An “outrageous, profane, hilarious, sexy and all kinds of wacky” romantic comedy from the New York Times bestselling author of *Size Matters* (Michelle Rowen, national bestselling author). What happens when an accountant decides to grab life by the horns and try something new? Apparently a pirate named Dave, a lot of pastel fleece, and blackmail—just to start with . . . Visualize and succeed, Oprah said. I was sure as hell trying, even if my campaign to score a job as the local weather girl had ended in a restraining order. Okay, TV was not my strength. But a lack of talent has never stopped me before. Which is why I’ve embarked on a writing career. I mean, how hard can it be to come up with a sexy romance? Leave it to me to wind up in a group of porno writing grannies who discuss sex toys and apple cobbler in the same breath. Also leave it to me to leak an outlandish plot idea to a bestselling author with the morals of a rabid squirrel. And only I could get arrested for a jewelry heist I didn’t commit—by a hunky cop whose handcuffs just might tempt me to sign up for a life of crime. Maybe I’ve found my calling after all . . . “A zany over-the-top rompfest.”—Lexi George, author of *Demon Hunting with a Sexy Ex* “The most f*cked-up bag of wonderful crazy ever.”—Dear Author “If readers are in the mood

for hilarious kinkiness woven through a fun romance, then this is the book to try.”—Long and Short Reviews (4 stars) My next door neighbor Parker Jax is not my type. He’s covered in tats, rides a motorcycle, and his parties keep me up all night. The fact he’s sexy as sin doesn’t change the fact we are oil and water. I’m a quiet artist. He’s a rowdy marine. I’ve got a broken heart. I’m convinced he doesn’t have a heart at all. Thankfully, my bad-boy neighbor is on leave from the Marines for only thirty days. But then the jerk has to go and show me that he has a soft side beneath all those hard muscles. He actually leaves his own party to help me, and he didn’t even have to. Fantastic. Now I owe him. I’m not worried, though. What are the chances he’ll need me to do anything before the month is up? But when a woman shows up with a kid at her side, knocking on Parker’s door, it turns out those chances are pretty good... TWO steamy romance stories CARMELA (40+ divorced story) Carmela Beltran found her play pretend cohort in Hayes Felker. A fun, simple (and mutually agreed upon) platonic match-up. But denying their growing attraction isn’t so simple—especially for these two relationship wary divorcees. MARIANELA (reality show) When Mari Randall meets Finn Barron in try-

outs for a reality TV show, they form a partnership to help each other advance. But things aren't exactly as they seem and it's looking like one - or both - might lose more than just the chance at money and fame. Ambition, betrayal and possible love are in play. A frustrated college student records her miserable days she spends in apartments with no-so perfect neighbors and a low income. She manages to keep her sanity by working on college studies and reading the bible. * Please Note- This is part of a continuing series. New characters will be introduced all the time. Let me hip you to some shit real fast Trevonne, I pulled your card the day I met your ass." Darien said chuckling " When I was working at Conways with you, you think I never saw you looking at me all the time? Hell yeah I did. But your ass thought you were too cute, I mean yeah you pretty or I wouldn't fuck with your ass at all, but you just knew I was gonna try to holla at your high yella ass! Then when you brought Jazzlyn to the Christmas party it was a wrap the minute we met...you know your ass fucked up trying to be all bougie and not bringing your ass on and talking to me right? I would have been all yours." Darien said laughing. " Let me also let your ass know this...you like fu**ing the sh** out of me behind your best friends back because deep in your mind you think you're better than her any damn way. Let me tell you something, Jazzlyn tops you in every department with her fine black ass. One thing that makes me love her the way I do...is because this shit right here. Between you and I? Would have never went down on Jazzlyn's watch. Believe that! Jazzlyn is loyal to her man and her friends and at the end of the day.

