[Decision in Normandy](#) Dec 03 2020 The strategy and planning behind D-Day: "The best-researched, best-written account [of the Normandy Campaign] I have ever read."—The New York Times Book Review One of the most controversial and dangerous military operations in the history of modern warfare, the battle for Normandy took over two years of planning by each country that made up the Allied forces. The event is mired to this day in myth and misconception, and untangling the web of work that led to D-Day is nearly as daunting as the work that led to the day itself. Drawing from declassified documents, personal interviews, diaries, and more, Carlo D'Este, a winner of the Pulitzer Prize, uncovers what really happened in Normandy. From what went right to what went wrong, D'Este takes readers on a journey from the very first moment Prime Minister Churchill considered an invasion through France to the last battles of World War II. With photos, maps, and first-hand accounts, readers can trace the incredible road to victory and the intricate battles in between. A comprehensive look into the military strategy surrounding the Second World War, *Decision in Normandy* is an absolute essential for history buffs. "A fresh perspective on the leadership of Field Marshal Bernard Montgomery and the Allied landings after D-Day."—Publishers Weekly "Again and again he reveals new facets of familiar subjects—in part from his own dual American army and British academic background; in part by querying everyone and everything."—Kirkus Reviews

[Value.able](#) Aug 11 2021 Demonstrating that market-beating returns are possible and within reach of every dedicated investor, this book sets out the steps and thinking required for successful value-investing.

[Growing a Revolution: Bringing Our Soil Back to Life](#) Jan 16 2022 Finalist for the PEN/E. O. Wilson Literary Science Writing Award "A call to action that underscores a common goal: to change the world from the ground up."—Dan Barber, author of *The Third Plate* For centuries, agricultural practices have eroded the soil that farming depends on, stripping it of the organic matter vital to its productivity. Now conventional agriculture is threatening disaster for the world's growing population. In *Growing a Revolution*, geologist David R. Montgomery travels the world, meeting farmers at the forefront of an agricultural movement to restore soil health. From Kansas to Ghana, he sees why adopting the three tenets of conservation agriculture—ditching the plow, planting cover crops, and growing a diversity of crops—is the solution. When farmers restore fertility to the land, this helps feed the world, cool the planet, reduce pollution, and return profitability to family farms.

[Sweet Justice](#) Sep 19 2019 An inspiring picture-book biography about the woman whose cooking helped feed and fund the Montgomery bus boycott

of 1956, from an award-winning illustrator. Georgia Gilmore was cooking when she heard the news Mrs. Rosa Parks had been arrested—pulled off a city bus and thrown in jail all because she wouldn't let a white man take her seat. To protest, the radio urged everyone to stay off city buses for one day: December 5, 1955. Throughout the boycott—at Holt Street Baptist Church meetings led by a young minister named Martin Luther King, Jr.—and throughout the struggle for justice, Georgia served up her mouth-watering fried chicken, her spicy collard greens, and her sweet potato pie, eventually selling them to raise money to help the cause. Here is the vibrant true story of a hidden figure of the civil rights movement, told in flavorful language by a picture-book master, and stunningly illustrated by a Caldecott Honor recipient and seven-time Coretta Scott King award-winning artist.

**Highland Ever After** Jul 22 2022 #1 New York Times and #1 USA Today bestselling author Maya Banks returns to her beloved Highlander series with the story readers have been waiting for... After Scotland's three most powerful clans come together to build a formidable alliance, an apprehensive king conspires to keep his empire from collapsing. He orders Taliesan McHugh to agree to a marriage that will ensure the king maintains control of the coveted McHugh fortress. With no other choice but to obey her king, Taliesan accepts her destiny. But when her path crosses with that of Brodie Armstrong, she begins to wonder what it would be like to feel the warrior's strong arms around her—and to be loved by him. Staunchly opposing the king's command to stand down, Brodie plots to save Taliesan from her arranged marriage. He is determined to make the gentle beauty his but finds himself at the mercy of a decades-old family agreement. As power struggles echo across the Highlands, Brodie continues to defy the king and vows to remain true to his cause, his people—and, most of all, the woman who has claimed his heart.

**Among the Shadows** Jan 24 2020 A collection of nineteen short stories includes tales of petty thieves, drunkards, and the supernatural.

