A War of Shadows Oct 12 2021

Beyond the Shadow of War Sep 30 2020 The long awaited sequel to Diane Moody's, *Of Windmills and War*. When the war finally ended in May of 1945, Lieutenant Danny McClain

made good on his promise to come back for Anya in Holland. He expected her to put up a fight, but instead found her exhausted and utterly broken. Maybe it was unfair, asking her to marry him when she was so vulnerable. But this much he knew: he would spend a lifetime helping to make her whole again. The war had taken everything from Anya--her family, her friends, her home, her faith. She clung to the walls she'd fortified around her heart, but what future did she have apart from Danny? At least she wouldn't be alone anymore. Or so she thought. When the American troops demobilize, Danny is sent home, forced to leave Anya behind in England. There she must wait with the other 70,000 war brides for passage to America. As England picks up the pieces of war's debris in the months that follow, Anya shares a flat with three other war brides in London and rediscovers the healing bond of friendships. Once again, Danny and Anya find themselves oceans apart, their marriage confined to little more than the handwritten pages of their letters while wondering if the shadow of war will ever diminish.

Shadows Of War Oct 24 2022 A spy novel set during the 'phony war' of September 1939 -

May 1940.

The War and Its Shadow Aug 18 2019 Across the continent, Hitler's war of territorial expansion after 1938 detonated myriad "irregular wars, of culture as well as of politics, which took on a "cleansing" intransigence as those driving them sought to make "homogeneous" communities, whether ethnic, political, or religious. So much of this was prefigured with primal intensity in Spain in 1936, where, on 17-18 July, a group of army officers rebelled against the socially reforming Republic. Saved from almost certain failure by Nazi and Fascist military intervention, and by a British inaction amounting to complicity, these army rebels unleashed a conflict in which civilians became the targets of mass killing. The new military authorities authorized and presided over an extermination of those sectors associated with Republican change--especially those who symbolized cultural change and thus posed a threat to old ways of being and thinking: progressive teachers, self-educated workers, "new" women.

The Shadow of War Jul 21 2022 The *Shadow of War* is the first novel in Stewart Binns's new series which will see a book release for each

year of the First World War. June 1914. The beginning of another long, prosperous summer for Britain. But beneath the clear skies, all is not as it seem - as the chill wind of social discontent swirls around this sceptred isle. Shots ring out in a distant European land - the assassination of a foreign aristocrat. From that moment the entire world is propelled into a conflict unlike any seen before. This is the story of five British communities, their circumstances very different, but who will all share in the tragedy that is to come. All that they have known will be changed for ever by the catastrophic events of the Great War. This is a story of love and comradeship, of hatred and tragedy - this is the story of the Great War. The *Shadow of War*, the first novel in The Great War series from Stewart Binns, is a thrilling read and perfect for those who enjoy the writing of Conn Iggulden and Bernard Cornwell. Praise for Stewart Binns: 'Anyone with even a vague interest in Britain and the Great War should read *Shadow of War*' Celia Sandys, granddaughter of Winston Churchill 'A fascinating mix of fact, legend and fiction . . . this is storytelling at its best' Daily Mail 'Stewart Binns has produced a real page-turner, a truly stunning adventure story' Alastair Campbell 'Once again Stewart Binns has managed to create something unique, entertaining and eye-opening' Parmenion Books 'Unarguably heart-warming... will leave any reader with a sense of British pride' Goodreads 'Truly a book that educates while entertaining,

a talent of this best-selling author' Historical Novel Review Stewart Binns began his professional life as an academic. He then pursued several adventures, including a stint at the BBC, before settling into a career as a schoolteacher, specializing in history. Later in life a lucky break took him back to the BBC, which was the beginning of a successful career in television. He has won a BAFTA, a Grierson, an RTS and a Peabody for his documentaries. Stewart's passion is English history especially its origins and folklore. His previous *Making of England* series: *Crusade*, *Conquest*, *Anarchy* and *Lionheart*, were published to great acclaim [Out of the Shadows](#) Aug 30 2020 First published in 1977 this accessible general overview of Canada's contribution to the Second World War and of the war's effect on Canada's evolution. This revised edition incorporates new information, particularly in the realms of intelligence and cipher, allowing new interpretations of policies and operations. It also makes new judgements on Canadian generalship.