That's the type of female a nigga like me want on his team. All day every day." Darien said looking Trevonne dead in her face. " That's not true Darien" Trevonne said. Barely able to speak tears streaming down her face " I love Jazzlyn like a sister I do. I know this is fucked up what we're doing, you don't think I realize that?" Trevonne asked. Darien got out of the bed and walked over to Trevonne. "Don't cry baby, I wasn't trying to make you cry or no sh** like that but I do keep it real with you at all times. Hell, as fu**ed up as it is...I'm completely honest with you and lied to Jazzlyn." Darien gently held the sides of Trevonne's faces and wiped her tears away and leaned down and began kissing her slow and deep. He was ready for round two. If you ask most women, they'll tell you my name is Maximum, 'cause I'm maximum in bed... Yeah. I like a little action in the sheets, but it doesn't change the fact that I have responsibilities. I'm a single dad. My little girl's sweet mother didn't live to see her grow up, so now it's all on me to do by right by our daughter. Maybe because of that, I've never let myself get too close to any woman. They've mostly been one-night stands, a week at most. But I just moved into this new town, and my neighbor, Lucy, she calls to me in a way no one has since my wife was alive. Damn. I don't know what to do. I want her bad. Real bad. I'm damn Maximum, right? I can handle her. But maybe that's not enough. Maybe I'm not meant to be with a woman long-term anymore. How can I be sure, especially when I have my daughter to consider? From the New York

Times bestselling author, a first novel as spellbinding as her acclaimed nonfiction *At thirty-four*, Nick Walsh is a broken, deeply cynical man. Since the violent deaths of his parents thirteen years earlier, he has been living alone in his childhood home in the suburban Midwest, drinking, drugging, and debauching himself into oblivion. A measure of solace is provided by his newly found relationship with Monica, a mysterious woman who seems to harbor as many secrets as he does. Obsessed with understanding the circumstances surrounding his parents' deaths and deranged by his relentless sorrow, Nick begins a campaign of spying on his neighbors via hidden cameras and microphones he has covertly installed in their houses. As he observes with amusement and disbelief all the strange, sad, and terrifying things that his neighbors do to themselves and to one another, and as he, in turn, learns that he is being stalked, he begins to slowly unravel the shocking truth about how and why his parents died. At once unsettling and moving, humorous and horrifying, *Thy Neighbor* explores the nature of grief, the potential isolation of suburban life, and who we really are when we think no one is watching. What readers and critics have admired in Norah Vincent's nonfiction is completely unleashed in this vivid and provocative novel. Here's what we know is true. Timmy Milici, a low-level hitter with the infamous Atlanta-based Duplass crime family, ran off with Melody Duplass to Jacksonville,

Florida. Olivia Duplass, her mother and head of the Duplass family, was incensed, and put a price on Timmy—a hundred thousand for his corpse, but with explicit instructions that her daughter not be harmed. We know that's true. Or, at least, we think we do. She commanded me not to touch myself until I see her again. It's driving me wild, the way she left me denied and frustrated, but I've never felt more controlled. The book is a research monograph that reviews and revises the concept of linguistic pejoration, and explores the role of 15 suffixes and combining forms, such as -ie, -o, -ard, -holic, -rrhea, -itis, -porn, -ish, in the formation of English pejoratives. The examination of the inner structure of the resulting derivatives is based on an innovative methodology that encompasses the theories and approaches of Construction Morphology, Componential Analysis, and Morphopragmatics. Following the principles of this methodology, pejorative words collected from dictionaries and corpora (a total of approximately 950 words) are abstracted into generalizations (or constructional schemas) where structural and functional similarities are used to cognitively trace the ways in which negative (or derisive) meaning is connected with a specific form. Through this multifaceted methodology, my analysis showcases the fact that the universal properties of 'diminution', 'excess', 'resemblance', and 'metonymization' are what underlie the making of pejorative meaning. These generalizations, along with the schematic representations of formatives, can help linguists, or linguistics enthusiasts in general, to understand the conventions and intricacy of lexical pejoration.