[Dirt](#) May 08 2021 Dirt, soil, call it what you want—it's everywhere we go. It is the root of our existence, supporting our feet, our farms, our cities. This fascinating yet disquieting book finds, however, that we are running out of dirt, and it's no laughing matter. An engaging natural and cultural history of soil that sweeps from ancient civilizations to modern times, *Dirt: The Erosion of Civilizations* explores the compelling idea that we are—and have long been—using up Earth's soil. Once bare of protective vegetation and exposed to wind and rain, cultivated soils erode bit by bit, slowly enough to be ignored in a single lifetime but fast enough over centuries to limit the lifespan of civilizations. A rich mix of history, archaeology and geology, *Dirt* traces the role of soil use and abuse in the history of Mesopotamia, Ancient Greece, the Roman Empire, China, European colonialism, Central America, and the American push westward. We see how soil has shaped us and we have shaped soil—as society after society has risen, prospered, and plowed through a natural endowment of fertile dirt. David R. Montgomery sees in the recent rise of organic and no-till farming the hope for a new agricultural revolution that might help us avoid the fate of previous civilizations.

[The Blue Castle](#) Apr 07 2021 *The Blue Castle* is a novel full of humour and romance. It tells the story of a woman named Valency and her discovery of a new world of love and happiness. Valency escapes the clutches of her overbearing family and finds solace in her new friendships and new surroundings. This early work by L. M. Montgomery was originally published in 1926 and we are now republishing it with a brand new introductory biography. Lucy Maud Montgomery was born on 30th November 1874, New London, in the Canadian province of Prince

Edward Island. Her mother, Clara Woolner (Macneil), died before Lucy reached the age of two and so she was raised by her maternal grandparents in a family of wealthy Scottish immigrants. In 1908 Montgomery produced her first full-length novel, titled 'Anne of Green Gables'. It was an instant success, and following it up with several sequels, Montgomery became a regular on the best-seller list and an international household name.

**The Alpine Path - The Story of My Career** Jun 28 2020 The Alpine Path, The Story of My Career is the autobiography of Lucy Maud Montgomery. Originally published as a series of autobiographical essays in the Toronto magazine, *Everywoman's World*, from June to November in 1917. A charming read about her childhood with all the dreams and imaginings from her youth. Followed by her inspirational road to literary success.

**Anne Around the World** Sep 12 2021 What makes Anne of Green Gables an international, time-honoured classic? International audiences have described reading L.M. Montgomery's most celebrated novel as an experience in enchantment. Balancing criticism and celebration, Jane Ledwell and Jean Mitchell bring together essays that consider the sources of the wonder that Montgomery's work inspires. The popular appeal of Montgomery's classic is undeniable, but the reasons for its worldwide resonance are less obvious. From a range of perspectives, the contributors to *Anne around the World* focus on the numerous themes the novel raises, showcasing why it has charmed readers across the globe - from Iran to Australia, and from Sweden to Japan. Essays consider issues of class, race, and colonial history, discuss Anne's place in children's literature, her passion for writing, and the ways in which L.M. Montgomery and her red-haired protagonist are celebrated by legions of fans. Featuring contributions from many international writers, *Anne around the World* traces the meaning and influence of a story that spread far from its place of origin on a small Canadian island to distant and culturally diverse places. Contributors include Yoshiko Akamatsu (Notre Dame Seishin University, Japan), Doreley Carolina Coll (University of Prince Edward Island), Brooke Collins-Gearing (School of Humanities and Social Science, New South Wales), Margaret Doody (Notre Dame University), Elizabeth R. Epperly (emeritus, University of Prince Edward Island), Barbara Carman Garner (Carleton University), Caroline E. Jones (Texas State University-San Marcos), Paul Keen (Carleton University), Jane Ledwell, Jennie MacDonald (PhD, University of Denver), Susan Meyer (Wellesley College), Jean Mitchell, Mary Henley Rubio (emeritus, University of Guelph), Gholamreza Sami (Sussex University), Wendy Shilton (University of Prince Edward Island), Cynthia Sugars (University of Ottawa), Tanfer Emin Tunc (Hacettepe University, Turkey), Åsa Warnqvist (Stockholm University, Sweden), Elizabeth Hillman Waterston (emeritus, University of Guelph), and Budge Wilson (author).

**Never Seduce a Scot** Nov 26 2022 Maya Banks, the New York Times bestselling author of romance and romantic suspense has captivated readers with her steamy Scottish historical novels, perfect for fans of Julie Garwood. *Never Seduce a Scot* features a remarkable woman whose rare gift teaches a gruff Scottish warrior how to listen with his heart. Eveline Armstrong is fiercely loved and protected by her powerful clan, but outsiders consider her "touched." Beautiful, fey, with a level, intent gaze, she doesn't speak. No one, not even her family, knows that she cannot hear. Content with her life of seclusion, Eveline has taught herself to read lips and allows the outside world to view her as daft. But when an arranged marriage into a rival clan makes Graeme Montgomery her husband, Eveline accepts her duty—unprepared for the delights to come. Graeme is a rugged warrior with a voice so deep and powerful that his new bride can hear it, and hands and kisses so tender and skilled that he stirs her deepest passions. Graeme is intrigued by the mysterious Eveline, whose silent lips are ripe with temptation and whose bright, intelligent eyes can see into his soul. As intimacy deepens, he learns her secret. But when clan rivalries and dark deeds threaten the wife he has only begun to cherish, the Scottish warrior will move heaven and earth to save the woman who has awakened his heart to the beautiful song of a rare and magical love.

