, he channels his fear and hatred into a desire for revolution, swearing revenge on those in power as he upsets the status quo.

Harold Robbins:  
The Man Who Invented Sex Jul 11 2021 Harold Robbins, the godfather of the airport novel, changed the face of publishing with classics such as *The Carpetbaggers*, *The Dream Merchants* and *The Lonely Lady*. His readers loved his steamy tales of money, soft porn, drugs, corruption, greed and, just sometimes, redemption. The world's first playboy writer, Robbins reportedly frittered away \$50 million on fast cars, loose women and high living. But, obsessed with fame and fortune, Robbins was a deeply complex and often controversial man, and even his

closest friends and lovers could only guess at the past of the man behind the perma-tanned mask and gigantic mirrored sunglasses. This is the fascinating story of his extraordinary life.  
**New Statesman** Feb 24 2020  
**Spellbinder** Aug 20 2019 In the hard-hitting works of Harold Robbins, even the sacred isn't sacred. He takes aim at the world of religious revivalism. They're all over the airwaves--the televangelists--promising eternal salvation for an earthly price. The biggest of them all simply calls himself "Preacher." He begins his career in the foxholes of Vietnam, with a

noble goal: spread the word of peace, love, and charity. Back home in the States, he starts "The Church," where sex and drugs are as much a part of the culture as prayers and sacraments. Preacher's following grows as he travels throughout the country, taking the faithful. In Texas, he meets up with a powerful billionaire who likes his style. Before long, Preacher is the top entertainer in the televised arena of big-top, big-time religion for profit. Somewhere deep inside Preacher, a guilty conscience burns, and he knows he must make a terrible sacrifice to expose the hypocrisy.

Never Love a Stranger May 21 2022 Harold Robbins' very first novel is also one of his most powerful. Never Love a Stranger tells the gritty and passionate tale of Francis "Frankie" Kane, from his meager beginnings as an orphan in New York's Hell's Kitchen. From that confused and belittling start, Frank works his way up, choosing the wrong side of the law to make a name for himself. At a young age, he becomes one of the city's most dangerous men, indulging in his passion for power, sex, and the best things in life—whether or not they can be purchased. First published in

1948, the novel began Robbins' prolific career after someone made him a \$100 bet that he couldn't write a bestseller. Twenty-six pot-boiling novels later, he proved the power of his words. Never Love a Stranger takes an unflinching look at a New York that's long gone by—exposing life during and after the Great Depression, when the syndicate ruled the city without mercy.

**Descent from Xanadu** Jun 29

2020 A decadent billionaire pursues immortality in this raucous, raunchy, globe-hopping novel by "the dirty old man of American letters" (Hollywood Reporter). The wealthiest man in

the world, Judd Crane is also ruthless, sexually irresistible, and determined to conquer man's last frontier—eternal life. A man who always gets what he wants, Judd pursues his dream on a dangerous, obsessive journey from Yugoslavia to China, from his lush private island to a secret atomic city in the Brazilian jungle. Crane is willing to spend billions, risk death, outwit foreign agents, lose his entire empire and the woman he loves . . . until, at the moment of victory, he discovers the most important secret of all.

**Tycoon** Dec 16 2021 Sexy, outrageous, and irresistible, Tycoon

showcases Harold Robbins at his rip-roaring best. Jack Lear rises from a modest Jewish background to take on the WASP world, but never quite feels he's succeeded in his ambition to be accepted as one of them. Making his fortune as a pioneering radio and television broadcaster and founding a landmark network isn't enough—nor is the money, fame, and women who go with it. He continues to hunger for what he cannot have. Here is a tale that only Harold Robbins could tell: of Jack's torrid relationship with his first wife, a WASP social heiress; of his affairs with

everybody from chamber maids to duchesses; of his second marriage to a world-class beauty and society figure; and ultimately of his life-long struggle to make his network # 1, and to give it a sense of class that sets it apart from all the others.

*Dreams Die First*

Jun 22 2022 In the late 1960s in California, a down-and-out young man receives control of an underground newspaper from his wealthy uncle and uses that outlet to become a media and entertainment mogul until a ruthless underworld syndicate vows to bring him down. Cane River Aug 12 2021 Set among the plantations in

deepest Louisiana, CANE RIVER follows the lives of five generations of women from the time of slavery in the early 1800s into the early years of the 20th century. From down-trodden, philosophical Suzette, who was born and died a slave, to educated, pale-skinned Emily, whose high ambitions born in freedom become her downfall, we are introduced to a remarkable cast of characters whose struggles reflect the tragedy of slavery and, ultimately, the triumph of the spirit. This deeply personal saga - based entirely on the author's research into her own family history -

ranks with the best African-American novels and introduces a major new writer.