Are You My Father? Mar 25 2020 Janet Williams is traveling through life at record speeds, from sleeping in an outside shower with a stray black Labrador Retriever to running a multi-million-dollar real estate brokerage firm. She struggles to define who she is and, more importantly, who she is becoming. Her famous father, a Navy Admiral, demands family secrecy for his indiscretion and chooses a clandestine

relationship with Janet. But are the family secrets really better left in the attic? *Are You My Father?* takes us on a world adventure, from the Outer Banks of North Carolina to the Alps of Switzerland. It begs the question, are you part of the problem, or part of the solution? *Shadow of the War Machine* Aug 10 2021 Meg finally finds the answers she's been searching for in the thrilling and action-packed conclusion to the Second Order trilogy, set in steampunk Victorian London. Meg has come a long way from her days as a lowly housemaid, driven to learn the truth behind her parents' murder. She's since discovered that they were part of the Secret Order of Modern Amusementists—an underground society of inventors. Determined to reclaim her heritage, she joined the Amusementists as an apprentice, but that hasn't brought her closer to the man responsible for the loss of her family: the man in the clockwork mask. Now the man in the clockwork mask is coming for her. But Meg is tired of being hunted and she intends to become the hunter. The truth about her family is out there, and she will find it. With Will, the boy who holds her heart, Meg embarks on an adventure that takes them far from the cold London winter and into the heart of France. But the City of Light is filled with dark shadows. There's a plot afoot that could turn the tides of a terrible war, and cost the lives of millions—that is, if it doesn't take the lives of everyone Meg holds dear, including her own. *War of Shadows* May 27 2020 The newest novel

in Gail Z. Martin's breathtaking Ascendant Kingdoms saga -- a tale of unpredictable magic, battling warlords, and the lust for vengeance. Amidst the shadows, chaos reigns. Blaine "Mick" McFadden managed to partially restore Donderath's magic, but not without a cost. He and the magic are now bound together, and the power remains dangerous and erratic -- draining the life from him with every use. New threats are rising from the wreckage of the battered kingdoms, and warlords both mortal and undead vie for control. Now, Blaine and his unlikely band of convict heroes must find allies amidst a sea of enemies, and discover a way to rebind magic to the will of mortals before it destroys him. And time is running out...

[The Balkans in the New Millennium](#) Sep 18 2019 Can the Balkans ever become a peaceful peninsula like that of Scandinavia? With enlightened backing, can it ever make common cause with the rest of Europe rather than being an arena of periodic conflicts, political misrule, and economic misery? In the last years of the twentieth century, Western states watched with alarm as a wave of conflicts swept over much of the Balkans. Ethno-nationalist disputes, often stoked by unprincipled leaders, plunged Yugoslavia into bloody warfare. Romania, Bulgaria and Albania struggled to find stability as they reeled from the collapse of the communist social system and even Greece became embroiled in the Yugoslav tragedy. This new book examines the politics and international relations of the Balkans during a

decade of mounting external involvement in its affairs. Tom Gallagher asks what evidence there is that key lessons have been learned and applied as trans-Atlantic engagement with Balkan problems enters its second decade. This book identifies new problems: organized crime, demographic crises of different kinds, and the collapse of a strong employment base. This is an excellent contribution to our understanding of the area.

