*Seven Wild Sisters* Feb 23 2020 This full-color, illustrated companion novel to *The Cats of Tanglewood Forest* includes "beautiful bookmaking, lovely storytelling, and wondrous illustrations....Readers will be enchanted" (Kirkus Reviews, starred review). This captivating adventure from two masters of modern fantasy is a story of magic, family, and the power in believing in both. Sarah Jane has always wanted to meet a fairy, but she has no idea that the tiny wounded man she discovers in the Tanglewood Forest is about to ensnare her in a longtime war between rival magical clans. When her six sisters are kidnapped and split up by the opposing sides, she'll need the help of several friends--from the reclusive Aunt Lillian to the mysterious Apple Tree Man--to bring them home. But if they don't untangle themselves from the feud quickly, they could all be trapped in the fairy world forever. In a starred review, Publishers Weekly noted "the lyrical narrative blends a contemporary setting with a fairy tale that might have been plucked from a distinctly different time and place."

*Spiritwalk* Dec 15 2021 At the heart of Tamson House is the Wood. And in that Wood is the Mystery Tamson House, in modern, urban Ottawa, is a rambling, eccentric curiosity of a house—and a place of hidden Power. Built at a point where the leylines meet, upon land that was once a sacred site, it is the gateway to a spirit world where Celtic and Native American magicks mingle and leak into our own. In the overgrown garden of Tamson House, a Coyote Man waits, green children walk, and music rises to greet the moon. From the garden, a vast and primal wood is just one spirit-step away... and in that wood is something that threatens the very existence of Tamson House, and all who dwell within. Charles de Lint returns to the spirit-world of his bestselling *Moonheart* in a splendid work of urban fantasy, bringing myth, music, and magic into our modern world.

**Corporate Reputation and Competitiveness** Apr 26 2020 This unique book written by four world leaders in reputation research, presents the latest cutting-edge thinking on organizational improvement. It covers media management, crisis management, the use of logos and other aspects of corporate identity, and argues the case for reputation management as a way of overseeing long-term organizational strategy. It presents a new approach to managing reputation, one that relies on surveying customers and employees on their view of the corporate character and in harmonizing the values of both. This approach has been trialled in a number of organizations and here the authors demonstrate how improving reputation, merely by learning more about what a company is already doing, is worth some five per cent sales growth. The book is a vital, up to date resource for specialists in corporate communication, public relations, marketing, HRM, and business strategy as well as for all senior management. Highly illustrated with over eighty diagrams and tables, it includes up to the minute illustrative case studies and interviews with leading authorities in the field.

**The Onion Girl** Sep 24 2022 2017 Aurora Awards Best of Decade Finalist In novel after novel, and story after story, Charles de Lint has brought an entire imaginary North American city to vivid life. Newford: where magic lights dark streets; where myths walk clothed in modern shapes; where a broad cast of extraordinary and affecting people work to keep the whole world turning. At the center of all the entwined lives in Newford stands a young artist named Jilly Coppercorn, with her tangled hair, her paint-splattered jeans, a smile perpetually on her lips--Jilly, whose paintings capture the hidden beings that dwell in the city's shadows. Now, at last, de Lint tells Jilly's own story...for behind the painter's fey charm lies a dark secret and a past she's labored to forget. And that past is coming to claim her now. "I'm the onion girl," Jilly Coppercorn says. "Pull back the layers of my life, and you won't find anything at the core. Just a broken child. A hollow girl." She's very, very good at running. But life has just forced Jilly to stop. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Ford Y-Block Engines: How to Rebuild & Modify** Sep 19 2019 As Ford's follow-up to the famous flathead, the Y-block was Ford's first overhead-valve V-8 and it established an impressive high-performance legacy, winning many races in NASCAR and setting records at the Bonneville Salt Flats. This venerable Ford engine, which powers classic Thunderbirds, Crown Victorias, Edsels, and other cars, is enjoying a performance renaissance. Many aftermarket parts, including heads, can turn a sedate Y-block into a powerhouse. The engine earned its name from its deep-skirt block design that looked like a "Y." This stout engine was installed in millions of Ford cars from 1954 to 1962 and Ford trucks from 1952 to 1964. Author and Ford tech expert Charles Morris explains each critical aspect of rebuilding a stock 239-, 256-, 272-, 292-, and 312-ci Y-block and building a modified Y-block. He shows you how to identify components and conduct a thorough inspection so you select a sound block, heads, intake, and other components. He explains the specifics for obtaining high-quality machining work and verifying clearances. In addition, he delves into the intricacies of each step of the assembly process so you can rebuild a strong-running and reliable engine. Most important, Morris details the steps to effectively remedy the Y-block oiling problems. This is the book Ford Y-block owners and fans have been waiting for. It's an indispensable guide for performing a professional-caliber rebuild and buildup of the Y-block.

