Destiny Called - They Answered In the dark recesses of Tyria, elder dragons have awoken from millennial slumbers. First came Primordus, which stirred in the Depths forcing the asura to flee to the surface. Half a century later, Jormag awoke and drove the norn from the frozen climes of the Northern Shiverpeaks, corrupting sons and brothers along the way. A generation later, Zhaitan arose in a cataclysmic event that reshaped a continent and flooded the capital of the human nation of Kryta. The races of Tyria stand on the edge of destiny. Heroes have battled against dragon minions, only to be corrupted into service of the enemy. Armies have marched on the dragons and been swep aside. The dwarves sacrificed their entire race to defeat a single dragon champion. The age of mortals may soon be over. This is a time for heroes. While the races of Tyria stand apart, six heroic individuals will come together to fight for their people: Eir, the norn huntress with the soul of an artist; Snaff, the asuran genius, and his ambitious assistant Zojja; Rytlock, the ferocious charr warrior in exile; Caithe, a deadly sylvari with deep secrets; and Logan, the valiant human guardian dealing with divided loyalties. Together they become Destiny's Edge. Together they answer the call. But will it be enough? After the rise of a deity... ..they fled to a magical kingdom. But can they ever return? Nara had spent thousands of years trapped inside her deranged mother's castle. After being enrolled at the Knight Academy, she thought she'd finally be free. She had everything - a mentor in magic, a loving boyfriend, and a group of friends she called family. But then it all fell to pieces. One of her friends was possessed by an ancient evil. The only way for the rest of them to stay alive was to return to her mother's kingdom. Nara never expected to return to Aria, let alone after switching bodies with her best friend. Nor did Nara ever think she would be reunited with her traitorous undead ex. To save the only true family she loves, Nara must play a game of life and death against an unknown foe. The Beast will claim its first victim. And a war is coming. You'll love this YA Urban Fantasy, because it has the perfect mix of adventure, thrills, and romance to keep you turning the pages. From USA Today bestselling author Julianne MacLean comes a suspenseful and emotionally gripping tale about destiny and love... Years ago, a teenage pregnancy changed Kate Worthington's life forever, but she chose to follow her heart and embrace the future with the father of her baby--and her devoted first love. At the same time, in another part of the world, Ryan Hamilton made some far-reaching mistakes as a young man, but learned important lessons along the way. Twenty years later, Kate's and Ryan's paths cross in a way they never could have dreamed, which makes them question the possibility of destiny. Could it be that everything happens for a reason, and we end up exactly where we are meant to be? Includes Bonus Content: A Bookclub Discussion Guide While each novel in the series can be read as a standalone, there are many more books to love in this series. It is also known as Destiny 2: New Light and Destiny: Guardians in Korea. For PlayStation 4, Xbox One, and Microsoft Windows, it was first made available as a pay-to-play title in 2017. On October 1, 2019, the game under the name New Light became free-to-play and adopted the games as a service business model. The game was subsequently released on Stadia the following month, then on the PlayStation 5 and Xbox Series X/S platforms in December 2020. Prior to December 31, 2018, Bungie had the publishing rights to the series; Activision had previously published the game. It is a follow-up to 2014's Destiny and its later expansions. The game's online "shared-world" setting, which incorporates aspects of role-playing games, is set in a "mythic science fiction" universe. Player versus environment (PvE) and player versus player (PvP) game types are used to split activities in Destiny 2 much like the original. Three-player "strikes," dungeons, and six-player raids are available in PvE in addition to standard narrative objectives. Each location also has a free roam patrol mode that offers additional activities and public events not included in the original. Exploration of the locations and interactions with non-player characters (NPCs) are prioritized in these activities; in the original Destiny, NPCs were limited to social settings. Along with the standard deathmatch game types, PvP offers objective-based variations. Story Behind the Book "While studying American history in high school, I was struck with a strange fascination for the Civil War. That fascination grew stronger when I studied it again in college, and I've visited many of the sites where the battles took place. When I visited the Appomattox Court House in Virginia, where General Robert E. Lee signed the documents of surrender before General Ulysses S. Grant, I was struck with the thought of creating a series of novels based upon specific battles in the Civil War. I wanted to mold fictional characters with real ones and fill the stories with romance, suspense, intrigue, and the excitement of battle. That's how the Battles of Destiny series came to be." —Al Lacy Dramatic Tales of Love and Civil War The Battles of Destiny series is now available in four attractive two-in-one volumes! This numerology book based on relationship compatibility will not tell you who will win or lose the discussions and fights. It will not tell you whether the relationship between two numbers is a thumbs-up or thumbs-down because no number is good or bad, right or wrong and so judging someone on the basis of just numbers is incorrect.