Shadows of War Apr 18 2022 Silence lies between forgetting and remembering. This book explores how different societies have constructed silences to enable men and women to survive and make sense of the catastrophic consequences of armed conflict. Using a range of disciplinary approaches, it examines the silences that have followed violence in twentieth-century Europe, the Middle East, and Africa. These essays show that silence is a powerful language of remembrance and commemoration and a cultural practice with its own rules. This broad-ranging book discloses the universality of silence in the ways we think about war through examples ranging from the Spanish Civil War and the Israeli-Palestinian conflict to the Armenian Genocide and South Africa's Truth and Reconciliation Commission. Bringing together scholarship on varied practices in different cultures, this book breaks new ground in the vast literature on memory, and opens up new avenues of reflection and research on the lingering aftermath of war.

The Shadow War Jul 29 2020 Inglourious

Basterds meets Stranger Things in this dark and thrilling tale of power, shadow, and revenge set during World War II. World War II is raging, and five teens are looking to make a mark. Daniel and Rebeka seek revenge against the Nazis who slaughtered their family; Simone is determined to fight back against the oppressors who ruined her life and corrupted her girlfriend; Phillip aims to prove that he's better than his worst mistakes; and Liam is searching for a way to control the portal to the shadow world he's uncovered, and the monsters that live within it--before the Nazi regime can do the same. When the five meet, and begrudgingly team up, in the forests of Germany, none of them knows what their future might hold. As they race against time, war, and enemies from both this world and another, Liam, Daniel, Rebeka, Phillip, and Simone know that all they can count on is their own determination and will to survive. With their world turned upside down, and the shadow realm looming ominously large--and threateningly close--the course of history and the very fate of humanity rest in their hands. Still, the most important question remains: Will they be able to save it? Praise for *The Shadow War*: "Nonstop action, consistent worldbuilding, and a large cast of sympathetic characters, all of them marginalized in some way, create an engaging story." --Kirkus Reviews "An action-packed historical novel with a science fiction twist, Smith has crafted a novel where Stranger Things meets Nazi hunting. A solid purchase for

YA shelves and any reader who wants to fight Nazis." --School Library Journal
The Shadows of Total War Jun 27 2020 The period between the two world wars of the twentieth century was one of the most challenging in the history of war. In anticipation of another conflict, military planners and civilian thinkers struggled after 1918 with the painful implications of World War I. Given its scope, the wholesale mobilisation of civilian populations and the targets of civilians via blockades and strategic bombing, many observers regarded this titanic conflict as a 'total war'. They also concluded that any future conflict would bear the same hallmarks; and they planned accordingly. The essays in this collection, the fourth in a series on the problem of total war, examine the inter-war period. They explore the consequences of World War I, the intellectual efforts to analyse this conflict's military significance, the attempts to plan for another general war and several episodes in the 1930s that portended the war that erupted in 1939.

The Long Shadow Mar 05 2021 In Britain we have lost touch with the Great War. Our overriding sense now is of a meaningless, futile bloodbath in the mud of Flanders -- of young men whose lives were cut off in their prime for no evident purpose. But by reducing the conflict to personal tragedies, however moving, we have lost the big picture: the history has been distilled into poetry. In *The Long Shadow*, critically acclaimed author David Reynolds seeks to redress the balance by exploring the true impact of 1914-18 on the 20th century. Some of the Great War's legacies were negative and pernicious but others proved transformative in a positive sense. Exploring big themes such as democracy and empire, nationalism and capitalism and re-examining the differing impacts of the War on Britain,

Ireland and the United States, *The Long Shadow* throws light on the whole of the last century and demonstrates that 1914-18 is a conflict that Britain, more than any other nation, is still struggling to comprehend. Stunningly broad in its historical perspective, *The Long Shadow* is a magisterial and seismic re-presentation of the Great War.
War of Shadows Aug 22 2022 'War of Shadows' is the haunting story of a failed uprising in the Peruvian Amazon - told largely by people who were there. Anthropologists Brown and Fernández write about an Amazonian people whose contacts with outsiders have repeatedly begun in hope and ended in tragedy.