**Jane of Lantern Hill** Jul 30 2020 *Jane of Lantern Hill* Lucy Maud Montgomery *Jane of Lantern Hill* is a novel by Canadian author L. M. Montgomery. The book was adapted into a 1990 telefilm, *Lantern Hill*, by Sullivan Films, the producer of the highly popular *Anne of Green Gables* television miniseries and the television series *Road to Avonlea*. Montgomery began formulating an idea on May 11, 1936, began writing on August 21, and wrote the last chapter on February 3, 1937. She finished typing up the manuscript on February 25, as she could not

hire a typist to do it for her. This novel was dedicated to "JL", her companion cat. The novel was written at Montgomery's house, "Journey's End"; the environment influenced Montgomery's writing to create a *Seeing the Light: The Case for Nuclear Power in the 21st Century* Jun 09 2021 The first accessible book to discuss all aspects of nuclear power to help combat climate change and lethal air pollution.

**Through Lover's Lane** Nov 14 2021 It might surprise some to know that internationally beloved Canadian writer L.M. Montgomery (1874-1942), author of the *Anne of Green Gables* series, among other novels, and hundreds of short stories and poems, also fuelled a passion for photography. For forty years, Montgomery photographed her favourite places and people, using many of these photographs to illustrate the hand-written journals she left as a record of her life. Artistically inclined, and possessing a strong visual memory, Montgomery created scenes and settings in her fiction that are closely linked to the carefully composed shapes in her photographs. Elizabeth Rollins Epperly's *Through Lover's Lane* is the first book to examine Montgomery's photography in any depth; it is also the first study to connect Montgomery's photography with her fiction and other writing. Drawing on the work of Montgomery scholars, as well as theorists such as Susan Sontag, Gaston Bachelard, Roland Barthes, John Berger, and George Lakoff, Epperly connects Montgomery's practice of photography with the writer's metaphors for home and belonging. Epperly examines thirty-five of Montgomery's photographs, demonstrating how they figure in the novelist's life and fiction. She argues that the shapes in Montgomery's favourite place in nature - *Lover's Lane* in Cavendish P.E.I. - organized Montgomery's other photographs, underpinned her colourful descriptions, and grounded her aesthetics. *Through Lover's Lane* suggests how an artist creates metaphors that resonate within a single work, echo across a lifetime of writing and photography, and inspire readers and viewers across cultures and time.

**Origin and History of the Montgomerys** Mar 26 2020 The Montgomery family of England and Scotland between the 800s and 1948, with origins among the Nordic peoples and then in Normandy of France, and with some descendants in Ireland, France, Sweden, the United States and elsewhere. The family were part of the nobility of both England and Scotland, as well as of France, Scandinavia, etc.

**Quest for Flight** Jul 10 2021 The Wright brothers have long received the lion's share of credit for inventing the airplane. But a California scientist succeeded in flying gliders twenty years before the Wright's powered flights at Kitty Hawk in 1903. *Quest for Flight* reveals the amazing accomplishments of John J. Montgomery, a prolific inventor who piloted the glider he designed in 1883 in the first controlled flights of a heavier-than-air craft in the Western Hemisphere. Re-examining the history of American aviation, Craig S. Harwood and Gary B. Fogel present the story of human efforts to take to the skies. They show that history's nearly exclusive focus on two brothers resulted from a lengthy public campaign the Wrights waged to profit from their aeroplane patent and create a monopoly in aviation. Countering the aspersions cast on Montgomery and his work, Harwood and Fogel build a solidly documented case for Montgomery's pioneering role in aeronautical innovation. As a scientist researching the laws of flight, Montgomery invented basic methods of aircraft control and stability, refined his theories in aerodynamics over decades of research, and brought widespread attention to aviation by staging public demonstrations of his gliders. After his first flights near San Diego in the 1880s, his pursuit continued through a series of glider designs. These experiments culminated in 1905 with controlled flights in Northern California using tandem-wing Montgomery gliders launched from balloons. These flights reached the highest altitudes yet attained, demonstrated the effectiveness of Montgomery's designs, and helped change society's attitude toward what was considered "the impossible art" of aerial navigation. Inventors and aviators working west of the Mississippi at the turn of the twentieth century have not received the recognition they deserve. Harwood and Fogel place Montgomery's story and his exploits in the broader context of western aviation and science, shedding new light on the reasons that California was the epicenter of the American aviation industry from the very beginning.

