SUMMER WINDS Marty Strauss is on top of the world. He's a famous movie star with the awesome lifestyle that goes with it: exotic cars, luxurious home in the Hollywood Hills, private Learjet at his disposal, respect and admiration from millions of fans the whole world over. Best of all, he has the girl of his dreams at his side, Sara Blake, who is an equally famous star from a Hollywood family. Together, they live the kind of life that most people only ever get to dream about. And then one day out of the blue, Marty gets a phone call from his youngest sister. All at once he is reminded of his past, which he had conveniently filed away in the farthest reaches of his mind. Unpleasant memories and experiences bubble up to the surface as his sister pleads with him to come home to the family farm in Kansas. Reluctantly he agrees, in spite of the terrible news she has given him. Arriving on a stormy afternoon in the early summertime, his dread builds as she drives him to his boyhood home, where the family he has not seen in twenty years is waiting for him. But what he finds there surprises him, and leads him down a path which he had never even considered. Over the course of several weeks, he rediscovers the family which he had all but forgotten. And along his journey, he must confront the mistakes of the past, which still hold some sway over the present. In the end, the love and forgiveness offered by his family in spite of the tragic events they must learn to accept, gives Marty a whole new outlook on life. Just when we think that we have set the course for our lives and begin the odyssey, the wind changes, and steers us in a completely new and unexpected direction. Winner of a 2014 Stonewall Book Award Her sister was captured in Iraq, she's the resident laughingstock at school, and her therapist tells her to count instead of eat. Can a daring new girl in her life really change anything? Angie is broken — by her can't-be-bothered mother, by her high-school tormenters, and by being the only one who thinks her varsity-athlete-turned-war-hero sister is still alive. Hiding under a mountain of junk food hasn't kept the pain (or the shouts of "crazy mad cow!") away. Having failed to kill herself — in front of a gym full of kids — she's back at high school just trying to make it through each day. That is, until the arrival of KC Romance, the kind of girl who doesn't exist in Dryfalls, Ohio. A girl who is one hundred and ninety-

nine percent wow! A girl who never sees her as Fat Angie, and who knows too well that the package doesn't always match what's inside. With an offbeat sensibility, mean girls to rival a horror classic, and characters both outrageous and touching, this darkly comic anti-romantic romance will appeal to anyone who likes entertaining and meaningful fiction. Covers receipts and expenditures of appropriations and other funds. They leave behind no DNA, no evidence at all—and until they were recruited by the shadowy group, they were the best and deadliest operatives working for the U.S. government. When someone begins targeting retired American servicemen—CIA, navy and marines—Stony Man decides to send Black Cross a new recruit: Mack Bolan. New York Times bestselling author Janet Dailey's tradition of heartwarming romance, family drama, and rugged heroes continues in the latest novel of the New Americana series, as a woman who puts down new roots in a small Alabama town finds love unexpectedly blooming. Will appeal to readers of Robyn Carr, Debbie Macomber, and Linda Lael Miller. Kelly Jenkins heads to bucolic Blue Moon, Alabama, believing a new life will heal the two orphaned children in her care. Signing on to revive the drive-in theater seems like a worthy venture, until she discovers the property is in deep disrepair. Still, spurred on by the elderly owner's plea, Kelly takes on the renovation, beginning with an ancient tree that needs to come down—and unexpectedly bringing on the wrath of her reclusive neighbor . . . Seeing Kelly take an ax to his little girl's favorite tree is like being struck in the heart—whatever heart Seth Morgan has left after losing his daughter. With his own attempt to buy the old drive-in thwarted,

Seth reluctantly steps in to help Kelly, even offering her and her kids shelter in his home, a place that hasn't seen a woman's touch—or a child's joyful laughter—in far too long . . . Soon everyone is bound up in the fate of Blue Moon's drive-in—and the new family taking root in town. A teenage girl in foster care confronts spiritual doubt and soul-chilling terror in “a sinister and atmospheric story that will appeal to horror fans” (Booklist). When three children in a Catholic group home are brutally murdered, the survivors are hurried into separate foster homes across Long Island. Robin Hills, a fifteen-year-old who has spent the past several years under religious care, is thrust into a new, dysfunctional family with no spiritual beliefs. No longer protected by the religion and the nun she had come to love, Robin is completely alone and enveloped in fear. As the murders continue and Robin fears she may become the next victim, her faith increasingly falters. However, she finds solace in a budding friendship with Dennis, a boy her age living in her new foster home. Dennis's kindness, his acceptance of Robin, and his bravery in the face of evil—born of his passion for horror movies—combine to reassure her that she'll survive the killings. Armed with this new friendship and fueled by a rage she finally discovers within herself, Robin must find the courage and self-reliance to confront the darkest aspects of human depravity. “Andreas's debut novella, *Angel of the Underground*, will remind many horror fans of Stephen King's first published novel, *Carrie* . . . Andreas's tight and tense horror tale is a spellbinding and clever debut. He also has more on his mind than merely a straightforward thriller. His smart, sympathetic and engaging teen heroine grapples with the Catholic faith that has sustained her for so many years but now seems to have abandoned her. Proving good things come in small packages (the novel is just 165 pages), *Angel of the Underground* is a tight and thoughtful thriller, and a stellar

introduction to a fresh new voice.” —Shelf Awareness “The grit in Angel is laudable—as is Andreas’ determination to push our faces right up into some very uncomfortable domestic horrors.” —Rue Morgue Magazine Sometimes you have to forget who you were to remember who you are. For Sydney Stanton, nothing could be closer to the truth. Suffering from amnesia, Sydney finds herself alone in the middle of O’Hare Airport with no idea how she got there, where she’s headed, or even who she is. Her only clues to her identity are the ticket to Key West in her hand and the items in the backpack slung over her left shoulder. Halfway around the world, Dr. Jennifer Rekowski, Sydney’s best friend and longtime confidante, holds the key to unlocking Sydney’s memory. But Jennifer, nursing a broken heart and trapped in the middle of a civil war, remains agonizingly out of reach. Can two women united by love and divided by circumstance find each other—and themselves—before time runs out? This book is a compilation of my best online lectures between the years 2002 and 2004. They cover varied subjects in History, Politics, and Philosophy. Most of the History lectures are American History since the Civil War. Lectures in Philosophy vary from logic, to ethics, to political economy. There are also some lectures in the area of Public Administration. The greatest benefit that one can derive from reading this book lies in acquiring a deeper understanding about how the world, and especially the American society, works. The book is densely packed with content, and yet I believe, it is a fascinating and enjoyable read, if the reader is eager to understand more about the world in which he or she lives.