Shadows of War Apr 06 2021 A moving work of fiction about one soldier's struggle to come to terms with devastating injuries and news of impending fatherhood, while battling the most deadly enemy: Post Traumatic Stress Disorder.
In the Shadow of the Cold War Sep 11 2021 This book offers a bold re-interpretation of the

prevailing narrative that US foreign policy after the Cold War was a failure. In chapters that retell and re-argue the key episodes of the post-Cold War years, Lynch argues that the Cold War cast a shadow on the presidents that came after it and that success came more from adapting to that shadow than in attempts to escape it. When strategic lessons of the Cold War were applied, presidents fared better; when they were forgotten, they fared worse. This book tells the story not of a revolution in American foreign policy but of its essentially continuous character from one era to the next. While there were many setbacks between the fall of Soviet communism and the opening years of the Trump administration, from Rwanda to 9/11 and Iraq to Syria, Lynch demonstrates that the US remained the world's dominant power. *Beyond Retribution* Jan 23 2020 Today's wars leave a crippling legacy of deprivation and suffering, of physical and structural injustice, long after they submit to peaceful resolution. Survivors of war must find ways to live with the stultifying injustices littering their past and haunting their present - acts of discrimination and violence committed before, during and even after conflict. Confronting the vexed challenge of re-marrying peace with justice out of the morass of war's injustices is the complex but imperative task facing post-conflict societies and the international community today. Using current examples from conflicts around the world, ranging from Africa and Asia to Latin America and Eastern Europe, it argues

for a holistic and integrated approach to justice after conflict. It proposes that we must address all three dimensions of injustice embedded in conflict - symptom, consequence and cause, and that subsequently we must rebuild all three dimensions of justice - legal, rectificatory and distributive, in the aftermath. This timely book explores the difficulties and dilemmas confronted on the ground in restoring these, and concludes with pragmatic recommendations for dealing with such challenges of rebuilding peace with justice after contemporary conflicts. This well-argued book will prove a valuable resource for students and professionals in the fields of peacebuilding, justice theory, international relations and politics.

War Shadows Nov 25 2022 John Dempsey, former Navy SEAL and Tier One operator, is back. Only a few months into his new life as an operative for Ember, the United States' most covert counterterrorism entity, he must stop an old nemesis who's resurfaced after ten years of operating in the shadows. From the deserts of Iraq, through the jungles of Guatemala, to the streets of suburbia, Dempsey and his Ember team race against time to stop a series of horrific and devious attacks against the homeland. In this second installment of the Tier One series, John Dempsey faces his greatest challenge as he continues to evolve from a decorated Navy SEAL into the country's most lethal protector.

War Master's Gate Jun 08 2021 War Master's Gate is the ninth book in the critically acclaimed epic fantasy series Shadows of the Apt by Adrian Tchaikovsky. A city makes its last stand . . . The Empire's mighty imperial armies are marching on Collegium once more. They've learnt from past failures and this time their Empress will brook no weakness. Stenwold Maker's aviators still dominate the skies, but their rule will soon be over. For the Empire has developed a terrifying aerial weapon to level the battlefield. Yet victory may be decided elsewhere. In an ancient forest, where Mantis clans pursue their own civil war, Empress Seda is seeking a lost power from the old world. Cheerwell Maker knows she must stop her rival at any cost, but their conflict could awaken something far deadlier. Something that would make even their clash of nations pale into insignificance. War Master's Gate is followed by the tenth and final book in the Shadows of the

Apt series, Seal of the Worm.

Shadows of War Dec 26 2022 Annotation This book captures the human face of the frontlines, revealing both the visible and the hidden realities of contemporary war, power, and international profiteering in the 21st century.

