There's a chance that Annie can change him... If only he survives the danger in front of him. There are others like Cole who want Annie. They will kill to get her. Now, it's up to Annie and Cole to find a way back to each other. And find out if that's where they actually belong. How far would you go to save someone you love? Would you give up your body? Your mind? Your heart? I did and it cost me everything. He says he owns me. And it's true. I've signed over complete control of my body and life for six months to a man I don't know. Five years he's been planning this. They say revenge is a dish best served cold. But my blackmailer serves it up white hot. He's addicted to my innocence, and I'm addicted to him. He likes to hurt me. I love to let him. He brings me to life. He sets me free. He makes my heart feel things it shouldn't. But he also scares me. He holds the fate of my brother's life in his hands. A life behind bars for crimes I know he didn't commit. My blackmailer can't give up his revenge on my family, and I can't be with him if he doesn't. But I'm nothing more than a butterfly caught in his net. Do I really have a choice?
