The Last Year of Being Single May 16 2021 He proposed. She had her doubts. She said yes. Now what? Everyone tells Sarah Giles how lucky she is to be engaged to Paul O'Brian—a handsome hotshot who's financially secure, knows how to throw the perfect dinner party...and taught Sarah how to, uh, take care of herself. Everyone thinks he's great. Except for Sarah. But she has too much on her plate trying to become career woman of the year and hiding the fact that her seemingly blissful relationship is all but celibate (those lessons he gave her should come in handy) to figure out what's wrong with Mr. Right, let alone qualify for the role of perfect fiancée. Meanwhile, what started as an innocent office flirtation with a man named John Wayne (really), has now moved beyond illicit lunches and harmless text messaging, and is fast turning into erotic obsession. Sarah can't get John out of her head and she's plunging deeper into a double life. But which life is the lie? Torn between two men, and trying not to lose sight of her own dreams, Sarah writes a scandalously honest diary of one life-changing year, and faces the challenge of writing her own happy ending....

The Last Year of the War Jun 16 2021 From the acclaimed author of *Secrets of a Charmed Life* and *As Bright as Heaven* comes a novel about a German American teenager whose life changes forever when her immigrant family is sent to an internment camp during World War II. In 1943, Elise Sontag is a typical American teenager from Iowa—aware of the war but distanced from its reach. Then her father, a legal U.S. resident for nearly two decades, is suddenly arrested on suspicion of being a Nazi sympathizer. The family is sent to an internment camp in Texas, where, behind the armed guards and barbed wire, Elise feels stripped of everything beloved and familiar, including her own identity. The only thing that makes the camp bearable is meeting fellow internee Mariko Inoue, a Japanese-American teen from Los Angeles, whose friendship empowers Elise to believe the life she knew before the war will again be hers. Together in the desert wilderness, Elise and Mariko hold tight the dream of being young American women with a future beyond the fences. But when the Sontag family is exchanged for American prisoners behind enemy lines in Germany, Elise will face head-on the person the war desires to make of her. In that devastating crucible she must discover if she has the will to rise above prejudice and hatred and re-claim her own destiny, or disappear into the image others have cast upon her. *The Last Year of the War* tells a little-known story of World War II with great resonance for our own times and challenges the very notion of who we are when who we've always been is called into question.

Last Year Dec 03 2022 Two events made September 1st a memorable day for Jesse Cullum. First, he lost a pair of Oakley sunglasses. Second, he saved the life of President Ulysses S. Grant. In the near future of Robert Charles Wilson's *Last Year*, the technology exists to open doorways into the past—but not our past, not exactly. Each "past" is effectively an alternate world, identical to ours but only up to the date on which we access it. And a given "past" can only be reached once. After a passageway is open, it's the only road to that particular past; once closed, it can't be reopened. A passageway has been opened to a version of late 19th-century Ohio. It's been in operation for most of a decade, but it's no secret, on either side of time. A small city has grown up around it to entertain visitors from our time, and many locals earn a good living catering to them. But like all such operations, it has a shelf life; as the "natives" become more sophisticated, their version of the "past" grows less attractive as a destination. Jesse Cullum is a native. And he knows the passageway will be closing soon. He's fallen in love with a woman from our time, and he means to follow her back--no matter whose secrets he has to expose in order to do it. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Last Year's Words, and Next Year's Voices: Essays and Speeches from a Decade as Chairman of the International Conference of Symphony and Opera Musicians Oct 01 2022 Author Bruce Ridge served as chair of the International Conference of Symphony and Opera Musicians from 2006 to 2016. In this time of economic upheaval and social change, when orchestras were besieged with lockouts and bankruptcies, many questioned the value of the symphony orchestra to society. Into this environment, Ridge brought an eloquent, positive message, embracing connection through social media, highlighting the value of musicians to their community, and promoting the healing orchestral music can provide. The essays and speeches Ridge shares recount ICSOM's expanding role as a true advocacy organization under his leadership. He addresses topics both global and personal, ranging from arts education's role in a vibrant civil society to the challenges of maintaining mental health in a stressful profession. This collection of writings serves as a remarkable journal of advocacy on behalf of one of the world's greatest cultural treasures: our symphony orchestras.

Last Year's Bride Jan 30 2020 It's for the ranch. It's your duty. A man does his duty, always. His father Sam's words were carved into Cole McCullough's brain. His responsibilities lay with Rafter M Arrow, which had been in their family for over a hundred years. Even though they were fighting a losing battle to keep the place going. The ranch always came first, over personal comfort, sometimes reason and definitely women. Sam had seen both his wives walk away, dismissing them as hot-house city girls who couldn't survive the wilds of rural Montana. So how had Cole ended up making a spur-of-the-moment marriage last year in Reno to TV director Nell, who was as city as they came? Nell was prepared to give it all up to be with Cole. But he knew how it would end: as it had always ended before. It was time to stop living a pipe dream and sue for divorce. But then Nell came back to Marietta with *The Compatibility Game*, a reality program, in which couples discovered what they were willing to do for love by living and working at Rafter M, and Cole found himself taking part too...

Whispers in Autumn Aug 31 2022 In 2015, a race of alien Others conquered Earth. They enslaved humanity not by force, but through an aggressive mind control that turned people into contented, unquestioning robots. Except sixteen-year-old Althea isn't

content at all, and she doesn't need the mysterious note inside her locket to tell her she's Something Else. It also warns her to trust no one, so she hides the pieces that make her different, even though it means being alone. The autumn she meets Lucas, everything changes. Althea and Lucas are immune to the alien mind control, and together they search for the reason why. What they uncover is a stunning truth the Others never anticipated, one with the potential to free the brainwashed human race. It's not who they are that makes them special, but what. And what they are is a threat. One the Others are determined to eliminate for good.

[The Bird in Last Year's Nest](#) Nov 09 2020 Dion Ugalde, village doctor, husband, and father, has come to believe that his son Mauro has joined the Fifth Assembly—a Spanish terrorist organization dedicated to bringing down the government by force. In anguish and desperation he reveals to his son a secret he has kept for twenty-five years—a secret of his own bloody youth and of blood crimes committed in the name of truth and liberty. *The Bird in Last Year's Nest* is a tense involving novel of Spain in the Seventies. It is the story of Dion Ugalde, his wife Maria, and his son Mauro—of Colonel Basa the Chief of the Civil Guard who is at once Ugalde's friend and the man he fears most in the world. It is a story of driving pace and tension whose characters will linger in the reader's mind. And on another level it is a novel of the long-term effects of all attempts to change society by violent means.
