**It's Complicated** Mar 08 2021 Santa baby, I've really been an awful bad girl... If the city ever decides to put a sign on my front door, it will say, "Good Girl Gone Bad." This year I am definitely on Santa's naughty list and it's not even my own fault. How was I supposed to know that when I asked for a boyfriend for Christmas, that my wish would be granted; with not one, but two suitors vying for my heart? When one problem becomes two... My two suitors are exact

opposites. Lucas, the corporate hottie, wants me to spend Christmas Eve at his penthouse and Connor, the bad boy rockstar wants to take me to an isolated cabin on Christmas Day. I've agreed to both invitations. Hey, a girl has to explore her options. The Christmas surprise I didn't see coming... And then everything went wrong. Because who couldn't see this trainwreck coming; besides from me? Both guys wanted to see me on New Year's Eve: each one sliding a naughty note under my door promising copious amounts of spiced eggnog and an even spicier night. The only problem was they'd both invited me to the same party. Turns out they were connected in a way I never saw coming. It's complicated doesn't even begin to express my dilemma. The only thing I know is that at midnight, the fireworks going off aren't just going to be in the sky.

To Whom It May Concern Dec 29 2022 To Whom it May Concern, I would like to request more information about the assistant job I saw

advertised in Sunday's newspaper with the six figure starting salary. I have a bachelors degree in English and many years of work experience and think I would be a good fit for the job. My questions are as follows: 1. What is the exact nature of the job? 2. Is it a strict requirement that I live with the boss? If so, can I have friends and others over? 3. The ad states there is a uniform. May I ask what sort of uniform? And why? Also, in lieu of sending a photograph, I've sent a picture of my very friendly dog that would also be joining me if I were to get the job. Yours Sincerely, Savannah Carter \*\*\* Ms. Carter, How do you know you'll be a good fit for the job if you do not know the nature of the work? My ad specifically stated I was looking for an MBA grad, not an English grad that knows nothing about the real world. 1. This would be discussed in the interview. 2. Yes, you would be living with me. And no guests are allowed. 3. The uniform would be provided on your first day. You don't need to know why. The job advertisement asked

for a personal photo, is this your way of telling me you look like a dog? Today must be your lucky day because you're the only person that responded to my ad. Are you available for a phone interview tomorrow? The Wade Hart This is book one of a duet. The second and final book is Return To Sender.

**About Last Night** Jan 26 2020 Emily Finland, twenty-five, college graduate, hot mess, lover of all things cheese. Hasn't had a date in a year.

Yeah, that's not something I would put in a dating profile. Ever. In fact, I can't be bothered to date. There are so many awful guys out there. I much prefer to Netflix and chill with a pizza. But of course, my busybody best friend Charlotte was having none of that. She persuaded me to go on a blind date and even though I was reluctant, I decided to go. I never expected to meet a man like Liam Montgomery. Liam Montgomery, forty, rich, cocky, wears a rolex, likes expensive whiskey, completely out of my league. He was not who I would have chosen to have gone on a blind date with. Just because he was gorgeous didn't mean he would make a good boyfriend. Plus he was way too old for me. That didn't stop me from flirting with him though. Or from spending one very long exciting night with him. I'm not going to tell anyone about that night. Ironically, it turned out that Liam hadn't even been my intended date. Oops! Unfortunately for me, hot mess Emily, the biggest shock of my life was still to come. For while Liam and I

should never have been, he's not about to leave my life quite that easily. You see I'm celebrating my dad's retirement with my folks and Liam is also there. Only this time, he's not alone. Toby Fleishman thought he knew what to expect when he and his wife of almost fifteen years separated: weekends and every other holiday with the kids, some residual bitterness, the occasional moment of tension in their co-parenting negotiations. He could not have predicted that one day, in the middle of his summer of sexual emancipation, Rachel would just drop their two children off at his place and simply not return. He had been working so hard to find equilibrium in his single life. The winds of his optimism, long dormant, had finally begun to pick up. Now this. As Toby tries to figure out where Rachel went, all while juggling his patients at the hospital, his never-ending parental duties, and his new app-assisted sexual popularity, his tidy narrative of the spurned

husband with the too-ambitious wife is his sole consolation. But if Toby ever wants to truly understand what happened to Rachel and what happened to his marriage, he is going to have to consider that he might not have seen things all that clearly in the first place. A searing, utterly unvarnished debut, *Fleishman Is in Trouble* is an insightful, unsettling, often hilarious exploration of a culture trying to navigate the fault lines of an institution that has proven to be worthy of our great wariness and our great hope. Worst Date Ever Aug 13 2021 "Go on a date," she said. "You'll love it," she said. She was wrong! It had been one year, two months and seventeen days since my last date. So my best friend Abby decided to sign me up for a dating app. She guaranteed that she could get me the best date of my life within one week. **Accidental Mail Order Bride** Dec 05 2020 City girl in Montana looking for her Romeo... Sounds like the start of a Hallmark movie, right? Well, it would if they had movies about idiot women flying across the country to marry a man they'd never met. Yup, that's what I did. I responded to an ad in a random newspaper that I found on the train. And now I'm trying to find Horseshoe Ranch so that I can marry some cowboy I've never even seen. And no, this isn't the 1800's.

I'm just desperate. To make matters worse, the cowboy doesn't even know I'm coming. His mom and dad arranged it all. I'm going is because I have \$100 to my name and an old mafia boyfriend after me. I figured life couldn't get any worse in Montana. I was wrong. In my excitement, I left the address and phone number for the ranch at home, so now I'm here in Montana and I have no idea where I'm supposed to go. So I took a rented a car and stopped at a local bar to ask for directions. And that's when my problems really started.

**The Dating Plan** Oct 03 2020 They Say You Never Forget Your First Kiss...But I really want to. It was with my best friend's brother, Nolan. And he's the most annoying, most aggravating, most arrogant man I've ever met. Just because he's handsome and charming he thinks all women should fall to their knees. Well, I'll tell you something. I, Julia Gilbert will certainly not be falling, again.They Say You Can't Choose Your Coworkers...But I really need to. Because

the worst thing that could happen has just happened to me. Nolan, yes the Nolan, is now my coworker. And what's worse is that he's been hired to follow me around on my dates for my new column. Because isn't that what a girl needs in her life? Her childhood crush watching her make a fool of herself on dates for her job?They Say That You Should Never Mix Work With Pleasure...But I may have just crossed that line. In the very best of ways. And besides it was only one night. Can't a girl have some fun? There's only one problem. Nolan is not part of my meticulous plan for the future. There's another man I have my eye on. Only Nolan doesn't seem to get the fact that just because he was my first kiss doesn't mean he will be my last.