**Widdershins** Dec 27 2022 Jilly Coppercorn and Geordie Riddell. Since they were introduced in the first Newford story, "Timeskip," back in 1989, their friends and readers alike have been waiting for them to realize what everybody else already knows: that they belong together. But they've been more clueless about how they feel for each other than the characters in *When Harry Met Sally*. Now in *Widdershins*, a stand-alone novel of fairy courts set in shopping malls and the Bohemian street scene of Newford's Crowsea area, Jilly and Geordie's story is finally

being told. Before it's over, we'll find ourselves plunged into the rancorous and sometimes violent conflict between the magical North American "animal people" and the more newly-arrived fairy folk. We'll watch as Jilly is held captive in a sinister world based on her own worst memories—and Geordie, attempting to help, is sent someplace even worse. And we'll be captivated by the power of love and determination to redeem ancient hatreds and heal old magics gone sour. To walk "widdershins" is to walk counterclockwise or backwards around something. It's a classic pathway into the fairy realm. It's also the way people often back slowly into the relationships that matter, the real ones that make for a life. In *Widdershins* Charles de Lint has delivered one of his most accessible and moving works of his career. American Icon Jan 24 2020 The inside story of the epic turnaround of Ford Motor Company under the leadership of CEO Alan Mulally. At the end of 2008, Ford Motor Company was just months away from running out of cash. With the auto industry careening toward ruin, Congress offered all three Detroit automakers a bailout. General Motors and Chrysler grabbed the taxpayer lifeline, but Ford decided to save itself. Under the leadership of charismatic CEO Alan Mulally, Ford had already put together a bold plan to unify its divided global operations, transform its lackluster product lineup, and overcome a dysfunctional culture of infighting, backstabbing, and excuses. It was an extraordinary risk, but it was the only way the Ford family—America's last great industrial dynasty—could hold on to their company. Mulally and his team pulled off one of the greatest comebacks in business history. As the rest of Detroit collapsed, Ford went from the brink of bankruptcy to being the most profitable automaker in the world. *American Icon* is the compelling, behind-the-scenes account of that epic turnaround. In one of the great management narratives of our time, Hoffman puts the reader inside the boardroom as Mulally uses his celebrated Business Plan Review meetings to drive change and force Ford to deal with the painful realities of the American auto industry. Hoffman was granted unprecedented access to Ford's top executives and top-secret company documents. He spent countless hours with Alan Mulally, Bill Ford, the Ford family, former executives, labor leaders, and company directors. In the bestselling tradition of *Too Big to Fail* and *The Big Short*, *American Icon* is narrative nonfiction at its vivid and colorful best.

**Defending Scilly** Aug 11 2021 The Isles of Scilly are renowned for their natural beauty, wild flowers and temperate climate, but there is another reason to visit these paradise islands. Since the 16th century they have been in the frontline of this country's military defences and successive generations of fortifications have survived in Scilly, unmatched in any other location around Britain. This unrivalled survival was due to the lack of pressure to develop the islands and happily because the feared enemy rarely attacked. However, there is another threat to this precious heritage, the power of the sea. William Borlase in the mid-18th century recorded how much of the islands' history had succumbed to rising sea level, and today increasingly turbulent weather patterns may be accelerating the process of coastal erosion. This book celebrates the unique survival of military fortifications on the islands, but it also serves to illustrate the value and vulnerability of the whole country's coastal heritage. Like King Canute, we cannot turn back the sea, but we can celebrate these precious survivals from the colourful history of our island nation.