A Shadow of War Feb 16 2022 This book presents archaeological research from places of war, violence, protest and oppression of the 20th and the 21st century; sites where the material relics give a deep insight to fateful events - a shadow of war. Alongside renewed interest in National Socialism and the Holocaust, archaeological interest started in former concentration camps of the Nazi dictatorship. The focus was on the central places of the camps, such as the gas chambers, the crematoria, or execution sites, as well as prisoners' barracks and the parade ground. In many cases, these sites revealed forgotten and vanished structures, where archaeological excavations can offer the possibility for commemorating the victims. The research has since widened and includes other sites of Nazi dictatorship and the Second World War, as well as the First World War, the Cold War and locations of civil wars and civilian protest against state authorities and against companies and corporations in many parts of the world. In order to come to a comprehensive understanding contemporary archaeology must take a global perspective. Archaeological finds often shed light on daily life, revealing survival conditions in the internment camps; the lives of

people and their fighting and dying on battlefields and in trenches. Likewise, the relics of politically active people in protest camps give an impression of their commitment in civilian protest. Sometimes material remains can help to tell an alternative or balancing narrative to the state's official recorded history. The enormous volume and diverse range of material culture presents challenges and opportunities. Through careful archaeological investigation, we can present different and new perspectives that are not recorded clearly in existing written, pictorial or oral archives. The merging and examination of all sources together is what enables us to understand the complexity of the history. This book will also present future directions in contemporary archaeology that will help bring the study focus beyond sites and assemblages of war and protest.

The Long Shadow of the Civil War Dec 02 2020 The Long Shadow of the Civil War relates uncommon narratives about common Southern folks who fought not with the Confederacy, but against it. Focusing on regions in three Southern states--North Carolina, Mississippi, and Texas--Victoria E. Bynum introduces Unionist supporters, guerrilla soldiers, defiant women, socialists, populists, free blacks, and large interracial kin groups that belie stereotypes of Southerners as uniformly supportive of the Confederate cause. Centered on the concepts of place, family, and community, Bynum's insightful and carefully

documented work effectively counters the idea of a unified South caught in the grip of the Lost Cause.

The Air War Jan 15 2022 The Air War is the eighth book in the critically acclaimed epic fantasy series *Shadows of the Apt* by Adrian Tchaikovsky. An empress demands her birthright . . . All is in turmoil as the world moves towards war. In Solarno, spies eye one another and ready their knives - while the people of Myna watch troops gather at its borders. Emotions run high as old fears reawaken. And in Collegium students argue politics, too late to turn the tide. At the heart of the Empire, new pilots complete their secretive training, generals are recalled to service and armies are readied to march. Their Empress, heir to two worlds, intends to claim her birthright. For nothing - either within the Empire or beyond it - will stand in her way. The Air War is followed by the ninth book in the *Shadows of the Apt* series, *War Master's Gate*.
War in the Shadows Nov 13 2021 In 1962 the young Patrick Marnham set off by car for a small village in central France. There he was taught French by an imperious countess, who he later discovered had fought in the Resistance until, betrayed, she was sent to Ravensbrück concentration camp. On the very same day that his hostess's network was broken, Jean Moulin, de Gaulle's delegate as head of the combined Resistance forces, was arrested in Lyons, where he was tortured by Klaus Barbie before dying in Gestapo custody.

Was this coincidence, or were these events connected? The anonymous letter writer suggested a key to the mystery. Using a knowledge of France gained from 12 years as the Independent's Paris correspondent, and subsequent research in archives in England and France, Marnham set out to discover the truth about the betrayal of the old lady who had become his tutor and friend. Following a trail leading from London through Occupied Europe to the rank and file Resistance in lost corners of France, he has unravelled the story of a complex wartime deception, involving British, American and French intelligence services. The War in the Shadows shines a light on the brutality and cynicism of the Secret War and reveals how it was actually fought. The result is a story of ruthless double-dealing worthy of John le Carré, but with this difference: it is not a fiction.

