Now Jane Nelsen, distinguished psychologist, educator, and mother of seven, has written a revised and expanded edition. Inside you'll discover how to • bridge communication gaps • defuse power struggles • avoid the dangers of praise • enforce your message of love • build on strengths, not weaknesses • hold children accountable with their self-respect intact • teach children not what to think but how to think • win cooperation at home and at school • meet the special challenge of teen misbehavior "It is not easy to improve a classic book, but Jane Nelsen has done so in this revised edition.