**Tapping the Dream Tree** Dec 03 2020 World Fantasy Award-winning author of *The Onion Girl* A brand-new installment in the Newford saga, the World Fantasy Award-winning series of urban fantasy fiction by a master of the form. Charles de Lint's urban fantasies, including *Moonheart*, *Forests of the Heart*, and *The Onion Girl*, have earned him a devoted following and critical acclaim as a master of contemporary magical fiction. At the heart of his work is the ongoing Newford series, of which this is the latest volume. The city of Newford could be any contemporary North American city . . . except that magic lurks in its music, in its art, in the shadows of its grittiest streets, where mythic beings walk disguised. And its people are like you and me, each looking for a bit of magic to shape their lives and transform their fate. Now, in this latest volume, we meet a bluesman hiding from the devil; a Buffalo Man at the edge of death; a murderous ghost looking for revenge; a wolf man on his first blind date; and many more. We're reunited with Jilly, Geordie, Sophie, the Crow Girls, and other characters whose lives

have become part of the great Newford myth. And De Lint takes us beyond Newford's streets to the pastoral hills north of the city, where magic and music have a flavor different but powerful still. Reprint. 15,000 first printing.

**The Mystery of Grace** Jul 30 2020 On the Day of the Dead, the Solona Music Hall is jumping. That's where Altagracia Quintero meets John Burns, just two weeks too late. Altagracia – her friends call her Grace – has a tattoo of Nuestra Señora de Altagracia on her shoulder, she's got a Ford Motor Company tattoo running down her leg, and she has grease worked so deep into her hands that it'll never wash out. Grace works at Sanchez Motorworks, customizing hot rods. Finding the line in a classic car is her calling. Now Grace has to find the line in her own life. A few blocks around the Alverson Arms is all her world -- from the little grocery store where she buys beans, tamales, and cigarettes ("cigarettes can kill you," they tell her, but she smokes them anyway) to the record shop, to the library where Henry, a black man confined to a wheelchair, researches the mystery of life in death – but she's got unfinished business keeping her close to home. Grace loves John, and John loves her, and that would be wonderful, except that John, like Grace, has unfinished business – he's haunted by the childhood death of his younger brother. He's never stopped feeling responsible. Like Grace in her way, John is an artist, and before their relationship can find its resolution, the two of them will have to teach each other about life and love, about hot rods and Elvis Presley, and about why it's necessary to let some things go. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Newford Stories* Nov 26 2022 "The Crow Girls and their kind, once seen, are impossible to forget. Wild, but curiously childlike; wise and yet playful; existing outside the confines of conventional morality, and yet bringing hope and clarity to everyone whose lives they touch." -Joanne Harris, author of *Chocolat*, from her introduction to this book. Charles de Lint's readers have been asking him to put together story collections featuring their favourite Newford characters. The crow girls are among his best-loved characters, so de Lint obliged by gathering their stories all under one roof, so to speak. Some other members of the Newford repertory company show up here, but at the forefront of each story are these two little wild girls with their big personalities. This book features an introduction by Joanne Harris and an afterword by the de Lint. Cover art by Tara Larsen Chang ([www.taralarsenchang.com](http://www.taralarsenchang.com)). These stories have all been published before. "Crow Girls" is also available in *The Very Best of Charles de Lint* and in *Moonlight and Vines*; "Twa Corbies" in *Moonlight and Vines*; "The Buffalo Man" in *Tapping the Dream Tree*; and "A Crow Girls' Christmas" in *Muse and Reverie*. "Make a Joyful Noise," published in a limited edition by Subterranean Press, has not appeared in any of his previous collections. "Nobody does urban fantasy better than Charles de Lint. He has a gift for creating engaging, fully realized characters, totally believable dialogue, and a feeling that magic is just around the corner ... He can make you believe 'as many as six impossible things before breakfast.'" -Amazon.com Editorial Review "De Lint's elegant prose and effective storytelling continue to transform the mundane into the magical at every turn. Highly recommended." -Library Journal, Copyright 1998 Reed Business Information, Inc. "In many hands, the urban fantasy plot involving strange beings just around the corner fails dismally. It does not in the hands of the reliable, the inimitable de Lint ... -Booklist " de Lint...clearly has no equal as an urban fantasist and very few equals among fantasists as

