Sunrise Jul 31 2020 The Yellowstone supervolcano nearly wiped out the human race. Now, almost a year after the eruption, the survivors seem determined to finish the job. Communities wage war on each other, gangs of cannibals roam the countryside, and what little government survived the eruption has collapsed completely. The ham radio has gone silent. Sickness, cold, and starvation are the survivors' constant companions. When it becomes apparent that their home is no longer safe and adults are not facing the stark realities, Alex and Darla must create a community that can survive the ongoing disaster, an almost impossible task requiring even more guts and more smarts than ever--and unthinkable sacrifice. If they fail . . . they, their loved ones, and the few remaining survivors will perish. This epic finale

has the heart of Ashfall, the action of Ashen Winter, and a depth all its own, examining questions of responsibility and bravery, civilization and society, illuminated by the story of an unshakable love that transcends a post-apocalyptic world and even life itself.

The Sunrise Nov 15 2021 From the internationally bestselling author of The Island comes a stirring novel about loyalty, love, and resilience in the face of tremendous upheaval—a saga of survival set during the 1974 Cypriot coup d'état that tells the intersecting stories of three families whose lives are

decimated when brewing ethnic tensions erupt into conflict. Summer 1972—Famagusta is Cyprus's most glamorous city and the most desirable tourist destination in the Mediterranean, and the Papacostas are right at the center of it. Aphroditi and her husband Savvas own The Sunrise, a wildly successful new luxury hotel. Frequented by only the very wealthiest of Europe's elite, The Sunrise—especially its alluring nightclub—quickly becomes the place to see and be seen. Yet beneath the veneer of tranquil opulence simmers mounting hostility between the Greeks and the Turks. Years of unrest and ethnic violence come to a head when, in 1974, Greece's coup d'état provokes a Turkish attack on beautiful Famagusta. The fallout sends the island's inhabitants spiraling into fear and chaos, and the Papacostas join an exodus of people who must abandon their idyllic lives in Famagusta and flee to refugee camps. In the end, only two families remain in the decimated city: the Özkans and the Georgious. One is Turkish Cypriot, the other Greek Cypriot and the tension between them is palpable. But with resources scarce and the Turkish militia looming large, both families must take shelter in the deserted hotel as they battle illness, hunger, fear, and their own prejudices while struggling to stay alive. Juxtaposing a powerful narrative of war against the glittering affluence of the 1970s Mediterranean coast, The Sunrise is a moving story about the measures we take to protect what we love.