**Bad Situation** Feb 17 2022

**Good-bye My Friend** Apr 26 2020

**Broken Halo** Feb 05 2021 Zero three zero nine. Four little numbers ... four little words. They might be random and insignificant to anyone else, but they meant something to us. No, they meant everything to us. Until they were ripped away. That was the day our lives took a different course. One we had no control over. One that others puppeteered and mangled

into a cluster so big, it left us with emotional scars lined with resentment and venom toward each other. All because I'm a Montgomery and he's a Barrett. Now, Trig's back and he hates me with more hostility and rage than ever ... and I've learned to do the same. But when the world comes crashing down and the stakes couldn't be higher, I can't run and I can't hide. I need the help of the one person whose loathing for me runs deeper than blood and colder than his icy-blue stare. I need Trig. I need him more than I know.

**The Widows** May 28 2020 "The Widows kept me on the edge of my seat. Montgomery is a masterful storyteller." —Lee Martin, author of Pulitzer Prize-Finalist *The Bright Forever* Inspired by the true story of Ohio's first female sheriff, Jess Montgomery's powerful, lyrical debut is the story of two women who take on murder and corruption at the heart of their community. *Kinship, Ohio, 1924*: When Lily Ross learns that her husband, Daniel, the town's widely respected sheriff, has been killed while transporting a prisoner in an apparent accident, she vows to seek the truth about his death. Hours after his funeral, a stranger appears at her door. Marvena Whitcomb, a coal miner's widow, is unaware that Daniel has died and begs to speak with him about her missing daughter. From miles away but worlds apart, Lily's and Marvena's lives collide as they realize that Daniel was perhaps not the man that either of them believed him to be. \*BONUS CONTENT: This edition of *The Widows* includes a new introduction from the author and a discussion guide "The Widows is a gripping, beautifully written novel about two women avenging the murder of the man they both loved." —Hallie Ephron, New York Times bestselling author of *You'll Never Know*, Dear "Jess Montgomery's gorgeous writing can be just as dark and terrifying as a subterranean cave when the candle is snuffed out, but her prose can just as easily lead you to the surface for a gasp of air and a glimpse of blinding, beautiful sunlight. This is a powerful novel: a tale of loss, greed, and violence, and the story of two powerful women who refuse to stand down." —Wiley Cash, New York Times bestselling author of *The Last Ballad*, *A Land More Kind than Home*, and *This Dark Road to Mercy* "[A] flinty, heartfelt mystery that sings of hawks and history, of coal mines and the urgent fight for social justice." —Julia Keller, Pulitzer Prize-winning author of *Bone on Bone*

**The Cave** Dec 23 2019 Six students from Stanford on summer break journey into The Wind Cave, one of the longest and deepest caves in North America. But what begins as a four-day excursion turns into a life-or-death battle for survival. The second day into their trip, nuclear war is launched against the United States from within the country. The geography of the cave changed with the movement of the blasts, and the group is unprepared to sacrifice what they must to escape. With their exit blocked and their food supply dwindling, they must navigate the maze of tunnels to find an alternate exit back home—if there's still a home to return to.

**Highlander Most Wanted** Oct 25 2022 NEW YORK TIMES BESTSELLER Maya Banks, the bestselling author of romance and romantic suspense has captivated readers with her steamy Scottish historical novels, perfect for fans of Julie Garwood. In *Highlander Most Wanted*, a reclusive woman content to live in the shadows shows a Highland warrior the true meaning of love. Genevieve McInnis is locked behind the fortified walls of McHugh Keep, captive of a cruel laird who takes great pleasure in ruining her for any other man. Yet when Bowen Montgomery storms the gates on a mission of clan warfare, Genevieve finds that her spirit is bent but not broken. Still, her path toward freedom remains uncertain. Unable to bear the shame of returning to a family that believes her dead or to abandon others at the keep to an imposing new laird, Genevieve opts for the peaceful life of an abbess. But Bowen's rugged sensuality stirs something deep inside her that longs to be awakened by his patient, gentle caress—something warm, wicked, and tempting. Bowen seizes his enemy's keep, unprepared for the brooding and reclusive woman who captures his heart. He's enchanted by her fierce determination, her unusual beauty, and her quiet, unfailing strength. But wooing her will take more than a seasoned seducer's skill. For loving Genevieve, he discovers, means giving her back the freedom that was stolen from her—even if it means losing her forever. "[Maya] Banks has written an emotionally taut Highlands romance. . . . Lush emotionalism, compelling characters and a moving story line will win romance fans." —Kirkus Reviews

