A mother's womb has become the most dangerous place in the world. Innocent life is not to be relegated to the trash cans of the world. In this musical, God wants to bring humanity back into the embrace of his divine love, a humanity that has boldly stepped onto the pathway of its annihilation, through the catalysts of abortion and homosexuality. Truth has the ability to change hearts and minds, and God is truth. A beautiful, unique life is to be cherished and cared for because it is the most precious of gifts from the creative heart of God. What if Mary had aborted Jesus, the Son of God? In this play, she does and is punished by God with a life that never ends. After Jesus is aborted and has resumed his heavenly state, he is torn between the love that he has for his mother and his Father, who seeks to have his mother tried in a court of law for the murder of his Son, and thus the Church of God. This play sets the stage for the unthinkable and unravels the answers to the controversial questions surrounding a woman's decision to abort her miracle, a gift from the love and very heart of God. Miracles in the Trash portrays abortion from God's perspective, and his boundless love for each individual life he has created, revealing that life begins in the heart and mind of God, and that he knows who we are before we are even conceived. Biblical references support that fact. If we believe that God is all-knowing, then it leads to only one conclusion, that he knew who we were before our mother even met our father. Volume II HaDavar, D'var ????, or "The Word of Yah," is a new

translation of the scriptures. The source text for the Tanak, or “Old Testament,” is the Masoretic Hebrew. The source text for the Brit Khadashah is the Aramaic Peshitta texts of the New Testament. This four-volume set contains the Hebrew version of the Tanak from the Masoretic text, and a new English translation of those texts, with transliterations for Hebrew terms in an English-friendly tone. The author’s purpose is to give a more accurate, Hebrew/Jewish rendering of the texts, without giving up the beauty of Scripture for the English reader. Volume 4, The Brit Khadashah, is coming soon. Volume 54 Sermons 3073-3124

Charles Spurgeon (19 June 1834 - 31 January 1892) is one of the church’s most famous preachers and Christianity’s foremost prolific writers. Called the “Prince of Preachers,” he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London: Volume 6* (1878) quoting an article from the Times regarding one of Spurgeon’s meetings at Surrey: “Fancy a congregation consisting of 10,000 souls, streaming into the hall,

mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity." More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to publish the complete works of Charles Spurgeon. Across four sections it explores the relevance and responsibility of art to the real world ? to the significant teaching and learning, performance and practice, theory and economies that not only expand the discussion of literature and theatre, but also open the gates of engagement between the life of the mind and lived experience. The collection draws from noted scholars, writers and practitioners from around

the globe to assert the power of art to question, disrupt and re-invigorate both the ties that bind and the barriers that divide us. A series of interviews with theatre practitioners and scholars opens the volume, establishing an initial portfolio of areas for research, exploration, and change. In Section 2 'The Practice of Shakespeare and Social Justice' contributors examine Shakespeare's place and possibilities in intervening on issues of race, class, gender and sexuality. Section 3 'The Performance of Shakespeare and Social Justice' traces Shakespeare and social justice in multiple global contexts; engaging productions grounded in the politics of Mexico, India, South Africa, China and aspects of Asian politics broadly, this section illuminates the burgeoning field of global production while keeping as a priority the political structures that make advocacy and resistance possible. The last section on 'Economies of Shakespeare' describes socio-economic and community issues that come to light in Shakespeare, and their potential to catalyse ongoing discussion and change in respect to wealth, distribution, equity, and humanity. An annotated bibliography provides further guidance to those researching the subject. (Double-column pages; foreword by John R.
