Ghost Maker Nov 03 2020 Clare Cermak has a gift for speaking to ghosts of the Old West, but in the latest from the author of *Ghost Talker*, she may soon join their ranks... With Clare's health fading, she and her partner—the love of her life—detective Zach Slade, head to Manitou Springs, Colorado, in search of the only healer who can help them: the ghost of Sister Juliana Emmanuel, whose healing skills live on in the afterlife.

Unfortunately for Clare, the nun's ghost is elusive, and the town is teeming with spirits who all want to speak with Clare—newer ones, street kids who've been killed and want their bodies found and their murders avenged. Now, with the help of Zach and Sister Juliana, Clare must find the killer before he strikes again.

But to do so, she will face an evil that could destroy everything she and Zach hold dear—including their love... Praise for the Ghost Seer Novels "A fascinating combination of murder, romance, and the supernatural."—Fresh Fiction "Owens is a terrific storyteller; she has a truly great gift for creating characters who leap off the page—and when it comes to creating talking pets, like adorable ghost dog Enzo, she has no peer!"—RT Book Reviews "Entertaining and unique."—Harlequin Junkie "Ghost Killer wastes no time in making chills run up and down a reader's spine."—Long and Short Reviews

This Land Was Theirs Feb 24 2020 The fifth edition of *This Land Was Theirs* presents "a survey of both traditional and contemporary lifeways of eleven tribes of North American Indians "[First Nations, Aboriginal Peoples]. Ranging from the subarctic Chipewyan to the Natchez of Mississippi, the groups represent major culture areas and levels of socioeconomic complexity. New to this edition is a chapter on the Navajo, the largest tribal

group in the United States.--from back cover.

Deadlands: Ghostwalkers Jul 23 2022 From New York Times bestselling author Jonathan Maberry, the first in a thrilling series of novels based on Deadlands, a hugely successful role-playing game (RPG) set in the Weird, Weird West. Welcome to the Deadlands, where steely-eyed gunfighters rub shoulders with mad scientists and dark, unnatural forces. Where the Great Quake of 1868 has shattered California into a labyrinth of sea-flooded caverns . . . and a mysterious substance called "ghost rock" fuels exotic steampunk inventions as well as plenty of bloodshed and flying bullets. In Ghostwalkers, a gun-for-hire, literally haunted by his bloody past, comes to the struggling town of Paradise Falls, where he becomes embroiled in a deadly conflict between the besieged community and a diabolically brilliant alchemist who is building terrible new weapons of mass destruction . . . and an army of the living dead! Deadlands is one of the most popular RPGs in history, with over a million Deadlands gaming books sold. At the Publisher's request, this title is being sold without Digital Rights

Management Software (DRM) applied.

Weekly World News Aug 24 2022 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

Manitou Canyon Nov 27 2022 In the extraordinary new Cork O'Connor thriller from New York Times bestselling and Edgar Award-winning author William Kent Krueger, the lives of hundreds of innocent people are at stake when Cork vanishes just days before his daughter's wedding. Since the violent deaths of his wife, father, and best friend all occurred in previous Novembers, Cork O'Connor has always considered it to be the cruelest of months. Yet, his daughter has chosen this dismal time of year in which to marry, and Cork is understandably uneasy. His concern comes to a head when a man camping in Minnesota's Boundary Waters Canoe Area Wilderness goes missing. As the official search ends with no recovery in sight, Cork is asked by the man's family to stay

on the case. Although the wedding is fast approaching and the weather looks threatening, he accepts and returns to that vast wilderness. As the sky darkens and the days pass, Cork's family anxiously awaits his return. Finally certain that something has gone terribly wrong, they fly by floatplane to the lake where the missing man was last seen. Locating Cork's campsite, they find no sign of him. They do find blood, however. A lot of it. With an early winter storm on the horizon, it's a race against time as Cork's family struggles to uncover the mystery behind these disappearances. Little do they know, not only is Cork's life on the line, but so are the lives of hundreds of others.

Colorado Dec 04 2020 A pictorial history of Colorado provides photographs taken by the nineteenth century photographer along with retakes by his great-great-great grandson.

The Bridge of Manitou's Sep 25 2022 An act of pure evil haunts an old railway-bridge and town for over two-hundred years. There are four types of people who stumble upon that bridge. The stupid, the thoughtless, unsuspecting strangers, and the very young and innocent. In the summer before the bridge was abandoned the only thing you had to worry about on that bridge was an oncoming train but in the winter...Not since the nineteen sixties has anyone had to worry about that anytime of the year but during the winter there's something else on that bridge. No one knows what that something is but during the winter months anyone who wanders up on the deck of that bridge is never seen again, at least nothing of them other than the gory bloody specks scattered over the surface. Whatever it is that cast its evil

there anyone who has ever seen it hasn't returned to tell their story, until recently.

Sailing on the Great Lakes and Rivers of America Jan 17 2022

The National Magazine Dec 24 2019

The Manitou Dec 28 2022 An ancient vengeful spirit attempts to return through the body of a terrified young woman in this horror classic by an award-winning "master of the genre" (Rocky Mountain News). Phony psychic and conman Harry Erskine never really believed in the occult until Karen Tandy approached him with a rapidly growing tumor on her neck, complaining of dark and disturbing dreams. When the mass is revealed by doctors to contain something living, the stakes skyrocket—not only for Karen and Harry but for all humanity. Something terrible is returning from the shadows to which it has been confined for centuries—a Native American monstrosity determined to destroy every vestige of the white race that oppressed and preyed upon America's Indians. And unless a motley group of ill-prepared defenders can harness an ancient

native magic, there will be no stopping the malevolent shaman's terrible rebirth—and no escaping the wholesale carnage it will engender. The Manitou introduced the great Graham Masterton to the canon of horror, instantly placing him among the genre's elite. A longtime favorite for its bold originality, unrelenting creepiness, supernatural shocks, and otherworldly surprises that would have made H. P. Lovecraft proud, Masterton's classic continues to stand tall alongside Stephen King's *Carrie*, Peter Straub's *Ghost Story*, and other unforgettable literary horror debuts.

