Enter the fast, fun, urban fantasy adventure of the BUTTERFLY WITCH series, where magic and science become one—mostly accidentally. * This is a standalone first book in the brand-new BUTTERFLY WITCH series. Contains swearing, some intense action scenes (low gore), super-slow-burn romantic interest (also low gore), and does not end on a cliffhanger—but, yeah, there's more to come! * A doctor and a reformed bad-boy vampire struggle with danger and their desires in this New York Times–bestselling paranormal

romantic suspense novel. Dr. Melanie Lipton is no stranger to the supernatural. She knows immortals better than they know themselves, right down to their stubborn little genes. So although a handsome rogue immortal seems suspicious to her colleagues, Sebastien Newcombe intrigues Melanie. His history is checkered, his scars are impressive, and his ideas are daring. But it's not his ideas that have Melanie fighting off surges of desire... Bastien is used to being the bad guy. In fact, he can't remember the last time he had an ally he could trust. But Melanie is

different—and under her calm, professional exterior he senses a passion beyond anything in his centuries of experience. Giving in to temptation is out of the question—he can't put her in danger. But she isn't asking him... RT Book Reviews “With this excellent entry, rising star Duvall is fast proving to be a major player in paranormal romance!”— “With a deeply emotional love story, two beautiful, complex main characters, and a pulse-pounding adventure that won't let up, this book was haunting and addictive.”—The Romance Reviews Three days to reach the summit and

retrieve the flag. Those who drop out go home. The bootcamp's alpha asks Alistair to protect their omega wolf, Penny. All they have are the clothes on their back when the worst storm of the winter hits. But it's got nothing on Penny. No shifter has ever torn Alistair open or exposed him like her, all with the razor edge of her tongue. Forget the blizzard, the real danger is the sharp curve of her smile and the lengths he'll go to get a taste. "I dare you not to love a Cynthia Eden book!" --Larissa Ione Sandra "Dee" Daniels is a vampire's worst nightmare. Sure,

she couldn't get up to five-six in the highest heels money can buy--not that she ever wears heels. But the monsters in her past and the stake in her boot are enough to keep most bloodsuckers interested in staying undead out of Baton Rouge. But there are changes afoot on her turf. Rumors are a Born Master is in town--a vampire so powerful he can make the streets run with blood. And a new face in Dee's dive bars and alleyways--Simon Chase, a strong, sexy shadow with a haunted past of his own. Simon knows a lot about the dark side of Dee's work. He knows even more about how to make her body

spark with desire. But the hot lust shimmering between them is only the beginning. Because Simon also knows a secret that will change Dee's life--if she can live long enough to uncover it. "Dee and her vampire lover are hot enough to burn readers' fingers in this enthralling story." --RT Book Reviews, 4 Stars Joey W. Hill's Vampire Queen novels "keep the pages turning, your imagination running, [and] your dreams carnally vivid" (Bitten by Books). In her newest installment, a servant sentenced to death is sent into hiding and finds a passion she never expected in her new protector...

Groomed from birth to be an Inherited Servant and serve only the most powerful vampire Masters, Alanna never resented her destiny. Then she did the unthinkable: she betrayed her Master to the Vampire Council. Now death is her future, but until her Master is captured, she must be protected. The Vampire Council assigns her to Evan, a vampire whose wandering lifestyle makes him the perfect guardian... Alanna's training was for a vampire of power and ambition, not for someone like Evan who lives in mountainside shacks and caves. Even his servant, Niall, is rough mannered. But

these two men are about to teach Alanna something her rigorous training never did: how to feel, how to desire...perhaps even how to love. Then the Council captures her Master, and Alanna has no choice but to accept her destiny. But Evan and Niall are no strangers to defying fate—and they will stop at nothing to make Alanna theirs forever... It's a long way from Seattle to Otter Bite, Alaska. But if one woman can survive the trip--and the locals--she just might find what her heart has been searching for. Her mango chutney is exquisite; her blueberry sauce is to die for. But right now, Chef de Cuisine Daisy Moon

is a woman without a kitchen--and without a fiancé. Unceremoniously dumped from her place of business and her relationship, Daisy sells her belongings, plus a few of her ex's, and packs her bags. Maybe smashing all the china in her former restaurant was a bad move. Stripped of her Golden Spoon for "un-chef-like" conduct, she is now blacklisted all over Seattle. Her sole job offer is from the Wild Man Lodge...in Otter Bite, Alaska. Too bad Daisy can't even get out of Dodge without incident. By the time she boards a ship for Alaska, she's got a trail of new troubles behind her, and

suddenly Otter Bite is sounding pretty good. But the vessel turns into her own personal Titanic when a series of close encounters confirms her terrible taste in men--including one very good looking bad luck charm named Max Kendall. She vows to dedicate the rest of her days to chowders and brulée. Yet even Alaska isn't far enough away to shake the memories of the sexy shipmate who rocked her cabin--and her world. Thank goodness she's done with surprises--but they may not be done with her... THE TRIUMPHANT SEVENTH NOVEL IN THE MULTI-MILLION

