Wolfsbane and Mistletoe Dec 02 2020 Charlaine Harris, Keri Arthur and Patricia Briggs bring you a Christmas present to remember! We all know the holiday season can bring out the beast in anyone - but it's especially hard if you're a lycanthrope! Gathered here together is a veritable feast of fears and tears: fifteen of the scariest, saddest, funniest werewolf tales, by an outstanding pack of authors, best read by the light of the full moon, and with a silver bullet close at hand. In 'Gift Wrap', Sookie Stackhouse is

feeling mighty sorry for herself, all alone for Christmas - until she meets someone with bigger problems than loneliness ... Patricia Briggs gives us the story of lone wolf David Christiansen, who needs to mend fences with his daughter, before it's too late. In 'Christmas Past', Keri Arthur tells the tale of Hannah, who gets an unmerry and potentially life-threatening Christmas present when the hunky werewolf who dumped her last Christmas Eve turns up as her partner on the hunt for a vampire serial killer. All these and more feature in WOLFSBANE AND MISTLETOE, the perfect antidote to Christmas mawkishness!

Friday Night Bites Sep 18 2019 VAMPIRES IN CHICAGO!
You'd think a headline like that would have made the fine citizens of the Windy City to take up arms against us bloodsucking fiends. Instead, ten months later, we're enjoying celebrity statue and fending off the paparazzi, who are only slightly less dangerous than angry stake-wielding slayers. Don't get me wrong - Joe Public isn't exactly thrilled to be living side by side with the undead, but at least they haven't stormed the castle ... not yet ... But it could be a matter of time. There's a first-time reporter sniffing around vampire society, and if he uncovers the Raves - mass feeding parties, where vampires round humans up like cattle and drink themselves silly. The fact that it's majorly frowned upon by vamp society won't make a difference to that kind of a headline, or a new reporter who's out to impress his family. So now my 'master' - the centuries-old yet gorgeously well-preserved Ethan Sullivan - wants me to reconnect with my own upper-class family and act as liaison between humans and vampire ... and use the opportunity to keep the

less savoury aspects of vamp existence out of the media spotlight. Tough job, when it seems someone doesn't want vamps and humans to play nicely - someone with a serious, ancient grudge ...

Just when it seems like things can't get any worse, Maddy gets an invitation in the mail—to Lucifer's wedding. Turns out everyone has been invited, friends and enemies alike. Brave the Tempest Sep 30 2020 Cassie Palmer, chief seer of the supernatural world, faces her biggest challenge yet--her own allies! Everything's on the line in the latest thrilling entry in the New York Times bestselling urban fantasy series. Cassie Palmer has been chief seer of the supernatural world for a little over four months. In that time, she's battled two gods, fallen in love with two men, and confronted the two sides of her own nature, both god and human. So it's not surprising that she currently finds herself facing two adversaries, although they have a single purpose: to wipe out the supernatural community's newest fighting force, leaving it vulnerable to enemies in this world and beyond. To prevent catastrophe, the vamps, mages, and demons will have to do the one thing they've never managed before and come together as allies. Cassie has the difficult task of keeping the uneasy coalition intact, and of persuading her own two opposing forces, a powerful mage with a secret and a master vampire with a growing obsession, to fight at her side. She just hopes they can do it without tearing each other apart.

Tempt the Stars Dec 14 2021 Being a goddess is a lot less fun than you might think. Especially when you’re only a half goddess, and you only found out about it recently, and you still don’t know what you’re doing half the time. And when

you've just used your not-so-reliable powers to burglarize the booby-trapped office of a vampire mob boss. Yeah, that part sucks. But that's just the tip of the iceberg for Cassandra Palmer, aka the Pythia, the freshly minted chief seer of the supernatural world. After all, Cassie still has to save a friend from a fate worse than death, deal with an increasingly possessive master vampire, and prevent a party of her own acolytes from unleashing a storm of fury upon the world. Totally just your average day at the office, right?