**Happy City** Mar 18 2022 Charles Montgomery's *Happy City* will revolutionize the way we think about urban life. After decades of unchecked sprawl, more people than ever are moving back to the city. Dense urban living has been prescribed as a panacea for the environmental and resource crises of our time. But is it better or worse

for our happiness? Are subways, sidewalks and condo towers an improvement on the car-dependence of sprawl? The award-winning journalist Charles Montgomery finds answers to such questions at the intersection between urban design and the emerging science of happiness, during an exhilarating journey through some of the world's most dynamic cities. He meets the visionary mayor who introduced a "sexy" bus to ease status anxiety in Bogotá; the architect who brought the lessons of medieval Tuscan hill towns to modern-day New York City; the activist who turned Paris's urban freeways into beaches; and an army of American suburbanites who have hacked the design of their own streets and neighborhoods. Rich with new insights from psychology, neuroscience and Montgomery's own urban experiments, *Happy City* reveals how our cities can shape our thoughts as well as our behavior. The message is as surprising as it is hopeful: by retrofitting cities and our own lives for happiness, we can tackle the urgent challenges of our age. The happy city can save the world—and all of us can help build it.

**The Things Between Us** May 20 2022 An executive editor for *Tin House* magazine describes how her fragmented New England family overcame alcohol-related obstacles and was reunited by her gentleman farmer father's battle with stomach cancer. Reprint. 35,000 first printing. **The Fragrance of Sweet-Grass** Apr 19 2022 When it originally appeared, Elizabeth Rollins Epperly's *The Fragrance of Sweet-Grass* was one of the first challenges to the idea that L.M. Montgomery's books were unworthy of serious study. Examining all of Montgomery's fiction, Epperly argues that Montgomery was much more than a master of the romance genre and that, through her use of literary allusions, repetitions, irony, and comic inversions, she deftly manipulated the normal conventions of romance novels. Focusing on Montgomery's memorable heroines, from Anne Shirley to Emily Byrd Starr, Valancy Stirling, and Pat Gardiner, Epperly demonstrates that Montgomery deserves a place in the literary canon not just as the creator of *Anne of Green Gables* but as an artist in her chosen profession. Since its publication more than twenty years ago, *The Fragrance of Sweet-Grass* has become a favourite of scholars, writers, and Montgomery fans. This new edition adds a preface in which Epperly discusses the book's contribution to the ongoing research on the life and writing of L.M. Montgomery, reflects on how Montgomery studies have flourished over the past two decades, and suggests new ways to approach and explore the Canadian writer's work.

**Loss Sings** Oct 21 2019 The seventh-century poet Tumadir, also known as al-Khansa'—a sobriquet that means "the Snub-nosed Gazelle doe"—survived both her brothers. Her poetic output consists of dirges for those dead brothers. In *Loss Sings*, James Montgomery translates a number of these dirges from the Arabic and weaves a cahier around them. Bringing this little-known ancient Arabic poet to contemporary readers for the first time, Montgomery intersperses personal and poignant observations throughout the collection as he explores related elements of death and loss.

**Caught Red-Handed** Aug 31 2020 THE FOURTH IN THE SERIES OF SIX STANDALONE ROMANCES. Maya Montgomery has been in love with Roger Llewellyn, her older brother Sebastian's best friend since she was about fourteen but knows that he doesn't see her as anything but a little tomboy. Roger has been Sebastian Montgomery's best friend for over sixteen years and almost as good friends with the other three Montgomery brothers. He knows that they would tear him limb from limb if he so much as looks at their beloved only sister. After seeing her all cleaned up and feminine at her sweet sixteen party, Roger realizes for the first time that he has feelings for her and runs away as though pursued by the Devil. Two years later, when he decides that he needs to put some distance between him and temptation, he moves to the USA, but not before sharing a farewell kiss with Maya. But life never plays fair. Four years later he's back in the UK as Sebastian's best man and realizes that the attraction between him and Maya is still as strong. Does he give into temptation, and risk incurring the wrath and losing the friendship of the Montgomery men? Or does he walk away from the woman he loves more than any other? He has to make the right choice because the last thing he needs is for them to be Caught Red-Handed!

