**From Bible teacher John MacArthur, a revelatory exploration of what the apostle Paul actually taught about the Good News of Jesus. The apostle Paul penned a number of very concise, focused passages in his letters to the early church that summarize the gospel message in just a few well-chosen words. Each of these key texts has a unique emphasis highlighting some essential aspect of the Good News of Jesus Christ. The chapters in this revelatory new book closely examine those vital gospel texts, one verse at a time. John MacArthur, host of the popular media ministry Grace to You, tackles such questions as: What is the gospel? What are the essential elements of the message? How can we be certain we have it right? And how should Christians be proclaiming the Good News to the world? As always, the answers John MacArthur gives are clear, compelling, well-reasoned, easy to grasp, and above all, thoroughly biblical. The Gospel According to Paul is written in a style that is easily accessible to lay people, including those who know very little about the Bible, while being of great value to seasoned pastors and experienced ministers. The Gospel According to Paul is the third in a series of books on the gospel by John MacArthur including - The Gospel According to Jesus and The Gospel According to the Apostles. The Gospel According to Paul is also available in Spanish, Evangelio según Pablo. closely examine those vital gospel texts, one verse at a time. John MacArthur, host of the popular media ministry Grace to You, tackles such questions as: What is the gospel? What are the essential elements of the message? How can we be certain we have it right? And how should Christians be proclaiming the Good News to the world? As always, the answers John MacArthur gives are clear, compelling, well-reasoned, easy to grasp, and above all, thoroughly biblical. The Gospel According to Paul is written in a style that is easily accessible to lay people, including those who know very little about the Bible, while being of great value to seasoned pastors and experienced ministers. The Gospel According to Paul is the third in a series of books on the gospel by John MacArthur including – The Gospel According to Jesus and The Gospel According to the Apostles. The Gospel According to Paul is also available in Spanish, Evangelio según Pablo. This commentary seeks above all to explain the text of John's Gospel to those whose privilege and responsibility it is to minister the Word of God to others, to preach and to lead Bible studies. I have tried to include the kind of information they need to know, but to do so in such a way that the informed layperson could also use the work in personal study of the Bible, exclusively for purposes of personal growth in edification and understanding. In particular, I have attempted: (1) To make clear the flow of the text. (2) To engage a small but representative part of the massive secondary literature on John. (3) To draw a few lines towards establishing how the Fourth Gospel contributes to biblical and systematic theology. (4) To offer a consistent exposition of John's Gospel as an evangelistic Gospel. - Preface. To many people the law stands in opposition to the gospel. While it may be possible to read Paul's epistles this way, the book of Deuteronomy will not allow this reading. Like the book of Romans in the New Testament, Deuteronomy provides the most systematic and sustained presentation of theology in the Old Testament. And like the Gospel of John, it represents mature theological reflection on God's great acts of salvation, in this case associated with the exodus of Israel from Egypt. The gospel according to Moses begins and ends with the gracious work of God for undeserving subjects. In a book that consists largely of Moses' farewell sermons to his congregation, Israel's first pastor seeks to inspire his congregation to a life of faith and godliness in response to God's great mercy. Unfortunately, for many Christians, Deuteronomy is a dead book, because we have lost sight of the gospel. The essays in this collection arise from a larger project driven by a passion to recover for Christians the life-giving message of the Old Testament in general and the gospel according to Moses in particular. The "meditations" in this volume cover a wide range of topics, from explorations into the origins of Deuteronomy to considerations of the ethical and homiletical relevance of the book for Christians today. Not every lie sounds untrue. Some lies are repeated so often they seem to be common sense. That's why lies about God are so dangerous. The Gospel According to Satan examines eight lies the enemy wants us to believe and provides eight lines of counterattack against them. The lies include: God just wants you to be happy; you only live once you need to live your truth; and just let go and let God. Jared C. Wilson reveals why these lies appeal to us, shows how they harm us, and provides ways to counteract them. We can renounce Satan's counterfeit gospel, but first we must see it for what it is. "Enumerates the

major ways the Devil uses his cunning and calculating ways of luring us off the narrow road of God's grace. We will all do well to read this book and confront the lies we are being sold."