His experiences encompass part-time jobs, television stardom, run-ins with the law ("Jail is dull, don't care what anybody say"), a colorful variety of friends, and complex relationships with a number of women, his former wife and grown-up kids. In this entertaining and affectionate industry biography, Silverman captures the passionate spirit of legendary houses such as Knopf; Farrar, Straus and Giroux; Grove Press; and Harper & Row, and profiles larger-than-life executives and editors, including Alfred and Blanche Knopf, Bennett Cerf, Roger Straus, Seymour Lawrence, and Cass Canfield. More than one hundred and twenty publishing insiders share their behind-the-scenes stories about how some of the most famous books in American literary history—from *The Rise and Fall of the Third Reich* to *The Silence of the Lambs*—came into being and why they're still being read today. A joyful tribute to the hard work and boundless energy of professionals who dedicate their careers to getting great books in front of enthusiastic readers, *The Time of Their Lives* will delight bibliophiles and anyone interested in this important and ever-evolving industry.