**The Good Good Pig** Jan 04 2021 "In loving yet unsentimental prose, Sy Montgomery captures the richness that animals bring to the human experience. Sometimes it takes a too-smart-for-his-own-good pig to open our eyes to what most matters in life." —John Grogan, author of *Marley & Me: Life and Love with the World's Worst Dog* A naturalist who spent months at a time living on her own among wild creatures in remote jungles, Sy Montgomery had always felt more comfortable with animals than with people. So she gladly opened her heart to a sick piglet who had

been crowded away from nourishing meals by his stronger siblings. Yet Sy had no inkling that this piglet, later named Christopher Hogwood, would not only survive but flourish—and she soon found herself engaged with her small-town community in ways she had never dreamed possible. Unexpectedly, Christopher provided this peripatetic traveler with something she had sought all her life: an anchor (eventually weighing 750 pounds) to family and home. The Good Good Pig celebrates Christopher Hogwood in all his glory, from his inauspicious infancy to hog heaven in rural New Hampshire, where his boundless zest for life and his large, loving heart made him absolute monarch over a (mostly) peaceable kingdom. At first, his domain included only Sy's cosseted hens and her beautiful border collie, Tess. Then the neighbors began fetching Christopher home from his unauthorized jaunts, the little girls next door started giving him warm, soapy baths, and the villagers brought him delicious leftovers. His intelligence and fame increased along with his girth. He was featured in USA Today and on several National Public Radio environmental programs. On election day, some voters even wrote in Christopher's name on their ballots. But as this enchanting book describes, Christopher Hogwood's influence extended far beyond celebrity; for he was, as a friend said, a great big Buddha master. Sy reveals what she and others learned from this generous soul who just so happened to be a pig—lessons about self-acceptance, the meaning of family, the value of community, and the pleasures of the sweet green Earth. The Good Good Pig provides proof that with love, almost anything is possible.

**The Montgomerys and Their Descendants** Dec 27 2022 A genealogical history of the Montgomery Family originally published in 1903. It is supposed that there had existed at Eglinton Castle an account of the Montgomery family in Scotland, which was destroyed when that old pile was burnt by the Cunninghams in 1528. Therefore the work of William Montgomery, written between 1698 and 1704, is the earliest existing attempt to illustrate the family history, and it is especially valuable because treating of persons who came within the reach of his personal knowledge and events that had occurred during the period of his own life. Since these memoirs were written the compilations in this book have been made, intended by their authors chiefly to illustrate the genealogical history of the Montgomerys. This book is part of the Historical Collection of Badgley Publishing Company and has been transcribed from the original. The original contents have been edited and corrections have been made to original printing, spelling and grammatical errors when not in conflict with the author's intent to portray a particular event or interaction. Annotations may have been made and additional contents may have been added by Badgley Publishing Company in order to clarify certain historical events or interactions and to enhance the author's content. Fonts have been changed from the original printing to make the book easier to read. Photos and illustrations from the original have been cleaned up, enhanced and enlarged for better viewing. Additional illustrations and photos may have been added by Badgley Publishing Company.

**The Montgomerys and Their Friends. [A Religious Story.]** Aug 23 2022

A Genealogical History of the Montgomerys and Their Descendants Sep 24 2022 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

*Looking for Anne of Green Gables* Nov 02 2020 In June 1908, a red-haired orphan appeared on to the streets of Boston and a modern legend was born. That little girl was Anne Shirley, better known as Anne of Green Gables, and her first appearance was in a book that has sold more than 50 million copies worldwide and been translated into more than 35 languages (including Braille). The author who created her was Lucy Maud Montgomery, a writer who revealed very little of herself and her method of crafting a story. On the centenary of its publication, Irene Gammel tells the braided story of both Anne and Maud and, in so doing, shows how a literary classic was born. Montgomery's own life began in

the rural Cavendish family farmhouse on Prince Edward Island, the place that became the inspiration for Green Gables. Mailmen brought the world to the farmhouse's kitchen door in the form of American mass market periodicals sparking the young Maud's imagination. From the vantage point of her small world, Montgomery pored over these magazines, gleaning bits of information about how to dress, how to behave and how a proper young lady should grow. She began to write, learning how to craft marketable stories from the magazines' popular fiction; at the same time the fashion photos inspired her visual imagination. One photo that especially intrigued her was that of a young woman named Evelyn Nesbit, the model for painters and photographers and lover of Stanford White. That photo was the spark for what became Anne Shirley. Blending biography with cultural history, *Looking for Anne of Green Gables* is a gold mine for fans of the novels and answers a trunk load of questions: Where did Anne get the "e" at the end of her name? How did Montgomery decide to give her red hair? How did Montgomery's courtship and marriage to Reverend Ewan Macdonald affect the story? Irene Gammel's dual biography of Anne Shirley and the woman who created her will delight the millions who have loved the red haired orphan ever since she took her first step inside the gate of Green Gables farm in Avonlea.

*Anne of Ingleside* Aug 19 2019 Follow the life of Anne of Green Gables in this complete eight book collection by L M Montgomery; a timeless children's classic.