Lockhart, author of the highly

acclaimed, New York Times bestseller We Were Liars, which John Green called "utterly unforgettable," comes The Boyfriend List, the first book in the uproarious and heartwarming Ruby Oliver novels. Ruby Oliver is 15 and has a shrink. She knows it's unusual, but give her a break—she's had a rough 10 days. In the past 10 days she: lost her boyfriend (#13 on the list), lost her best friend (Kim), lost all her other friends (Nora, Cricket), did something suspicious with a boy (#10), did something advanced with a boy (#15), had an argument with a

boy (#14), drank her first beer (someone handed it to her), got caught by her mom (ag!), had a panic attack (scary), lost a lacrosse game (she's the goalie), failed a math test (she'll make it up), hurt Meghan's feelings (even though they aren't really friends), became a social outcast (no one to sit with at lunch) and had graffiti written about her in the girls' bathroom (who knows what was in the boys'!?!). But don't worry—Ruby lives to tell the tale. And make more lists. Beautiful Grace Paget has no reason not to believe these words. After all, she was kidnapped, spirited away to a remote country

manor, and told she is to grant this man his every desire . . . or lose her life. But Grace is no common trollop. So she risks everything to save her virtue by planning a daring escape, even though she finds herself tempted by this handsome man. There is something in his eyes that makes her wonder if he is as dangerous as he would have her believe. Sheene knew nothing of the plan to bring him this woman. Locked up as a prisoner, called "mad" by all of the world, he will do anything to reclaim his life, and Grace's sensuous beauty has distracted him from his goals. And although he finds her irresistible, he

is horrified to hold her against her will. Now, together, they must both revolt against the strange set of circumstances that have forced them together—for only then will Grace truly surrender to him . . . forever. It's Valentine's Day, but Macy Rodgers isn't feeling the love. Aside from a torrid, one-night fling in a backseat a few months ago, her love life has been sorely lacking. Fortunately, she has devious friends who feel like playing Cupid. Wouldn't they be shocked to learn that the match they've made for her is the same one that steamed up the back of that '69 GTO... Seth "Ghost" Warren has just

returned to town after an extended absence. Between his grandmother's failing health, his job as a tattoo artist, his band's gigs, and an ex that won't leave him alone, he's stretched thin. Cautious cowgirl Macy is the last thing he needs thrown into the mix. She's all country, he's all heavy metal—and Macy knows that if anyone can propel her out of her rut, it's Seth. But when their worlds collide, it's anyone's guess if they'll survive with their hearts intact. Each book in the Ross Siblings series is

Through a seductive courtship, he introduces her to the magical mystical world of the Amoveo--the dream walking, telepathic, shape shifters that he claims are her true heritage. Dating the Prince of Darkness has its challenges . . . Leila's psychic

abilities have been failing her, and now she isn't sure what the future holds. If that weren't enough, her lover Vlad has been acting distant. Though Leila is a mere mortal, she's also a modern woman who refuses to accept the cold shoulder treatment forever—especially from the darkly handsome vampire who still won't admit that he loves her . . . Like choosing between eternal love and a loveless eternity . . . Soon circumstances send Leila back to the carnival circuit, where tragedy strikes. And when she finds herself in the crosshairs of a killer who may be closer than she realizes, Leila must decide who to

trust—the fiery vampire who arouses her passions like no other or the tortured knight who longs to be more than a friend? With danger stalking her every step of the way, all it takes is one wrong move to damn her for eternity . . . From the brilliant imagination of Kerrelyn Sparks comes a bold new fantasy romance series in which passion and magic collide. Behold the Embraced... As one of the Embraced—one born with magical powers—the beautiful, innocent Luciana escaped certain death after her father hid her away on the Isle of Moon. Now, nineteen years

later, her father has returned with a frightening request. He will be executed unless Luciana returns to the mainland and marries a man feared throughout the land: a terrifying brute known as the Beast. Luciana accepts her fate and agrees to wed the Beast—Lord Leo—in order to save her father. Soon she learns that her betrothed is also one of the Embraced. With the ability to wield lightning, Leo's immense power strikes fear into the hearts of men. . . and his mere touch can put an end to a woman's life. But Luciana cannot deny the passion that burns between them. How can she

resist the man who scorches her soul and makes her feel intoxicated with desire—even if surrendering to him could destroy them both? The mind-blowing beginning of a futuristic series about the seductive nature of a perfect virtual world and how far one girl will go to uncover the truth behind the illusions. A new technology is sweeping the country. To enter Elusion®, you need an app, a visor, and a wristband, and you'll be virtually transported to an exotic destination where adventure comes without the complications or consequences of real life. When there are accusations that Elusion is addictive

and dangerous, Regan is determined to defend it and is pulled into incredible new worlds to discover deeply buried truths—and to make the ultimate choice between love and loyalty. . . . Full of thrilling mystery, romance, and intriguing technology, this Inception-inspired thriller is perfect for fans of dystopian and sci-fi novels such as *Uglies* by Scott Westerfeld, *Matched* by Ally Condie, and *Partials* by Dan Wells, and is continued in the sequel, *Etherworld*.