a folklorist." -Booklist Charles de Lint is the modern master of urban fantasy. Folktale, myth, fairy tale, dreams, urban legend-all of it adds up to pure magic in de Lint's vivid, original world. No one does it better. - Alice Hoffman Charles de Lint writes like a magician. He draws out the strange inside our own world, weaving stories that feel more real than we are when we read them. He is, simply put, the best. - Holly Black Unlike most fantasy writers who deal with battles between ultimate good and evil, de Lint concentrates on smaller, very personal conflicts. Perhaps this is what makes him accessible to the non-fantasy audience as well as the hard-core fans. Perhaps it's just damned fine writing. - Quill & Quire

**Forests of the Heart** Oct 25 2022 In the Old Country, they called them the Gentry: ancient spirits of the land, magical, amoral, and dangerous. When the Irish emigrated to North America, some of the Gentry followed...only to find that the New World already had spirits of its own, called manitou and other such names by the Native tribes. Now generations have passed, and the Irish have made homes in the new land, but the Gentry still wander homeless on the city streets. Gathering in the city shadows, they bide their time and dream of power. As their dreams grow harder, darker, fiercer, so do the Gentry themselves--appearing, to those with the sight to see them, as hard and dangerous men, invariably dressed in black. Bettina can see the Gentry, and knows them for what they are. Part Indian, part Mexican, she was raised by her grandmother to understand the spirit world. Now she lives in Kellygnow, a massive old house run as an arts colony on the outskirts of Newford, a world away from the Southwestern desert of her youth. Outsider her nighttime window, she often spies the dark men, squatting in the snow, smoking, brooding, waiting. She calls them los lobos, the wolves, and stays clear of them--until the night one follows her to the woods, and takes her hand.... Ellie, an independent young sculptor, is another with magic in her blood, but she refuses to believe it, even though she, too, sees the dark men. A strange old woman has summoned Ellie to Kellygnow to create a mask for her based on an ancient Celtic artifact. It is the mask of the mythic Summer King--another thing Ellie does not believe in. Yet lack of belief won't dim the power of the mask, or its dreadful intent. Donal, Ellie's former lover, comes from an Irish family and knows the truth at the heart of the old myths. He thinks he can use the mask and the "hard men" for his own purposes. And Donal's sister, Miki, a punk accordion player, stands on the other side of the Gentry's battle with the Native spirits of the land. She knows that more than her brother's soul is at stake. All of Newford is threatened, human and mythic beings alike. Once again Charles de Lint weaves the mythic traditions of many cultures into a seamless cloth, bringing folklore, music, and unforgettable characters to life on modern city streets. **Moonlight & Vines** May 20 2022 Familiar to Charles de Lint's ever-growing audience as the setting of the novels *Memory & Dream*, *Trader*, and *Someplace To Be Flying*, Newford is the quintessential North American city, tough and streetwise on the surface and rich with hidden magic for those who can see. Now de Lint returns to this extraordinary city for a third volume of short stories set there, including several never before published in book form. Here is enchantment under a streetlamp: the landscape of urban North America as only Charles de Lint can show it. "Blending Lovecraft's imagery, Dunsany's poetry, Carroll's surrealism, and Alice Hoffman's small-town strangeness," wrote *Interzone* on *Dreams Underfoot*, de Lint's Newford tales are "a haunting mixture of human warmth and cold inevitability, of lessons learned and prices to be paid."