Lessons from Plants Oct 13 2021 An exploration of how plant behavior and adaptation offer valuable insights for human thriving. We know that plants are important. They maintain the atmosphere by absorbing carbon dioxide and producing oxygen. They nourish other living organisms and supply psychological benefits to humans as well, improving our moods and beautifying the landscape around us. But plants don't just passively provide. They also take action. Beronda L. Montgomery explores the vigorous, creative lives of organisms often treated as static and predictable. In fact, plants are masters of adaptation. They "know" what or who they are, and they use this knowledge to make a way in the world. Plants experience a kind of sensation that does not require eyes or ears. They distinguish kin, friend, and foe, and they are able to respond to ecological competition despite lacking the capacity of fight-or-flight. Plants are even capable of transformative behaviors that allow them to maximize their chances of survival in a dynamic and sometimes unfriendly environment. *Lessons from Plants* enters into the depth of botanic experience and shows how we might improve human society by better appreciating not just what plants give us but also how they achieve their own purposes. What would it mean to learn from these organisms, to become more aware of our environments and to adapt to our own worlds by calling on perception and awareness rather than reason? Montgomery's meditative study puts before us a question with the power to reframe the way we live: What would a plant do?

**L.M. Montgomery and Gender** Jun 21 2022 The celebrated author of *Anne of Green Gables* and *Emily of New Moon* receives much-deserved additional consideration in *L.M. Montgomery and Gender*. Nineteen contributors take a variety of critical and theoretical positions, from historical analyses of the White Feather campaign and discussions of adoption to medical discourses of death and disease, explorations of Montgomery's use of humour, and the author's rewriting of masculinist traditions. The essays span Montgomery's writing, exploring her famous *Anne* and *Emily* books as well as her short fiction, her comic journal composed with her friend Nora Lefurgey, and less-studied novels such as *Magic for Marigold* and *The Blue Castle*. Dividing the chapters into five sections - on masculinities and femininities, domestic space, humour, intertexts, and being in time - *L.M. Montgomery and Gender* addresses the degree to which Montgomery's work engages and exposes, reflects and challenges the gender roles around her, underscoring how her writing has shaped future representations of gender. Of interest to historians, feminists, gender scholars, scholars of literature, and Montgomery enthusiasts, this wide-ranging collection builds on the depth of current scholarship in its approach to the complexity of gender in the works of one of Canada's best-loved authors.

**Peacekeeper** Mar 06 2021 HarrisonI loved Laney Landers before most people learned to read.Blonde hair, blue eyes that rivaled the ocean, and an invisible halo over her head.She stole my heart the same day she threw sand in my face.What started as a friendship grew into so much more.I thought she'd be my forever.But then life threw me a curveball and I changed course.Laney moved on and found a different happily ever after...While I wallowed in grief and regret.And now she's here, reminding me that I made the biggest mistake of my life.LaneyI loved

Harrison Montgomery since the first day he saved me a seat in kindergarten. He was my best friend, my own real-life prince. He taught me to ride a bike and showed me how to shoot a three-pointer in basketball. He was my first kiss. My first love. My first heartache. My first everything. I don't believe in happily ever after anymore. Harrison forced me to write a new ending to my story. But seeing him again after all these years—it makes me want things I shouldn't. Because that chapter of my life is closed forever. Or is it?

*Caught - The Complete Montgomerys Series* Dec 15 2021 THE COMPLETE SIX-PART MONTGOMERYS SERIES Sebastian Montgomery has loved Loretta Vanderbilt since he was the age of five. An innocent act of beheading her favourite doll puts him in the dog house where he stays for the next twenty-two years. But now he has something she desperately wants and he intends to use it to finally get his hands on the delectable prima ballerina. Loretta has no intention of playing nice with the drop-dead gorgeous lawyer. She wants her property and she will use devious means to retrieve it. All she has to do is ensure that she doesn't get Caught in the Act! When Chief Inspector Christopher Montgomery first tries to rescue Tamara Anderson from her abusive drug lord boyfriend, she rebuffs his offer. Then she reaches out to him in desperation and he takes decisive action to rid her of the obstacle in her life, once and for all. As grateful as Tamara is when Christopher comes to her aid, there are secrets she can't share with him. She has to leave the UK fast and pray that she doesn't get Caught on the Run! Michael Montgomery has wanted fuller-figured Elizabeth Abbot from the minute he was introduced to her on the first day of his new job. She's already taken, so he decides to bide his time. But when she's finally free, things don't go as planned. His identical twin Matthew steps in before Michael can make a move. Elizabeth is delighted when Matthew suggests making his twin jealous. She will play along with one hard-bodied twin's plan in order to get the other. She just has to ensure that she doesn't get Caught Between Two Rocks! Maya Montgomery has been in love with Roger Llewellyn, her older brother Sebastian's best friend since she was about fourteen. Roger has been Sebastian's best friend for over sixteen. He knows that his friend would tear him limb from limb if he so much as looks at his beloved only sister. He decides that he needs to put some distance between him and moves to the USA. But four years later he's back in the UK as Sebastian's best man and realizes that the attraction between him and Maya is still as strong. Does he give into temptation, and risk incurring the wrath and losing the friendship of the Montgomery men? Or does he walk away from the woman he loves more than any other? He has to make the right choice because the last he needs is for them to be Caught Red-Handed. Matthew Montgomery has been always known as the playboy Montgomery. Natasha Johnson is a divorcee of ten years with a twelve-year-old daughter. After ridding herself of a controlling much-older husband, she's not looking to tie herself down to anyone. When she meets six-years-younger Matthew, she decides that he would be a good candidate for one night of pleasure. She's surprised by their passionate encounter. The trouble is that she has unresolved issues with her ex-husband and also doubts that Mr Matthew 'Player' Montgomery has any intention of being Caught at Last. Elaine Montgomery has been widowed for sixteen years and has no intention of starting a new relationship. Her five children and numerous grandchildren bring her all the joy she needs. That is until she has to return to Guyana after thirty-five years and runs into Douglas Langevine. He was her first love but he broke her heart by marrying someone else when his parents threatened to disinherit him. After years filled with bitterness and regret, Douglas seizes the chance to