Shadow Moon Jun 20 2022 From two of the greatest imaginations of our time comes a magnificent novel of adventure and magic...SHADOW MOON: First in the Chronicles of the Shadow War. The genius of Star Wars(r) creator George Lucas and the vision of Chris Claremont, the author of the phenomenally bestselling The Uncanny X-Men adventures, merge in what must be the fantasy event of the year. In Shadow Moon, war and chaos have gripped the land of Tir Asleen. An ancient prophecy reveals one hope: a savior princess who will ascend to the throne when the time is right. But first, a Nelwyn wanderer

must face forces of unimaginable malevolence and dangerous, forbidden rites of necromancy that could bring back a powerful warrior from soulless sleep. George Lucas reshaped filmmaking in the '70s and '80s with his Star Wars and Indiana Jones films. When Bantam Books asked Lucas if he had any stories he would like to develop as novels rather than as films, Lucas turned to his 1988 fantasy film, Willow. "When I wrote the story for Willow, I began with the pre-story," Lucas said, "but the full story was yet to be told." Now, Lucas's vision is being fulfilled with the talented help of Chris Claremont. Having previously taken the reins of what was for a decade the bestselling comic in the western hemisphere (The Uncanny X-Men) Claremont assumes the responsibility of foster parent to Lucas's creation. On sale in hardcover now, and available on BDD Audio Cassette as well, SHADOW MOON is a momentous new adventure for readers looking to spend part of this summer in a fantastic world. SHADOW MOON is one of Bantam Spectra's most exciting publishing events in 1995, the year we celebrate our 10th Anniversary as the premiere publishing imprint of books of speculative fiction.

The Shadow War Mar 17 2022 Are we losing a war few of us realize we're fighting? Jim Sciutto, CNN's Chief National Security Correspondent, reveals the invisible fronts that make up 21st century warfare, from disinformation campaigns to advanced satellite weapons. Poisoned dissidents. Election interference. Armed invasions. International treaties thrown into chaos. Secret military buildups. Hackers and viruses. Weapons deployed in space. China and Russia (and Iran and North Korea) spark news stories by carrying out bold acts of aggression and violating international laws and norms. Isn't this just bad actors acting badly? That kind of thinking is outdated and dangerous. Emboldened by their successes, these countries are, in fact, waging a brazen, global war on the US and the West. This is a new Cold War, which will not be won by those who fail to realize they are fighting it. The enemies of the West understand that while they are unlikely to win a shooting war, they have another path to victory.

And what we see as our greatest strengths—open societies, military innovation, dominance of technology on Earth and in space, longstanding leadership in global institutions—these countries are undermining or turning into weaknesses. In *The Shadow War*, CNN anchor and chief national security correspondent Jim Sciutto provides us with a revealing and at times disturbing guide to this new international conflict. This *Shadow War* is already the greatest threat to America's national security, even though most Americans know little or nothing about it. With on-the-ground reporting from Ukraine to the South China Sea, from a sub under the Arctic to unprecedented access to America's Space Command, Sciutto draws on his deep knowledge, high-level contacts, and personal experience as a journalist and diplomat to paint the most comprehensive and vivid picture of a nation targeted by a new and disturbing brand of warfare. Thankfully, America is adapting and fighting back. In *The Shadow War*, Sciutto introduces readers to the dizzying array of soldiers, sailors, submariners and their commanders, space engineers, computer scientists, civilians, and senior intelligence officials who are on the front lines of this new kind of forever war. Intensive and disturbing, this invaluable and important work opens our eyes and makes clear that the war of the future is already here.

