Bulleted lists, mnemonics, practical tips from leaders in the field – all providing a concise overview of important board-relevant content. Multiple-choice questions online provide opportunities for further self-assessment. Portable size makes it easy to carry with you for quick reference or review anywhere, anytime. WARNING: DO NOT READ THIS BOOK! ...For amongst its contents you will find: two extraordinary adventurers... a missing magician's diary... a symphony of spells... and a deadly secret. But wait, you already know too much! It is too late. I'm afraid nothing will stop you now. Open the book if you must. But, please, tell no one. Read Secret of Maturity to Discover— • How To Live a Mature Life • How To Own the Power of Emotional Responsibility • How To Stop Owning Garbage that Feels Bad • 12 New Tables of Information • More than Twice as Long as the Third Edition Secret of Maturity, Fourth Editon • This book describes maturity in understandable and practical terms. • If you want to know what it means to be mature, this book is for you. • If you want to know how to live a mature life, this book is for you. • If you want to grow up or know what it means, this book is for you. Education Lacking • With all our means of communication and education, how is it possible that many fundamental concepts and principles continue to remain a secret or a mystery to most people? • What kind of educational system can call itself “education” and fail to discuss and explore fundamental human qualities like maturity? • The research for this book uncovered many ways of approaching the same basic answer for the secret of maturity: maturity is responsibility. • Most of the answers to “What is maturity?” come from either psychology or philosophy. • The answers are listed or briefly described throughout the text, but you must decide what to do with all the answers. • So be responsible for how you assimilate the answers and put them into practice. Condensed Material • Quite a few of this book’s paragraphs summarize concepts expounded in entire volumes elsewhere. • Since this book is so condensed, it will be most effective after it has been read and studied many times. • Might we suggest that you first pursue those concepts that are personally relevant? • That will do you the best today because those concepts will be emotionally valuable. • Read the suggested references to those concepts, and locate other related works at the library or through Internet searches. • If you learn and apply the lessons contained in this book, results are guaranteed. Great Results • Anyone who learns to live maturely will find that they are in better health because they can handle stress better. • Anyone who learns to live maturely will find that they have a better love life because they can handle interpersonal relationships and communication better. • Anyone who learns to live maturely will find a better career or work experience because they can better handle challenges, conflicts, stressors, work politics, and work pressures. For more than 30 years, the highly regarded Secrets Series® has provided students and practitioners in all areas of health care with concise, focused, and engaging resources for quick reference and exam review. The content of all chapters has been update and revised. New questions, answers, and illustrations reflect current additions to dental materials, surgical techniques, modalities of diagnosis and infection. This classic guide to the world of cigars covers everything from their history and traditions to tips on selecting, storing and enjoying the perfect cigar. Written by Richard Carleton Hacker, one of the world's most acclaimed pipe and cigar authors, The Ultimate Cigar Book offers a highly informative and engaging exploration of virtually every facet of cigar making and smoking. A classic of cigar literature since it was first published in 1993, this fourth edition continues to set the standard for today's aficionados. Combining insider knowledge with a raconteur's wit, Hacker takes readers on a world tour of cigars. Starting with a history of cigar smoking, he then delves into the various ways cigars are made today. Hacker shares the secrets of finding the “perfect” cigar, the time-honored rituals of smoking, and the best techniques for care and storage. He also discusses a range of popular cigar accessories, and even suggests which beers, wines, whiskeys, brandies, and cognacs go with what cigars. After a colorful recap of cigar smoking celebrities, Hacker concludes with an international compendium of virtually every cigar brand known today, complete with historical profiles and observations on taste according to the author's personal—and admittedly prejudice—ratings. If that was not enough, there is even a dictionary of CigarSpeak! Concise and easy-to-use, "USMLE Step 1 Secrets "provides the most effective, high-yield review you need for achieving success on this high-stakes exam. Presented in the popular Secrets Q&A format, this bestselling USMLE review book features questions and short answers along with case scenarios to prepare you for the vignette-style USMLE exam. Zero in on key orthopedic information with a question-and-answer format, bulleted lists, mnemonics, and practical tips from the authors.