--Kyle Idleman, senior pastor of Southeast Christian Church and author of *Not a Fan and Don't Give Up* "A unique, compelling, and even witty look at the devil's current greatest hits--lies we urgently need to unmask." --Sam Allberry, speaker for Ravi Zacharias International Ministries and author of *7 Myths About Singleness and Why Does God Care Who I Sleep With?* "One of the most thought-provoking writers in the Christian world today... He doesn't just describe the tantalizing falsehoods of our age, he exposes how they've slithered into our hearts."--Matt Smethurst, managing editor at The Gospel Coalition and author of *Before You Open Your Bible Acts* is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James *The Gospel According to Mark: Meaning and Message* offer a unique combination of solid scholarship and practical usefulness to all who wish to understand the Gospels more fully. At the heart of the book is a verse-by-verse exposition of the New American Bible text of Mark's Gospel. Interspersed throughout the text are dozens of short essays giving the social, political, economic, and religious background of the Gospel. Also included are questions for reflection that point to ways the reader might apply the text. The birth of Jesus has been well chronicled, as have his glorious teachings, acts, and divine sacrifice after his thirtieth birthday. But no one knows about the early life of the Son of God, the missing years - except Biff, the Messiah's best bud, who has been resurrected to tell the story in this divinely hilarious, yet heartfelt work 'reminiscent of Vonnegut and Douglas Adams' (Philadelphia Inquirer). Verily, the story Biff has to tell is a miraculous one, filled with remarkable journeys, magic, healings, kung fu, corpse reanimations, demons, and hot babes, Even the considerable wiles and devotion of the Saviour's pal may not be enough to divert Joshua from his tragic destiny. But there's no one who loves Josh more - except maybe 'Maggie,' Mary of Magdala - and Biff isn't about to let his extraordinary pal suffer and ascend without a fight. Ecclesiastes shows a frank, unafraid familiarity with transparency, beauty, and ugliness. Esau's study helps us address these topics boldly ourselves and grounds them in the person and work of Jesus. In this useful work, C. Kingsley Barrett offers an insightful commentary on the book of John. Barrett seeks to view John in light of a variety of contexts, including that in which it was written, and its implications for modern-day readers. The book includes detailed notes and commentary on each chapter of John's Gospel. The spiritual journey of the Beatles from fun-loving agnostics to drug-inspired mystics. "The very name of 'Judas' raises among Christians an instinctive reaction of criticism and condemnation...The betrayal of Judas remains...a mystery." --Pope Benedict XVI, October 2006 *The Gospel According to Judas*, by Benjamin Iscariot sheds new light on the the mystery of Judas—including his motives for the betrayal and what happened to him after the crucifixion—by retelling the story of Jesus through the eyes of Judas, using the canonical texts as its basic point of reference. Ostensibly written by Judas's son, Benjamin, and following the narrative style of the

Gospels, this re-creation is provocative, compelling, and controversial. The Gospel According to Judas, by Benjamin Isaac is the result of an intense collaboration between a storyteller and a scholar: Jeffrey Archer and Francis J. Moloney. Their brilliant work—bold and simple—is a compelling story for twenty-first-century readers, while maintaining an authenticity that would be credible to a first-century Christian or Jew. Norman Mailer fused fact and fiction to create indelible portraits of such figures as Marilyn Monroe, Gary Gilmore, and Lee Harvey Oswald. In *The Gospel According to the Son*, Mailer reimagines, as no other modern author has, the key character of Western history. Here is Jesus Christ's story in his own words: the discovery of his divinity and the painful, powerful journey to accepting and expressing it, "as if I were a man enclosing another man within." In its brevity and piercing simplicity, it may be Mailer's most accessible, direct, and heartfelt work. Praise for *The Gospel According to the Son* "Quietly penetrating . . . [Norman Mailer's] gospel is written in a direct, rather relaxed English that yet has an eerie, neo-Biblical dignity."—John Updike, *The New Yorker* "A book of considerable intellectual force . . . The writer's powerful mind works in a specialized way, not by theological argumentation but by telling or retelling a story."—*The New York Review of Books* "Challenges readers on the religious right and the atheist left with equally rich interpretive tasks."—*The Dallas Morning News* "An informed and believable work of fiction . . . of what may have been going through the mind of Jesus during his epic ministry."—*San Francisco Chronicle* Praise for Norman Mailer "[Norman Mailer] loomed over American letters longer and larger than any other writer of his generation."—*The New York Times* "A writer of the greatest and most reckless talent."—*The New Yorker* "Mailer is indispensable, an American treasure."—*The Washington Post* "A devastatingly alive and original creative mind."—*Life* "Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance."—*The New York Review of Books* "The largest mind and imagination [in modern] American literature . . . Unlike just about every American writer since Henry James, Mailer has managed to grow and become richer in wisdom with each new book."—*Chicago Tribune* "Mailer is a master of his craft. His language carries you through the story like a leaf on a stream."—*The Cincinnati Post* "Matthew Sleeth is a significant convert in the growing company of Christians who bring intelligence, passion, a biblically trained imagination, and mature Christian witness to the care of creation."—Eugene Peterson, Author of *Living the Message* "Matthew Sleeth is a breath of fresh air. In *The Gospel According to the Earth*, he retells the Bible's most familiar stories in ways that will stimulate your imagination, soften your heart, and challenge you to think more deeply about caring for creation." Jonathan Merritt, author of *Green Like God From Dr. Matthew Sleeth*, the leading Christian voice for the green movement, comes a dynamic and surprising primer on all the Bible teaches on caring for the earth— and an ideal companion volume to *The Green Bible*. While Charlie Brown, Snoopy, Lucy, Linus, and the rest of the Peanuts gang have enjoyed the kind of success most cartoon characters can only dream about—becoming pop culture icons of the highest order and entering the global consciousness practically as family members—Robert Short's *The Gospel According to Peanuts* also has found a place in the hearts of many readers, with sales now totaling more

than ten million copies. This anniversary edition features a new cover, a new interior design, and a new foreword by Martin E. Marty. Whether coming to the book for the first time or taking a second look, a delightful experience awaits in this modern-day guide to the Christian faith, fully illustrated with Peanuts. What is authentic faith? *The Gospel According to Jesus* challenges Christians to re-evaluate their commitment to Christ by examining their fruits. MacArthur asks, "What does it really mean to be saved?" He urges readers to understand that their conversion was more than a mere point in time, that, by definition, it includes a lifetime of obedience. John MacArthur tackles the error of "easy-believism" by addressing these questions: Is it possible to accept Jesus as Savior while refusing him as Lord? Can someone truly believe without actually repenting? How do obedience, commitment to Christ, and turning from sin fit together with the truth that we are saved by grace through faith alone? *The Gospel According to Jesus* is just as powerful today as it was more than two decades ago. It is a Scripture-based clarion call for a rejection of the watered-down message that has gained popularity in the church and a return to the gospel Jesus preached. This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic, reinforcing the book's timeless message—that Jesus demands to be both Savior and Lord to all who believe. This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ. Explores specific commonalities and differences between the Christian and Jewish faiths, recounting how the author was able to deepen his relationship with God as a Christian by attending Jewish Bible study. Original. A critique of John MacArthur's *The Gospel According to Jesus*. Wilkin shows that MacArthur actually teaches salvation by works. He goes through all the verses that MacArthur appeals to, and shows that eternal life is a free gift, given by faith in Jesus apart from our works. Wilkin also explains the proper roles that Christian growth, obedience, and rewards, have in life of faith. No description available The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. In this entertaining and enlightening book, religion reporter Pinsky shows how "The Simpsons" engages issues of religion and morality in a thoughtful, provocative, and genuinely respectful way. (Practical Life) Pastor MacArthur walks readers through the prophecy of the suffering servant in Isaiah 53 verse by verse, pointing readers to the passage's fulfillment in the person and work of Jesus Christ. Often we read the book of Daniel in one of two ways--either as a book about a heroic man whose righteousness should inspire us to keep the faith no matter what our circumstances, or as a roadmap to the end times that can, through careful study, perhaps tell us the day and hour (or nearly so) of Christ's return. Both, says Bryan Chapell, are sadly missing the bigger picture, that God is the hero of this story and he is in

the midst of his unrelenting plan to rescue his people from their sin and its consequences. We mustn't simply make the man Daniel the object of our worship nor the subject of our debates. We may differ about prophetic details, Chapell says, but we should never miss the point that the book of Daniel is, like all of Old Testament Scripture, pointing us toward the grace of God, ultimately revealed in Christ. Pastors, teachers, and individual Christians studying the book of Daniel will find this volume a welcome addition to their library. And 1970s, and the dark and violent creatures who embody the pre- and post-millennial crises of faith. Lavishly illustrated, the articles come to startling conclusions about what we have really been reading under the covers with flashlights for generations. Annotation ©2004 Book News, Inc., Portland, OR (booknews.com). "Complete biblical texts with sound, scholarly based commentary that is written at a pastoral level; the Scripture translation is that of the New American Bible with Revised New Testament and Revised Psalms (1991)"--Provided by publisher. This interesting work from the late 19th century is an analysis of Darwinism as it relates to the influence of religion within human development. Do women and men have different intellectual, spiritual, moral, or emotional capacities? Over the centuries, women have read and interpreted the story of Eve, scrutinizing the details of the text to discern God's word for them. Biblical scholar Amanda Benckhuysen traces the history of women's interpretation of Genesis 1-3, allowing the voices of women to speak of Eve's story and its implications for life today. The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave Examines the treatment of religion and spirituality in the animated television series, including its depiction of God, Jesus, heaven, hell, and prayer in chapters devoted to Homer, Lisa, Ned, Reverend Lovejoy, Krusty, and Apu. The apostles understood the Gospel as they learned from and personally lived alongside Jesus, and these lessons became the heart of their message to an unsaved world. But what does their perspective mean for modern Christians, and how can we read the Bible through their unique lens today? Following the release of his bestselling book *The Gospel According to Jesus*, Dr. MacArthur noticed that Christians were looking for practical advice, spiritual counsel, and accessible explanations of the Bible. And, most of all, they wanted help understanding their experiences within Christianity. Dr. MacArthur realized that by examining scripture from the perspective of the apostles themselves, even more Christians could come to know the Gospel as Jesus' earliest followers did. In his characteristic compelling style, Dr. MacArthur examines some of

the key passages from the Epistles and Acts that reveal how the apostles first shared the gospel and how they unfolded the truths of salvation to the early church. Dr. MacArthur doesn't shy away from answering some of the difficult questions that he's been asked over the years, including: What is cheap grace? Have some Christians adopted a "no-lordship" theology? What must a person do to be considered righteous by God? How should we call people to faith? Do our works have any effect on our salvation? The Gospel According to the Apostles is a book for every Christian who wants to experience, understand, and fall in love with the same gospel that Jesus preached. The Gospel According to the Blues dares us to read Jesus's Sermon on the Mount in conversation with Robert Johnson, Son House, and Muddy Waters. It suggests that thinking about the blues--the history, the artists, the songs--provides good stimulation for thinking about the Christian gospel. Both are about a world gone wrong, about injustice, about the human condition, and both are about hope for a better world. In this book, Gary Burnett probes both the gospel and the history of the blues as we find it in the Sermon on the Mount, to help us understand better the nature of the good news which Jesus preached, and its relevance and challenge to us. .embed-container { position: relative; padding-bottom: 56.25%; height: 0; overflow: hidden; max-width: 100%; } .embed-container iframe, .embed-container object, .embed-container embed { position: absolute; top: 0; left: 0; width: 100%; height: 100%; } Standing at the start of the New Testament, the Gospel of Matthew provides a bridge from the Jewish world awaiting a Messiah to the emerging Christian world of Jesus and his followers. This Gospel introduces us to Jesus as the Master Teacher whose words of instruction are captured in large teaching sections. Part One covers Matthew 1:1-16:28, from the birth of Jesus through much of his public teaching life, to the first prediction of his passion. Commentary, study and reflection questions, prayer and access to recorded lectures are included. 5 lessons. Saramago's Jesus is the son not of God but of Joseph. Mary Magdalene is his lover not his convert. In the wilderness he tussles not with the Devil – a kindly and necessary evil – but with God, a fallible, power-hungry autocrat. And he must die not for the sins of the fathers but for the sins of the Father. By investigating these simple inversions Saramago has woven a dark parable; a secular gospel of astonishing richness and depth. 'An original, wild and beautiful book' Times Literary Supplement The Gospel According to Luke is the first part of a two-volume compilation that continues the biblical history of God's dealings with humanity found in the Old Testament. It depicts how Jesus fulfills God's promise of salvation to Israel and then to the Gentiles. Luke shows that the preaching and teaching of the early Church representatives are grounded in the preaching and teaching of Jesus during His historical ministry. The Gospel According to Luke, together with Acts of the Apostles, delivers the history of first-century Christianity. This continuity between the historical ministry of Jesus and the ministry of the Apostles is Luke's way of guaranteeing the fidelity of the Church's teaching to the teaching of Jesus.
