Teaching English as a Foreign Language in Indonesia faces many obstacles. Firstly, English is not day to day used so the students have difficulty to practice it. They only use it in the limited time classroom, so teachers have difficulty to make authentic situation for the students to practice the language outside the class. Second obstacle is the students' bad experiences during their previous schooling in learning English. The students come from different school background; some remote school may not have good teachers, especially in teaching English. Even some students have bad impression that make them hate English. The last thing is teachers still have problem to access updated book, journals, etc. to help them teach English better. This book is to help both teachers and students to enjoy the process of teaching and learning. Materials given are mostly authentic from internet or medication information. The authenticity of the material can give additional motivation for the students. A unique and indispensable resource for students in undergraduate and graduate research courses, as well as for seasoned professionals who seek a practical guide for developing and implementing their own research projects in social work, nursing, and the health professions, this book is the first textbook to introduce the concept and practice of practitioner research to an American audience. This set includes *Nursing Home Administration, 6th Edition* and *The Licensing Exam Review Guide in Nursing Home Administration, 6th Edition*. A classic resource that has helped nurses pass the NCLEX exam for over 60 years, *Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination, 20th Edition* is fully updated to reflect the newest NCLEX-RN test plan. Content review is presented in a concise and full-color outline format organized by the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing, with a practice test following each unit. More than 4,200 practice questions and rationales -- including more than 600 questions in the newest alternate item formats -- are written by a team of trusted NCLEX experts led by author Patricia M. Nugent. This title includes additional digital media when purchased in print format. For this digital book edition, media content may not be included. With its highly visual format, topical information, and easy-to-follow guidance, Mosby's Textbook for Long-Term Care Nursing Assistants, 8th Edition is the perfect resource to help you master the ins and outs of long-term care. One hundred step-by-step procedures — all written at the sixth-grade reading level — provide clear instructions for completing skills. Helpful spotlight boxes and realistic patient scenarios reinforce the nursing assistant's roles and responsibilities that are needed in today's long-term care settings. New features in this edition include an all-new chapter on culture and religion; a new chapter on career management and getting hired; new procedures; and updated content on topical issues like confusion and dementia, hypertension, American Heart Association CPR, cancer, and more. As with previous editions, the focus on OBRA content and patient quality of life will underscore competent and respectful care. 6th grade reading level and concise coverage helps readers of all levels and abilities (particularly ESL individuals) easily understand and master important long-term care concepts and procedures. 100 step-by-step procedures are divided into pre-procedure, procedure, and post-procedure sections for easier learning. Residents with Dementia boxes cover the special needs of older persons with Alzheimer's disease and other dementias. Promoting Safety and Comfort boxes emphasize the need to provide safe care while making a patient more comfortable. Delegation Guidelines boxes describe what information the nursing assistant needs from the nurse and the care plan to perform safe care; as well as what information to report and record. Quality-of-Life boxes reinforce the importance of patients' rights and enhancing their quality of life when giving care. Teamwork and Time Management boxes illustrate ways to work efficiently within the health care team. Time to Reflect scenarios present realistic patient situations faced by nursing assistants to build critical thinking skills. Focus on Rehabilitation boxes clarify considerations and insights about rehabilitation and restorative care. Focus on Communication boxes provide guidelines for how to clearly communicate with patients and avoid comments that might make them uncomfortable. NATCEP certification exam icons identify the skills tested on the National Nurse Aide Assessment Program and state certification exams. Review questions at the end of each chapter help evaluate learning. Key abbreviations at the beginning of each chapter highlight commonly used abbreviations.