**The Stallion** Mar 19 2022 Loren Hardeman, known as "Number One," is gradually transferring control of Bethlehem Motors to his grandson, Loren Hardeman III-a man possessed with his father's cunning, but sadly lacking in his ability to go for the kill. So when Angelo Perino, an outsider previously nurtured by Number One, threatens the position held by Hardeman III, what ensues is a battle of wills in which

integrity takes a backseat to animal instinct, and in which there can only be one winner. Bursting with huge ingredients of lust, greed, sex, and intrigue-and a plot full of twists and double-crosses-this is Harold Robbins at his sizzling best. *Memories of Another Day* Sep 20 2019 Harold Robbins, the world's most popular and captivating storyteller, has created what may well be the most significant book ever written about the rise of the labor unions. The 1979 novel, freshly re-released, is the saga of Daniel Boone "Big Dan" Huggins, who rises from poverty and the mines of West

Virginia to become the most respected and feared labor organizer in the nation. Daniel's life and death are tied to the challenges and fortunes of American labor. Once he is gone, his youngest son Jonathan must take up the reins of his father's cause, returning to Daniel's roots to better understand the path that led him to his destiny. Robbins has a gift for combining popular fiction with the most pertinent subjects of the twentieth century, to create a snapshot of the time. Relevant, respectful, and very readable, *Memories of Another Day* proves once again why Harold Robbins' books

have sold more copies than any other American writer in history. [The Dream Merchants](#) Oct 14 2021 Return to a time when Hollywood was young and the movie industry was just starting out. In Harold Robbins' second novel, he captures a bygone era of entertainment pioneers turning cinematic dreams into reality. *The Dream Merchants* is a story of powerful men and passionate women, doing whatever they have to in order to succeed. Johnny Edge is a former carny hustler, filled with schemes and ambition. Peter Kessler trades in a life of being stuck

in the hardware business for the fortunes of moviemaking. Actress Dulcie Warren isn't afraid to use her sexuality to fulfill her ambitions. And if she has to take someone down to get to the top? That's show business. Their worlds collide on the studio back lots at Magnum Pictures in moments of intrigue and entanglement. Robbins' own experiences at Universal Studios laid the foundation for *The Dream Merchants*, the novel that would later be made into an all-star miniseries featuring Mark Harmon, Morgan Fairchild, Eve Arden, Robert Culp, Jose Ferrer,

Robert Goulet, and Fernando Lamas. *White Cargo* Feb 06 2021 From the glittering beaches of the Caribbean to a final harrowing showdown in the Amazonian rain forest comes a breakneck tale of danger, intrigue, and depravity. Cat Catledge is a happy man. A self-made multi-millionaire at fifty, he has a loving wife and a beautiful teenage daughter. And after years of hard work, he is taking his family on the ultimate dream sabbatical: a two year cruise to the South Pacific via the Panama Canal, aboard his custom built forty-three-foot yacht. He gets as far as Colombia. Off that country's cocaine dusted shores, Cat's

bliss—and his dearly loved family—are permanently shattered by an event so unexpected, so savage, and so tragically final that it leaves Cat completely devastated. Consumed by terrible guilt, he returns home alone, a broken man. Investigations by both the Colombian authorities and the U.S. State Department prove fruitless. Then, late one night, Cat is awakened by the telephone and, from far away, over the loud static, an aching familiar voice utters a single, electrifying word. Driven by a mixture of hope and anguish, Cat slips back into South

America on a desperate search for the daughter he cannot bring himself to believe is dead. Aided by an Australian ex-convict, a beautiful television journalist, and a man known to him only as "Jim", Cat follows a trail of blood and graft, white powder and white slavery, and discovers in himself an unsuspected capacity for ruthlessness and cunning, and—even more surprising—a rekindled capacity for love.

**The Case for Marriage** Jun 10 2021 A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to

individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private

choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines

clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. “A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical.” -- William J. Bennett, author of *The Book of Virtues* “Makes the absolutely critical point that marriage has been misrepresented and misunderstood.” -- *The Wall Street*

timely indictment of  
an industry on fire.  
Today, it is a  
fascinating look  
back at a time when  
television was just  
coming into its own,  
and how the movie  
industry dealt with  
this new and  
growing threat.  
[Hitch](#) Dec 04 2020  
As a teenager  
growing up during  
the Depression,  
Moss Trawnley  
doesn't have time to  
be a kid. In search

of opportunity,  
Moss lies about his  
age and heads west  
to join Roosevelt's  
Civilian  
Conservation  
Corps. While  
working to protect  
Montana's wildlife,  
he goes to school,

makes lifelong  
friends, falls in love,  
and finds what he  
almost lost in the  
crisis of the Great  
Depression:  
himself. In this  
captivating work of  
fiction, Jeanette  
Ingold tells the  
story of a teen who

risks everything to  
start a new life and,  
in the process,  
gains a future.
