Steel Designers' Manual Fifth Edition: The Steel Construction Institute Sep 18 2021 This classic manual for structural steelwork design was first published in 1956. Since then, it has sold many thousands of copies worldwide. The fifth edition is the first major revision for 20 years and is the first edition to be fully based on limit state design, now used as the primary design method, and on the UK code of practice, BS 5950. It provides, in a single volume, all you need to know about structural steel design.

[Muscle Cars](#) Jan 11 2021 The 1960s and early 1970s were the age of raw American automotive power. Whether it was a classic Hemi 'Cuda, Pontiac GTO, Charger, or Boss Mustang, big engines were king at local drag strips and cruises. Muscle Cars explores this era and the current models with a broad survey of classic muscle and today's new machines. Each chapter is organized around a theme (milestones, factory racers, etc), each model getting a multi-page spread of full-color photography, performance stats, trivia, and more. Photos and stories from the people who built and raced these amazing machines make the book a must-read for any fan of American muscle.

[Buick Nailhead: How to Rebuild & Modify 1953-1966](#) Jul 17 2021 Learn how to rebuild and upgrade your

Buick Nailhead with the first book ever dedicated to the subject! In this all-new book from Nailhead racer and veteran engine builder Gary Weldon, you will learn everything you need to know about how to rebuild and upgrade the venerable Buick Nailhead engine. Weldon takes you through each step, including a review of the birth of the Nailhead, the benefits of its unique design, serial and casting number information to source and identify the best project, and a history of the engine in development. Also covered are the processes of rebuilding, including disassembly, inspection, sourcing the best parts, making critical upgrades, reassembly, and break-in. Of course, all the machine shop work is covered, and practical advice on building engines for competition is provided. The Nailhead was a throwback to the early overhead-valve engine design, and that unique design makes it a popular choice for period-correct hot rod projects. In addition, if your torquey Nailhead resides between the fenders of a Buick Special, LeSabre, Invicta, Roadmaster, Riviera, Century, Skylark, Wildcat, or Electra 225, this book will help you keep that old beauty on the road.

Mike Royko: The Chicago Tribune Collection 1984-1997 Jul 05 2020 Mike Royko: The Chicago Tribune Collection 1984-1997 is an expansive new volume of the longtime Chicago news legend's work. Encompassing thousands of his columns, all of which originally appeared in the Chicago Tribune, this is the first collection of Royko work to solely cover his time at the Tribune. Covering politics, culture, sports, and more, Royko brings his trademark sarcasm and cantankerous wit to a complete compendium of his last 14 years as a newspaper man. Organized chronologically, these columns display Royko's talent for crafting fictional conversations that reveal the truth of the small-minded in our society. From cagey political points to hysterical take-downs of "meatball" sports fans, Royko's writing was beloved and anticipated anxiously by his fans. In plain language, he "tells it like it is" on subjects relevant to modern society. In addition to his columns, the book features Royko's obituary and articles written about him after his death, telling the tale of his life and success. This ultimate collection is a must-read for Royko fans, longtime Chicago Tribune readers, and Chicagoans who love the city's rich history of dedicated and insightful journalism.

The Age of the Muscle Car Sep 06 2020 A breed unlike any seen before or since, the powerful, stylish American muscle car defined an era in automotive history. This history traces the rise and fall of these great performance cars from their precursors in the 1950s through the seminal appearance of the Pontiac GTO in 1964 and then year by year to the end in the 1970s. Approachable and nontechnical yet deeply informative, it puts the bygone muscle car in its cultural and aesthetic contexts, describes developments in styling, performance and marketing, and revels in the joys of muscle car ownership in the 21st century.