War of Shadows Sep 23 2022 In this World War II military history, Rommel's army is a day from Cairo, a week from Tel Aviv, and the SS is ready for action. Espionage brought the Nazis this far, but espionage can stop them--if Washington wakes up to the danger. As World War II raged in North Africa, General Erwin Rommel was guided by an uncanny sense of his enemies' plans and weaknesses. In the summer of 1942, he led his Axis army swiftly and terrifyingly toward Alexandria, with the goal of overrunning the entire Middle East. Each step was informed by detailed updates on British positions. The Nazis, somehow, had a source for the Allies' greatest secrets. Yet the Axis powers were not the only ones with intelligence. Brilliant Allied cryptographers worked relentlessly at Bletchley Park, breaking down the extraordinarily complex Nazi code Enigma. From decoded German messages, they discovered that the enemy had a wealth of inside information. On the brink of disaster, a fevered and high-stakes search for the source began. *War of Shadows* is the cinematic story of the race for information in the North African theater of World War II, set against intrigues that spanned the Middle East. Years in the making, this book is a feat of historical research and storytelling, and a rethinking of the popular narrative of the war. It portrays the conflict not as an inevitable clash of heroes and villains but a spiraling series of failures, accidents, and desperate triumphs that decided the fate of the

Middle East and quite possibly the outcome of the war.

The Shadow King Nov 20 2019

SHORTLISTED FOR THE BOOKER PRIZE 2020
A BOOK OF THE YEAR IN THE NEW YORK TIMES, GUARDIAN, ELLE, TIME, SPECTATOR
'DEVASTATING' Marlon James, 'BRILLIANT' Salman Rushdie, 'MAGNIFICENT' Aminatta Forna, 'WONDERFUL' Laila Lalami, 'UNFORGETTABLE' The Times, 'REMARKABLE' New York Times Ethiopia, 1935. With the threat of Mussolini's army looming, recently orphaned Hirut struggles to adapt to her new life as a maid. Her new employer, Kidane, an officer in Emperor Haile Selassie's army, rushes to mobilise his strongest men before the Italians invade. Hirut and the other women long to do more than care for the wounded and bury the dead. When Emperor Haile Selassie goes into exile and Ethiopia quickly loses hope, it is Hirut who offers a plan to maintain morale. She helps disguise a gentle peasant as the emperor and soon becomes his guard, inspiring other women to take up arms. But how could she have predicted her own personal war, still to come, as a prisoner of one of Italy's most vicious officers? *The Shadow King* is a gorgeously crafted and unputdownable exploration of female power, and what it means to be a woman at war.

Tier One May 19 2022 In a world violated by terror, the old lines have blurred. Meet the next generation of covert ops. John Dempsey's life--

as an elite Tier One Navy SEAL named Jack Kemper--is over. A devastating terrorist action catapults him from a world of moral certainty and decisive orders into the shadowy realm of espionage, where ambiguity is the only rule. His new mission: hunt down those responsible for the greatest tragedy in the history of the US Special Ops and bring them to justice. But how does a man torn between duty and revenge walk the line and preserve his soul? As Dempsey struggles with the games of spies, the case propels him across the globe in a desperate effort to prevent a new, horrifying attack on American soil. Once, John Dempsey followed orders blindly. Now he sees behind the curtain, and the security of the civilized world rests on one question: Can a Tier One Navy SEAL adapt and become the world's most lethal spy?

Shadow Cold War May 07 2021 The conflict between the United States and the Soviet Union during the Cold War has long been understood in a global context, but Jeremy Friedman's Shadow Cold War delves deeper into the era to examine the competition between the Soviet Union and the People's Republic of China for the leadership of the world revolution. When a world of newly independent states emerged from

decolonization desperately poor and politically disorganized, Moscow and Beijing turned their focus to attracting these new entities, setting the stage for Sino-Soviet competition. Based on archival research from ten countries, including new materials from Russia and China, many no longer accessible to researchers, this book examines how China sought to mobilize Asia, Africa, and Latin America to seize the revolutionary mantle from the Soviet Union. The Soviet Union adapted to win it back, transforming the nature of socialist revolution in the process. This groundbreaking book is the first to explore the significance of this second Cold War that China and the Soviet Union fought in the shadow of the capitalist-communist clash.