make amends to Elaine. He's not going to miss his second chance at claiming her as his. He's going to ensure that she's Caught at Christmas! *The Soul of an Octopus* Nov 21 2019 Finalist for the National Book Award for Nonfiction \* New York Times Bestseller \* Starred Booklist and Library Journal Editors' Spring Pick \* A Huffington Post Notable Nonfiction Book of the Year \* One of the Best Books of the Month on Goodreads \* Library Journal Best Sci-Tech Book of the Year \* An American Library Association Notable Book of the Year "Sy Montgomery's *The Soul of an Octopus* does for the creature what Helen Macdonald's *H Is for Hawk* did for raptors." —New Statesman, UK "One of the best science books of the year." —Science Friday, NPR Another New York Times bestseller from the author of *The Good Good Pig*, this "fascinating...touching...informative...entertaining" (The Daily Beast) book explores the emotional and physical world of the octopus—a surprisingly complex, intelligent, and spirited creature—and the remarkable connections it makes with humans. In pursuit of the wild, solitary, predatory octopus, popular naturalist Sy Montgomery has practiced true immersion journalism. From New England aquarium tanks to the reefs of French Polynesia and the Gulf of Mexico, she has befriended octopuses with strikingly different personalities—gentle Athena, assertive Octavia, curious Kali, and joyful Karma. Each creature shows her cleverness in myriad ways: escaping enclosures like an orangutan; jetting water to bounce balls; and endlessly tricking companions with multiple "sleights of hand" to get food. Scientists have only recently accepted the intelligence of dogs, birds, and chimpanzees but now are watching octopuses solve problems and are trying to decipher the meaning of the animal's color-changing techniques. With her "joyful passion for these intelligent and fascinating creatures" (Library Journal Editors' Spring Pick), Montgomery chronicles the growing appreciation of this mollusk as she tells a unique love story. By turns funny, entertaining, touching, and profound, *The Soul of an Octopus* reveals what octopuses can teach us about the meeting of two very different minds.

**The Shape of the New** Oct 01 2020 How four revolutionary ideas from the Enlightenment shaped today's world This panoramic book tells the story of how revolutionary ideas from the Enlightenment about freedom, equality, evolution, and democracy have reverberated through modern history and shaped the world as we know it today. A testament to the enduring power of ideas, *The Shape of the New* offers unforgettable portraits of Adam Smith, Thomas Jefferson, Alexander Hamilton, Charles Darwin, and Karl Marx—heirs of the Enlightenment who embodied its highest ideals about progress—and shows how their thoughts, over time and in the hands of their followers and opponents, transformed the very nature of our beliefs, institutions, economies, and politics. Yet these ideas also hold contradictions. They have been used in the service of brutal systems such as slavery and colonialism, been appropriated and twisted by monsters like Stalin and Hitler, and provoked reactions against the Enlightenment's legacy by Islamic Salafists and the Christian Religious Right. *The Shape of the New* argues that it is impossible to understand the ideological and political conflicts of our own time without familiarizing ourselves with the history and internal tensions of these world-changing ideas. With passion and conviction, it exhorts us to recognize the central importance of these ideas as historical forces and pillars of the Western humanistic tradition. It makes the case that to read the works of the great thinkers is to gain invaluable insights into the ideas that have shaped how we think and what we believe.
