Martha Mier's Tennessee Treasures takes a musical journey to three different cities across the state of Tennessee. Written in three movements, it begins in Memphis. Nashville, the home of country music, is highlighted in "Ballad for Nashville," a lyrical country waltz. The final movement, "Sunrise in the Great Smoky Mountains," visits the eastern part of the state and the city of Knoxville. The broad grandeur of the mountains is evoked through big chords, arpeggios, and a sweeping melodic line, providing a fitting close to the suite. Don't miss this official, original, pulse-pounding story from award-winning author Adrienne Kress, developed with theMeatly, Mike Mood, and Bookpast! The "lost country" is the familiar country of innocence and security known as youth—a country we have all known and which, occasionally, in a book like this one, we are able to rediscover. J. R. Salamanca's *The Lost Country* is the story of a boy, Jim Blackstarr, who grows up on a farm in Virginia. As a child, he delights in the beauty that surrounds him: the rivers and hills and trees, the seasons of the year, all the shapes and textures and patterns of his world. But, as he grows older, he makes other discoveries. He experiences brutality, passion, fear, and shame. These experiences destroy the simplicity of his early relationships; they complicate and darken his later ones. Ultimately, they drive him—as they drive all men—out of, and away from, the country of his youth. (Piano Solo Songbook).