Native American Mythology Nov 15 2021
This fascinating and informative compendium of Native American lore recounts the continent's myths chronologically and region-by-region, offering a wide range of nomadic sagas, animist myths, cosmogonies and creation myths, end-time prophecies, and other traditional tales. Legends include stories of sun worship, trickster pranks, the

ghost world, and secret societies.

Drawing with Great Needles May 09 2021

For thousands of years, Native Americans used the physical act and visual language of tattooing to construct and reinforce the identity of individuals and their place within society and the cosmos. This book offers an examination into the antiquity, meaning, and significance of Native American tattooing in the Eastern Woodlands and Great Plains.--Publisher description.

Manitou and God Jan 25 2020 Considers the confrontation between Christian culture and Native American culture and religion, covering their similarities and their differences.

Manitou Blood Jan 05 2021 A terrible epidemic is unleashed on New York City. Psychic Harry Erskine must enter the shadow world between the living and the dead in his struggle for human survival...

The Street Railway Journal Aug 12 2021

Plague of the Manitou Sep 20 2019 Virus expert Anna Grey wonders if she's going mad when she hears a corpse whisper: 'Get it out of me.' There is no such thing as demons, she tells herself. But cynical fortune-teller Harry Erskine knows otherwise and a series of disturbing events are forcing him from his Miami home towards Anna, who as yet has little idea of the evil she is facing.

Manitou Oct 26 2022 In the summer of 1974 Byron Dix discovered in Vermont the first of many areas in New England believed to be ancient Native American ritual sites. Dix and coauthor James Mavor tell the fascinating story of the discovery and exploration of these many stone structures and standing stones, whose placement in the surrounding landscape suggests that they played an important role in celestial observation and shamanic ritual.

The Origin Of Primitive Superstitions Dec 16 2021 The study of archaeological subjects is increasing in interest. Recent disclosures concerning the early condition and history of the human race have directed much attention to these subjects.

Man's oral history crystallized in myths and superstitions reflects much light into a past which written history has not penetrated. Mythology is, therefore, a very important branch of anthropological science. Mythology in its broadest definition includes all pagan religious beliefs, commonly called superstitions, and cannot be confined to collections of fables and traditions, which are the folklore of peoples. It is the aim of this book to contribute facts to show the homogeneity of man's religious beliefs. Although the New World is the field of research in the present volume, the rudimentary forms of belief are shown to be the same there as elsewhere, and their systematic development is also the same.

Report of the Bureau of Mines Nov 22 2019

Beyond the Horizon May 21 2022 Beyond the Horizon is about a young man's search for himself and his purpose in life. The book takes place in the future after a nuclear holocaust was released upon the world. After the death of his mother, Jessica, Miles goes in search of his father, John, who had not returned to their village

after several years. He starts out his adventure with his large dog, A-len. Miles rescues the beautiful Sara from some grotesque man-creatures. While exploring this primordial world, they have many adventures which include evil shape-shifters, witches that practice the dark arts, monster rats, and the dreaded demon beasts. As they travel on together, Sara and Miles become very close and Miles begins to have feelings that he doesn't understand. They also learn to continue to seek what is Beyond the Horizon.

City Boy Apr 20 2022 An "enormously entertaining" portrait of "a Bronx Tom Sawyer" (San Francisco Chronicle), City Boy is a sharp and moving novel of boyhood from Pulitzer Prize winner Herman Wouk. A hilarious and often touching tale of an urban kid's adventures and misadventures on the street, in school, in the countryside, always in pursuit of Lucille, a heartless redhead personifying all the girls who torment and fascinate pubescent lads of eleven.

Water-supply Paper Apr 08 2021

The Art of Contact Oct 22 2019 The proem

to Herodotus's history of the Greek-Persian wars relates the long-standing conflict between Europe and Asia from the points of view of the Greeks' chief antagonists, the Persians and Phoenicians. However humorous or fantastical these accounts may be, their stories, as voiced by a Greek, reveal a great deal about the perceived differences between Greeks and others. The conflict is framed in political, not absolute, terms correlative to historical events, not in terms of innate qualities of the participants. It is this perspective that informs the argument of *The Art of Contact:*

Comparative Approaches to Greek and Phoenician Art. Becky Martin reconsiders works of art produced by, or thought to be produced by, Greeks and Phoenicians during the first millennium B.C., when they were in prolonged contact with one another.

Although primordial narratives that emphasize an essential quality of Greek and Phoenician identities have been critiqued for decades, Martin contends that the study of ancient history has not yet effectively challenged the idea of the

inevitability of the political and cultural triumph of Greece. She aims to show how the methods used to study ancient history shape perceptions of it and argues that art is especially positioned to revise conventional accountings of the history of Greek-Phoenician interaction. Examining Athenian and Tyrian coins, kouros statues and mosaics, as well as the familiar Alexander Sarcophagus and the sculpture known as the "Slipper Slapper," Martin questions what constituted "Greek" and "Phoenician" art and, by extension, Greek and Phoenician identity. Explicating the relationship between theory, method, and interpretation, *The Art of Contact* destabilizes categories such as orientalism and Hellenism and offers fresh perspectives on Greek and Phoenician art history.
